Paula Phillips, Director, Housing and Community Services Department, stated, "We did not receive a satisfactory proposal to propose to the Council for that item but simply remind the Council that one option you indicated you wanted to maintain for consideration was keeping the housing rehabilitation program in-house and the Manager's recommendation is to keep the standard rehabilitation program and emergency repairs in-house."

Mayor Cooksey asked, "What is necessary in order to keep the repair program going with the Urban League during the interim?" Ms. Phillips said, "We have looked at the amount of money that would be necessary for the interim period of time that it would take to get an RFP out and be able to get a

response to the Council and we have been able to determine from this year's close-out that there is sufficient money to be able to cover that from year-end close-out, should the Council wish."
