- ◆ Half of our fatalities involved drugs or
alcohol

Austin Police Department

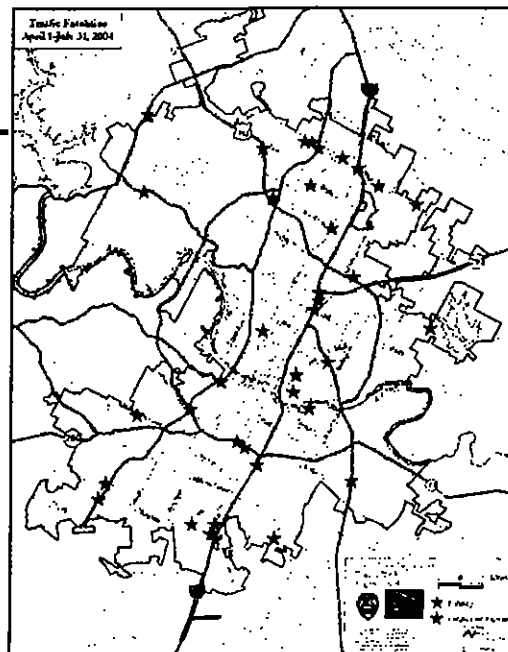

2004 Traffic Update (Jan-Jun)

Austin Police Department

2004 Traffic

Traffic Fatalities
January to present:
39 collisions
40 deaths
20 involved alcohol

Austin Police Department

Texas Cities- Traffic Fatalities

Agency	Jan-Jun 03 fatalities	Jan-Jun 04 fatalities
Dallas	77	78
Houston	98	117
San Antonio	72	80
Ft. Worth	25	40
El Paso	19	21
Austin	24	33

Austin Police Department

2004 Traffic Update (Jan-Jun)

The Austin Police Department employs a three-pronged strategy for addressing traffic safety:

- ◆ Enforcement
- ◆ Education
- ◆ Engineering

Austin Police Department

2004 Traffic Update (Jan-Jun)

- ◆ Enforcement strategies are developed through:
 - accident location analysis
 - citizen complaints
 - officer's observations
- ◆ Purchased equipment to enhance officers' ability to enforce traffic and DWI laws
 - Breath Alcohol Testing bus
 - Stealth cars
 - Radar
- ◆ Grants used to fund increased enforcement- \$612,000 in FY04

Austin Police Department

Enhanced DWI Enforcement

- ◆ New officers train with the DWI Unit
- ◆ Increased overtime staffing
- ◆ More aerial support locating DWIs on freeways and throughways

Austin Police Department

General Traffic Enforcement

- ◆ Stealth vehicles to identify aggressive drivers
- ◆ Variety of vehicles provided by local car dealers parked to disguise an officer using radar
- ◆ Increased media access to real-time collision information and enforcement target locations

Austin Police Department

Public Education

- ◆ Public services announcements: two ready and 6 in the planning stages
- ◆ Billboards and newspaper ads
- ◆ Provide local colleges, high schools and military posts with educational materials
- ◆ Alcohol stings: inform the media about businesses that sell or furnish alcohol to minors

Austin Police Department

Individual Accountability

- ◆ Don't Drink and Drive
- ◆ Don't allow a friend to drink and drive
- ◆ Slow down and obey all signals and traffic signs
- ◆ Wear your seatbelt

Austin Police Department

Traffic Management

Role of the Commander over traffic safety management:

- ◆ Lead APD's participation in partnership with TxDOT, City/County transportation departments, Capital Metro and other related agencies
- ◆ Implement improved officer training on how to reduce traffic congestion
- ◆ Coordinate APD input on roadway engineering and traffic signal control
- ◆ Oversee traffic education efforts including the production of public service announcements

Austin Police Department
