11/3/04 ACCORDING TO JEAN MATTER,  
THE S.R.C.C. ARE NOT  
IN FAVOR OF THIS POSTPONEMENT  
REQUEST.

Dear Ms. Glasco,

I am a longtime resident of the East Riverside Drive area and have an interest in the above referenced zoning case scheduled for City Council on November 4, 2004. I, and many of my neighbors, respectfully request a postponement for the hearing for a period of two weeks until November 18, 2004. Additional time is requested to discuss this case with other longtime residents of the area.

Further, the case is scheduled as the last item of a very lengthy City Council agenda and this case is likely to be publicly discussed for a length of time that may carry to late in the evening. Should this case be postponed, I ask that the hearing be set on the November 18, 2004 agenda at a time earlier on the agenda.

Thank you for your attention to this matter.

Sincerely,

*Peg Treadwell*
