Honorable Mayor and Council Members:

As affected neighbors involved in zoning case C14-04-0030 that is scheduled for hearing this day, Jeff Taylor and I hereby request respectfully that the matter be postponed for at least 30 days and that the matter be set at a time certain on the agenda. We request this postponement as Toni House, another affected neighbor, will not be able to testify due to a personal matter that arose late yesterday. Ms. House has been involved in this zoning matter for many months and we believe her testimony would be of vital interest to council.

This is the first request by neighbors that live within close proximity to the property subject to the request for postponement. Our request for postponement is not for delay only, but so that all interested and affected neighbors may have an opportunity to appear before council.

Thank you for consideration of our request.

Respectfully submitted,

Henry G. Flores
