January ____, 2005

greenshores ANNEXATION AND DEVELOPMENT AGREEMENT

THE STATE OF TEXAS §
 §
COUNTY OF TRAVIS §

This Greenshores Annexation and Development Agreement (the “**Agreement**”) is made and entered into by and among the **CITY OF AUSTIN, TEXAS**, a municipal corporation, acting by and through its duly authorized City Manager (the “**City**”); and **PK-RE DEVELOPMENT COMPANY, INC.**, a Texas corporation, including without limitation its successors, assigns, agents, and affiliated entities (“**PK-RE**”), and the undersigned individuals and entities as owners of Greenshores, including without limitation their respective successors, assigns, agents, and affiliated entities (collectively, PK-RE and the undersigned individuals and entities will be known as “**Owners**”). By the signatures of their respective authorized representatives below, PK-RE warrants and represents that there are no other owners of any portion of Greenshores and no other third-parties holding an interest therein.

RECITALS

A. Owners own, or represent the owners of, a total of approximately 254 acres of land located in Travis County, Texas contained within the area described in the attached Exhibit “A” (“**Greenshores**”). Greenshores is located in the City’s extraterritorial jurisdiction (“**ETJ**”), but not within its corporate limits.

B. Owners have commenced development of Greenshores, and have conveyed certain portions of the property to other entities, from whom they have received Powers of Attorney authorizing execution of this Agreement and related documents. City has commenced the process of annexing a portion of Greenshores for full purposes. The Parties wish to enter into this Agreement to postpone annexation for a certain number of years, and provide that at the expiration of said period that the area may be included within the full purpose city limits without further action by either Party. No special district shall be created in the area, but PK-RE will maintain certain water and wastewater Certificates of Convenience and Necessity (“**CCNs**”) under which water and wastewater service will be provided to the area.

C. The Parties desire to (i) establish, define, protect and clarify the City’s jurisdictional and regulatory authority over Greenshores, (ii) provide for the annexation of Greenshores by the City, and (iii) clarify the understanding regarding the provision of water and wastewater service by Owners through the CCNs, duly approved by the Texas Commission on Environmental Quality (“**TCEQ**”), and the possible acquisition of such CCNs and the associated water and wastewater systems by the City after annexation. Owners are entering into this Agreement and consenting to the annexation of Greenshores in accordance with the terms set out herein.

D. This Agreement is promulgated under Section 212.172 of the Texas Local

Government Code.

NOW, THEREFORE, for and in consideration of the mutual agreements, covenants, and conditions contained in this Agreement, and other good and valuable consideration, the City and Owners agree as follows:

applicable ordinances and related matters

Section 3.01 Applicable Requirements. All of the City's laws, ordinances, manuals, and administrative rules, (including the Land Development Code) as they regard land development as amended from time to time shall apply to subdivisions within Greenshores, except as otherwise specified in this Agreement. Prior to full purpose annexation, subdivisions are subject to applicable regulations in Land Development Code Title 30, and after full purpose annexation, subdivisions are subject to applicable regulations in Land Development Code Title 25. Water and wastewater systems will comply with applicable requirements of the Texas Commission on Environmental ("TCEQ"), and the City including without limitation requirements for review and approval of construction plans, fire flow, and inspection of facilities, and CCN No. 12407, CCN No. 12408, and TCEQ Wastewater Permit No. 14286-001. The City acknowledges that the existing water system, except for fire flow, and the existing wastewater system for the Lake Austin portion of Greenshores ("GLA"), and the Excess Capacity portion of Greenshores ("EC"), have been designed in accordance with City requirements and are acceptable to the City. Future water and wastewater systems and alterations to existing systems will comply with TCEQ, City and other applicable standards. The City and Owners acknowledge that City and Lake Navigation Company have entered into a separate agreement regarding PK-RE's TCEQ wastewater discharge permit number 14286-001.

Owners shall not apply for, support, sponsor, or seek third party sponsorship for any such district or municipality without prior written approval of City Council. Provided, however, that this Agreement is not intended to prohibit the creation of a homeowners association, with limited powers and duties typical of a homeowners association, or any form of property owners' association that does not impede or impair in any way the City's ability to annex Greenshores.

Article IV

AMENDments

Section 4.01 Amendments to Agreement. This Agreement may be amended only by a written agreement signed by the City and Owners; provided, however, an owner of a portion of

Greenshores (other than an individual Owner of an occupied single family, duplex, townhouse or attached single family residential lot) and the City may amend this Agreement as it relates solely to such Owner's parcel without the joinder of any other Owner.

Article V

ANNEXATION

Section 5.01 Annexation. By the execution and in consideration of the mutual covenants of this Agreement, Owners and the City agree as follows.

a. Owners and the City agree to defer annexation and to continue the extraterritorial status of the Greenshores on Lake Austin portion of Greenshores ("**GLA Portion**") and the Excess Capacity portion of Greenshores ("**EC Portion**"), identified respectively as area A-1 and area A-2 on the map included in Exhibit "A", and immunity from annexation by the City for the period expiring January 24, 2010.

b. Owners hereby consent to and request, on behalf of themselves and their successors and assigns, as of the dates indicated below the annexation of portions of Greenshores into the City for the limited purposes of planning and zoning, as follows: (i) with respect to the Woods of Greenshores portion of Greenshores ("**WG Portion**"), identified as area A-3 on the map included in Exhibit "A", on the date this Agreement becomes effective as specified in Section 10.01; and (ii) with respect to any part of the GLA Portion, and the EC portion, (which are not within the full or limited purpose jurisdiction as of the Effective Date) on January 24, 2010. The City Manager will commence a limited purpose annexation case for each such portion of Greenshores within sixty (60) days of the date so specified for such portion. Interim zoning designations shall be proposed in accordance with residential and civic uses shown on plat applications and approved plats for the portion being annexed. Each limited purpose annexation case shall also include a proposed zoning case to be initiated by the City, recommending zoning consistent with the uses designated on plats or preliminary plans for the portion being annexed.

c. The parties intend that this Agreement guarantee the continuation of the extraterritorial status and limited purpose annexation status of portions of Greenshores as set forth above; authorize certain general uses and development of Greenshores; provide for infrastructure for Greenshores; specify the uses and development of Greenshores after annexation; and provide other lawful terms and considerations relating to Greenshores; all as herein set forth.

Section 5.02 Full Purpose Annexation. Owners hereby request and consent to full purpose annexation, on behalf of themselves, their successors and assigns, as set out herein, and

waive the City's obligation to annex the respective portions of Greenshores for full purposes within three (3) years of limited purpose annexation of each such portion. Instead, Owners and the City agree that the City shall have the option, but not the obligation, to annex for full purposes the respective portions of Greenshores under the following terms and according to the schedule below.

- a. After January 24, 2015, for the GLA Portion and the EC Portion.
- b. After January 24, 2017, for the WG Portion.
- c. In addition, the City may at any time annex those portions of Greenshores mutually agreed to be annexed for full purposes by the then Owners of the portions to be annexed.

After full purpose annexation, all city ordinances, regulations and requirements applicable in the full purpose jurisdiction, including city taxation, shall apply to the portions so annexed. During the term of this Agreement, the City shall not annex any part of Greenshores except as provided in this Article 5.

ARTICLE VI

WATER AND WASTEWATER SERVICE

Section 6.01. Service. Water and wastewater service will be provided to Greenshores by PK-RE or its affiliated utility entities operating under duly approved CCNs (including the CCNs for those areas described in Section 6.02), and in accordance with all applicable state and local regulations and permits. PK-RE (on its behalf and on behalf of its affiliated utility entities) agrees that they will comply with City Utility Design Criteria and standards and specifications including without limitation the provision of fire flow through the water system for Greenshores. The City and PK-RE agree that within seventy-five (75) days after the Effective Date, PK-RE will submit to City plans for the provision of adequate fire flow that comply with City Utility Design Criteria and standards and specifications for the GLA Portion and EC Portion. Adequate fire flow means that the design and construction of necessary facilities meet the City's Utility Design Criteria Manual, specifications, and standards and the Austin Fire Department's requirement of fire flow for Greenshores based upon the Uniform Fire Code. Within 24 months of the Effective Date, PK-RE agrees to complete construction of the facilities to provide adequate fire flow and cause PK-RE's engineer to submit to the City a letter, sealed by the engineer, indicating that the constructed facilities comply, without limitation, with the City's approved plans. If PK-RE does not complete such construction and provide such letter within 24 months of the Effective Date, PK-RE agrees to cease any future water or wastewater connections

to any portion of Greenshores until PK-RE has completed such obligations. Concurrent with the submission of each proposed final plat, site plan, or application for site development permit for the WG Portion, PK-RE agrees to submit construction plans to the City to serve the area included therein in accordance with the City Utility Design Criteria and standards and specifications including without limitation the City's requirements for fire flow.

Section 6.02. CCNs. The parties acknowledge that PK-RE has agreed to provide water and wastewater service to Greenshores. PK-RE shall file with TCEQ, within 90 (ninety) calendar days of the Effective Date, applications for additional or modified water and wastewater CCNs for any part of the WG Portion, the GLA Portion and the EC Portion that is not included within the existing CCNs, so that all of Greenshores will be included within a water and wastewater CCN. PK-RE agrees to use due diligence in seeking to obtain from TCEQ the additional and/or modified CCNs contemplated herein, and the City agrees not to protest same. Otherwise, PK-RE agrees not to seek modification of any of the CCNs without the City's prior written approval. PK-RE agrees that the facilities for the WG Portion shall be designed and constructed to use a conventional gravity wastewater system (using a lift station to send the wastewater flows to the wastewater treatment plant to be located within the WG Portion) instead of a pressurized system (where all wastewater connections use a pump to send wastewater flows to the wastewater treatment plant) in accordance with City Utility Design Criteria and standards and specifications. The City recognizes that some individual lots may be required for engineering purposes to use a pump, but that the pump will be the sole responsibility of the lot owner. Owners agree that such responsibilities shall be set forth in each affected Owner's real property instruments.

Section 6.03. Notice of Intent to Sell CCNs and Water and Wastewater Utility Systems; Negotiations Regarding Purchase. If PK-RE determines that it intends to sell the CCNs and associated water and wastewater systems, PK-RE agrees to provide written notice of such intent to the City. The City shall have 30 calendar days from the date of its receipt of such written notice in which to respond in writing stating the City's interest in negotiating for the purchase of the Facilities as defined below. If the City responds in writing within the 30 day period that it is interested in negotiating the purchase of the Facilities, PK-RE and the City agree to enter into good faith negotiations concerning the purchase price, and terms and conditions, for the City's purchase. The parties shall endeavor to reach an agreement for such purchase within 90 days, unless extended by agreement of the parties in writing. Any such transaction shall include the CCNs, and all rights and interests in all real property, easements, and water and wastewater utility assets associated with the CCNs, and all warranties, guaranties, and other assurances of performance owned or held by PK-RE or its affiliated utility entities relating thereto (collectively, the "Facilities"). PK-RE agrees to include in any professional service

contract or operations and maintenance contract related to the Facilities notice of this provision, and a termination clause to provide for the termination thereof on six months written notice without fees or costs to the City, in the event the City acquires the Facilities.

Article VII

LEGISLATIVE DISCRETION; representations and warranties

Section 7.01 Legislative Discretion. This Agreement is not intended to bind, and the parties agree in fact and law that the Agreement does not bind, the legislative discretion of the City Council to approve or disapprove any proposed annexation ordinance for Greenshores, subject to and in accordance with the provisions hereof.

Section 7.02 Representations and Warranties of Owners.

a. Organization and Good Standing. Owners consist of individuals and business organizations, each of which is duly organized and validly existing in good standing under the laws of the State of Texas, with full power and authority to conduct its business as it is now being conducted, to own or use the properties and assets that it purports to own or use, and to perform all its obligations under this Agreement. PK-RE also has been given Powers of Attorney from certain other Owners of property within Greenshores, under which PK-RE has been granted authority to execute this Agreement on behalf of said other Owners.

b. Authority; No Conflict. This Agreement constitutes the legal, valid and binding obligation of Owners, enforceable against Owners in accordance with its terms. Owners have the absolute and unrestricted right, power, authority, and capacity to execute and deliver this Agreement and to perform their obligations under this Agreement.

Section 7.03 Representations and Warranties of the City.

a. Organization and Good Standing. The City is a duly organized and validly existing municipal corporation in good standing under the laws of the State of Texas, with full power and authority to conduct its business as it is now being conducted, to own or use the properties and assets that it purports to own or use, and to perform all its obligations under this Agreement.

b. Authority; No Conflict. This Agreement constitutes the legal, valid and binding obligation of the City, enforceable against the City in accordance with its terms. The City has the absolute and unrestricted right, power, authority, and capacity to execute and deliver this

Agreement and to perform its obligations under this Agreement.

Article VIII

FRUSTRATION OF PURPOSE

Section 8.01 Frustration of Purpose. If any word, phrase, clause, sentence, paragraph, section or other part of this Agreement is affected in whole or in part as a result of amendments to the underlying statutory authority for this Agreement, or a final judicial decree for which all appeals have expired or been exhausted, or if the Texas Legislature amends state law in a manner having the effect of limiting or curtailing any right or obligation of the parties under this Agreement, then the parties agree and understand that the purpose of this Agreement may be frustrated. In such case, the parties agree to work in good faith to amend this Agreement so that the purpose of this Agreement may be fully realized, including full purpose annexation if necessary. Owners agree not to protest any annexation of any portion of Greenshores in accordance with this Agreement, and further agree not to sponsor or support legislation that would hinder the City's ability to annex any portion of Greenshores in accordance with the provisions hereof.

ARTICLE IX

DEFAULT AND REMEDIES FOR DEFAULT

Section 9.01 Default. It shall be a default under this Agreement by a party, if such party shall fail to perform any of its obligations under this Agreement and such failure shall remain uncured following the expiration of ten (10) business days after written notice of such failure. However, in the event the default is of a nature that cannot be cured within such ten (10) day period, the defaulting party shall have a longer period of time as may be reasonably necessary to cure the default in question, but in no event more than forty-five (45) days.

Section 9.02 Remedies between the City and Owners. Should any default between Owners and the City remain uncured after Notice to the other as provided in Section 9.01, the non-defaulting party, whether Owners or the City, may pursue any remedy that is available at law or in equity at the time of the breach.

Section 9.03 Mediation. In order to avoid unnecessary litigation, in the event that either party fails to cure an alleged default within the cure period set out in Section 9.01 above, then if requested by either party, prior to seeking any form of relief from a court of law or agency of competent jurisdiction, each party agrees to enter into mediation concerning the alleged default for a period of not more than thirty (30) days prior to the filing of any court action. Nothing in this Agreement shall be construed to limit the parties from mediating a

default after any court or agency action may have been filed.

Section 9.04 No Liability For Actions of Others. Except as expressly set forth herein, (a) the liabilities, obligations and responsibilities of each Owner, their successors and assigns, under this Agreement are several, and not joint; and (b) no Owner, or successor or assign, of any portion of Greenshores will be in default under this Agreement or otherwise liable or responsible for any default which is not caused by such Owner or by any person acting by, through or under such Owner or successor or assign.

Section 9.05 Force Majeure. If, by reasons of Force Majeure, a party will be rendered wholly or partially unable to carry out its obligations under this Agreement, then such party will give written notice of the particulars of such Force Majeure to the other party within a reasonable time after the occurrence of it. The obligations of the party giving such notice, to the extent affected by such Force Majeure, shall be suspended during the continuance of the inability claimed and for no longer period, and such party will in good faith exercise its best efforts to remove and overcome such inability.

The term "Force Majeure" as utilized in this Agreement will mean and refer to acts of God; strikes, lockouts or other industrial disturbances; acts of public enemies; orders of any kind of the government of the United States, the State of Texas, or any other civil or military authority; insurrections; riots; epidemics; landslides; earthquakes; lightning; fires; hurricanes; storms; floods; washouts; other natural disasters; arrests; restraint of government and people; civil disturbances; explosions; breakage or accidents to machinery, pipelines or canals; or other causes not reasonably within the control of the party claiming such inability.

Within 30 days after the Effective Date, Owners shall execute and record a restrictive covenant that expressly restricts Greenshores to the applicable terms of this Agreement; provided, however, with respect to a fully developed and improved lot within Greenshores acquired by an end-buyer, the restrictive covenant shall only restrict such lot to the land use and development regulations set forth in this Agreement, and which shall include, without limitation, a restriction that the end-buyer consents to limited and full purpose annexation by the City, as provided herein. OWNERS FURTHER AGREE THAT EACH DEED TO EACH END-BUYER, AND EACH NOTICE ISSUED BY THE HOMEOWNERS ASSOCIATION FOR GREENSHORES TO ANY BUYER, SHALL INCLUDE A NOTICE TO SUCH OWNER OF THE CITY'S RIGHT TO ANNEX THE LOT FOR LIMITED AND FULL PURPOSES ON OR AFTER THE DATES SPECIFIED IN SECTIONS 5.01 AND 5.02, AND A SUMMARY OF OTHER TERMS AND CONDITIONS CONTAINED HEREIN.
