**Subject:** Palm Harbor Homes zoning (C14-05-0048) for 15996 N. IH - 35, Austin, Tx

Sherri: per our duelling voice messages, at the request of our client, Palm Harbor Homes, Inc., in connection with the referenced zoning case which is scheduled for this Thursday, August 4, 2005, we would like to request a postponement until **AUGUST 25<sup>th</sup>, 2005**. This will allow PHH to complete their site research/investigation and some minor site work that is underway in connection with impervious coverage questions that have been raised by an adjacent neighbor and city staff. Please note that I have given Mr. Larry Nelman (the interested adjacent neighbor), a courtesy call re: our request and he is in agreement. PHH hopes to have the work and research completed shortly but just in case the rain continues to impact their work, I took the liberty of skipping the 18<sup>th</sup> hearing so we would not be put in a position of potentially needing another extension. Thank you for your consideration and taking this to City Council on our behalf. I will keep you posted as to our progress. If you need anything further, please don't hesitate to contact me or Ed Moore directly. Please confirm that you have received this request.

Best wishes
