**RE:** Cancel Zoning Hearing - Case No.#C14-05-0094

---

The Neighborhood Association of the Woodbridge Association would like to request a postponement of the Zoning Case #C14-05-0094 for Thursday, Nov. 3, 2005, due to a school meeting conflict with many of the neighbors in the neighborhood.

We hope you would consider this proposal until November 17, 2005. Thank you in advance for your consideration.
