CITY OF AUSTIN

Communications & Technology Management

To: Mayor and Council Members
City Manager

From: Peter E. Collins, CIO

Date: November 15, 2005

Subject: Item # 7 on the November 17, 2005 Council Agenda

Communications and Technology Management submits changes and corrections to Item # 7 of this week's agenda to add previously omitted MBE/WBE participation for radio installation, maintenance and warranty services under Amendment #4 of the contract with Motorola Communications and Electronics, Inc. Amendment #4 extends the existing Motorola Voice Radio system to include coverage of Williamson County. This contract is funded by a \$6,000,000 COPS Interoperable Communications Technology Program grant and \$150,000 in the CTM FY06 Operating Budget. The remaining \$1,850,000 will be provided by Williamson County.

The corrections follow:

MBE/WBE: 5.08% MBE and 6.70% WBE subcontractor participation to date

Supporting Documentation:

The participation goals of 14.1% MBE and 15% WBE were established only for the installation portion of this project. Contractor's participation stated in the original approved compliance for this project was 7.3% MBE and 6.8% WBE. Participation for this amendment:

NON M/WBE PRIME	95.0%
Motorola Communications & Electronics Inc., Austin, TX	95.0%
MBE TOTAL - SUBCONSULTANTS	5.0%
RZ Communications (radio installation, maintenance & warranty)	0.0% 5.0%
WBE TOTAL - SUBCONTRACTORS	0.0%
NON M/WBE TOTAL - SUBCONTRACTORS	0.0%

Overall participation for the entire project, including this amendment: 5.08% MBE; 6.70% WBE; and 0.00% Non-M/WBE subcontractor participation.
