RE: Item Z-8, March 11 Agenda
March 9, 2004

Dear Mayor Winn and Council Member:

The Board of Directors of University Area Partners and Hussain Malik president of the House of Tutors Inc. have agreed that it is in the best interest of all parties to delay case C14-03-0049 (Item Z-8) posted on your March 11, 2004 agenda as item Z-8 until your meeting of June 10, 2004.

This delay would allow for the Neighborhood plan to proceed and be adopted and the necessary rules enacted. We appreciate your consideration of this request. This is the first request for a delay by University Area Partners.

Sincerely,

Cathy Norman, President
University Area Partners

Hussain Malik, President
House of Tutors, Inc.
