RE: File Number C814-04-0024

Dear Ms. Walsh:

We are in receipt of the notice of public hearing for the proposed zoning change at 9000-9600 Brodie Lane. Stepping Stone School and Paver Family Investments endorses the zoning change as proposed from DR to PUD.

As part of this zoning change, we would like to petition the Planning & Zoning Department and the City Council to place a traffic light at the intersection of Silk Oak Drive and Brodie Lane. There is already a great deal of traffic on Brodie Lane and it is extremely difficult for those making a turn out of Silk Oak Drive onto Brodie Lane in either direction to do so in a safe manner. With the addition of more traffic from this proposed project and the fact that a driveway from this project is planned to come out at the Brodie Lane and Silk Oak Drive intersection, we feel it is absolutely necessary to have a traffic light.

If you have any questions regarding this petition, please call my executive assistant, Susan Watson at 750-1981.

We look forward to hearing the status of a traffic light for this intersection.

Sincerely,

Rhonda Paver
Founder & Executive Director
