**PRICE ANALYSIS**

- Capitol Aggregate manufactures these products and is the sole distributor in the area. Specification requires the ability to pick up by the City.
- Fourteen notices were sent including 1 MBE and 1 WBE firm. Three solicitation packages were issued, none of which were to MBE or WBE firms. One bid was received. One "No Bid" response was received.
- The current pricing represents an average 14% increase in the unit prices to the last purchase made December 2001. This can be attributed to the increase in costs for material, manufacturing, and freight.

**APPROVAL JUSTIFICATION**

- Only bidder. This bid was extended in an effort to get more competition.
- The Austin Water Utility concurs with the recommended award.
- Advertised in the Austin American-Statesman and Internet.
