This action approves a resolution authorizing the application for \$21,250 in fourth-year grant funding from the State of Texas, Governor's Office, Criminal Justice Division, Safe and Drug-Free Schools and Communities Act Fund for the Austin Faith Community Network to increase youth activities and continue hosting a regional conference. The annual conference provides specialized training to faith-based service providers, showcases faith community efforts, and presents new approaches to providing services and activities for youth in Austin and other cities.

There are over 100 congregations of all faiths participating in the Austin Faith Community Network and many provide social services for youth. These congregations see the need to increase youth activities in the areas of career development, safety and outreach to the elderly to bridge the generation gap. Examples of the activities that will be funded include: increasing youth participation in a large College and Career Fair; funding approximately 120 youth bus passes for safe transportation across busy thoroughfares for students attending Fulmore Middle School, and organizing youth to perform minor home repairs for elderly residents.

The grant period will run from September 1, 2005 – August 31, 2006. The funding shifts over the five years from 100% grant funded in year 1 and 2; 75% grant funded in year 3. If the grant is funded past three years, cost share is 50% grant funded in year 4, and 25% grant funded in year 5. This grant addresses the Department goal of reducing crime, fear of crime, and improving the quality of life of Austin's residents. It also addresses the following APD Activity Objective: The purpose of Community
