Resolution No. 030424-36 authorized the City Attorney to file a lawsuit in eminent domain to acquire a permanent wastewater lift station site, access road, gas and water easement containing 2,027 square feet of land, and a temporary construction easement containing 2,490 square feet of land out of Lot 2, Block C, Bluffington, Section 2, Travis County, Texas, generally known as 3002 Stratford Drive, in the City of Austin, Travis County, Texas. The property interests to be acquired in the proposed action are to be used to improve and increase the City's ability to provide the public with sanitary sewer service. The proposed action clarifies the intended public uses for the property interests to be acquired.

RESOLUTION NO. 20050623-

WHEREAS, the City Council of the City of Austin has found that public necessity requires the acquisition by the City of certain real property interests as stated hereinafter for the purposes hereinafter stated; and

WHEREAS, the City of Austin has attempted to purchase said real property interests and has been unable to agree with the owner of the real property interests on the fair market value thereof; **NOW, THEREFORE**,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That the City Attorney, or other authorized designee, is hereby authorized and directed to file or cause to be filed a suit in eminent domain on behalf of the City of Austin against the owner now having or who may acquire an interest in the real property interests needed by the City, to acquire certain real property interests at the location hereinafter stated, for the purpose hereinafter stated, and from the owner hereinafter stated and/or his successor in interest, and to take whatever other action may be deemed appropriate to economically effect the needed acquisitions; said real property interests to be acquired are described in Exhibits "A" and "B," which are attached hereto and made a part hereof for all purposes.

The City Attorney or other authorized designee shall file eminent domain proceedings for:
