This action will set a public hearing for the South Congress Combined Neighborhood Planning Area. The area is bounded by South 1st St on the west, Ben White Blvd on the north, IH-35 on the east, and William Cannon Dr. on the south.

Neighborhood Planning staff has been meeting with neighborhood stakeholders, including neighborhood associations, homeowners, renters, business owners, developers, and non-resident property owners and their representatives since March of 2004 to develop the neighborhood plan. The first workshop was held on June 26th, 2004, followed by a series of specific topic meetings every one-to-two months. In addition, three surveys were mailed to collect feedback from the stakeholders. The final workshop was held on June 18th, 2005.

Attached is a boundary map of the neighborhood planning area.

A black and white map showing a section of a city with a grid of streets. Three specific areas are highlighted with thick black borders and labeled in text boxes.
