PRIOR COUNCIL ACTION: Approved Summer Youth Employment Interlocal Agreement with Travis County on February 13, 2003.

BOARD AND COMMISSION ACTION: N/A

Background

į

The City of Austin and Travis County have entered into several Interlocal agreements governing the joint operation of the Austin/Travis County Health and Human Services Department (HHSD) Programs. Pursuant to these agreements, the City:

- 1. Incurs operating expenses on behalf of Travis County;
- 2. Submits monthly invoices to Travis County reflecting operating expenses incurred; and
- 3. Upon review and processing by Travis County, receives reimbursement for the expenses incurred.

HHSD expenses and reimbursements on behalf of Travis County for youth stipends have in the past been budgeted in the HHSD Travis County Reimbursed Fund. The FY2003-04 Interlocal agreement contains a provision in which Travis County would pay these stipends directly to the youth. The FY2004 Approved County Reimbursed Budget was based upon Travis County's assuming responsibility for paying the summer youth directly. At this time, Travis County has not been able to set up payroll systems that will allow them to assume responsibility for this function. In order for youth to be paid for summer employment, the City of Austin HHSD will continue to pay the youth and once again be reimbursed by Travis County. This request is to amend the budget to reflect this change by the County. This budget amendment increases HHSD's Travis County expense and revenue reimbursement from \$1,497,210 to \$1,580,844.

The \$83,634 reimbursement from Travis County will provide stipends for 181 low-income or at-risk youth who will be employed in one of two summer sessions beginning June 1, 2004 through August 2,

2004. The program will assist youth and youth-with-disabilities in gaining valuable work experience and job readiness skills that are required to become self sufficient and productive. The youth will work a 5-week session under the supervision and mentorship of City, County and other eligible employers, who will provide guidance to the youth as they gain knowledge of work cultures, ethics and etiquette.
