The applicant, Sally Matsumae, owner of Asahi Imports, requests a waiver from the minimum distance requirement of 300 feet in Section 4-9-4(A) of the City Code because the business intends to sell alcoholic beverages at a grocery store that is located 175 feet from a public school, Lamar Middle School, at 6201 Wynona Avenue.

Section 4-9-5 allows the City Council to waive the 300-foot distance requirement if it determines that enforcement of the distance requirement in a particular instance:

- (1) is not in the best interest of the public;
- (2) constitutes waste or the inefficient use of land or other resources;
- (3) creates an undue hardship on an applicant;
- (4) does not serve its intended purpose;
- (5) is not effective or necessary; or
- (6) for any other reason the council, after consideration of the health, safety, and welfare of the public and the equities of the situation, determines is in the best interest of the community.

Section 4-9-5(B) provides that the City Council may consider a written consent to the waiver of the 300-foot distance requirement provided by each church, public school, public hospital, day-care center or child-care facility within 300 feet of the proposed place of business to be sufficient justification for the waiver. Written consent to allow the waiver has been received from Mike Atchley, Principal of Lamar

RE: Consent for Alcoholic Beverage Waiver

Dear Mr. Matsumae:

- As principal of Lamar Middle School, I, Mike Atchley, approve of your company's application to the TABC and your request to the city for an Alcoholic Beverage Waiver. I understand that if your application is approved and your request for a waiver is granted, your business will be engaged in selling alcohol for off-premise consumption.

I understand that your company, Asahi Imports, is applying for a "Retailer's Off-Premise Beer and Wine License" (BQ) with the TABC. Lamar Middle School and I do not have any objections to your company applying for a BQ License.

I understand that your relocation to 6105 Burnet Road will place your store within 300 feet of our school grounds. I also understand that, according to the City of Austin Code, in order for your business to continue to sell Japanese beers and wines, your company will have to apply for an Alcoholic Beverage Waiver with the city. Lamar Middle School and I do not have any objections to your company requesting a waiver and we would support the Council's decision to grant your request.

If you or anyone involved in the processing of your application or waiver request should have any questions, they may contact me at 512-414-4507 or matchley@austin.isd.tenet.edu.

Sincerely,

Mike Atchley
