

**Zoning Ordinance Approval
CITY OF AUSTIN
RECOMMENDATION FOR COUNCIL ACTION**

**AGENDA ITEM NO.: 50
AGENDA DATE: Thu 08/12/2004
PAGE: 1 of 1**

SUBJECT: C14-04-0012.001 (PART) - Brentwood/Highland Neighborhood Plan - Approve third reading of an ordinance amending Chapter 25-2 of the Austin City Code by rezoning property locally known as part of Tract 15b, 5602 Clay Avenue (Shoal Creek Watershed) from general commercial services-neighborhood plan combining district (CS-NP) to neighborhood commercial-mixed use-conditional overlay-neighborhood plan (LR-MU-CO-NP) combining district zoning. First reading on March 25, 2004. Vote: 7-0. Second reading on May 13, 2004. Vote: 7-0. Conditions met as follows: Conditional Overlay incorporates the conditions imposed by Council on second ordinance reading. Applicant: City of Austin. Agent: Neighborhood Planning & Zoning Department. Property Owner: Mark Cashman. City Staff: Annick Beaudet. 974-2975. Note: A valid petition has been filed by the property owner in opposition to this rezoning request.

REQUESTING Neighborhood Planning
DEPARTMENT: and Zoning

DIRECTOR'S
AUTHORIZATION: Greg Guernsey

THIRD READING SUMMARY SHEET

ZONING CASE NUMBER: C14-04-0012.003

REQUEST:

Approve third readings of an ordinance amending Chapter 25-2 of the Austin City Code rezoning the property locally known as part of Tract 15b- 5602 Clay Avenue from general commercial services (CS) district zoning to neighborhood commercial-mixed use-conditional overlay-neighborhood plan combining district (LR-MU-CO-NP) zoning. The CO prohibits the following uses: Off-Site Accessory Parking, Service Station, and Drive Through Services as an accessory use to commercial uses.

DEPARTMENT COMMENTS:

The conditions imposed by City Council on 2nd ordinance reading have been incorporated into the zoning ordinance.

A valid petition, submitted by the property owner, exists in opposition to any other zoning category other than general commercial services (CS) district zoning.

The neighborhood recommendation is limited office (LO) district zoning.

The Staff Recommendation and Planning Commission Recommendation is community commercial-mixed use-conditional overlay-neighborhood plan combining district (GR-MU-CO-NP) zoning. The CO would prohibit the following uses:

Automotive Rentals	Off-Site Accessory Parking
Automotive Repair Services	Outdoor Entertainment
Automotive Sales	Outdoor Sports and Recreation
Automotive Washing (of any type)	Pawn Shop Services
Commercial Off-Street Parking	Plant Nursery
Drop-Off Recycling Collection Facility	Service Station
Exterminating Services	Drive Though Services as an accessory use
General Retail of any type greater than 20,000 sq.ft.	

The property directly adjacent, to the west, received CS-MU-CO-NP district zoning via the neighborhood planning process. Consensus between the owner and neighborhood on that property was reached due to the property owner agreeing to prohibit access to Clay Avenue upon redevelopment. This property owner was able to agree because he does own all the lots providing access onto Adams Avenue and Clay Avenue.

While Staff did facilitate meetings between this property owner and the neighborhood in attempt for consensus for this property, the limiting factor preventing a similar agreement is that of access to Clay Avenue. The owner of 5602 Clay Avenue does not own the lot to the west of him, therefore, prohibiting access to Clay Avenue would require him to secure an access easement to Adams Avenue though a property that he does not own. The property owner has indicated to Staff that pursuing such an option would require legal assistance and funding that is not available to him at this time.

OWNER: Mark Cashman

APPLICANT: City of Austin, Neighborhood Planning & Zoning Department

DATE OF FIRST READING: March 25, 2004

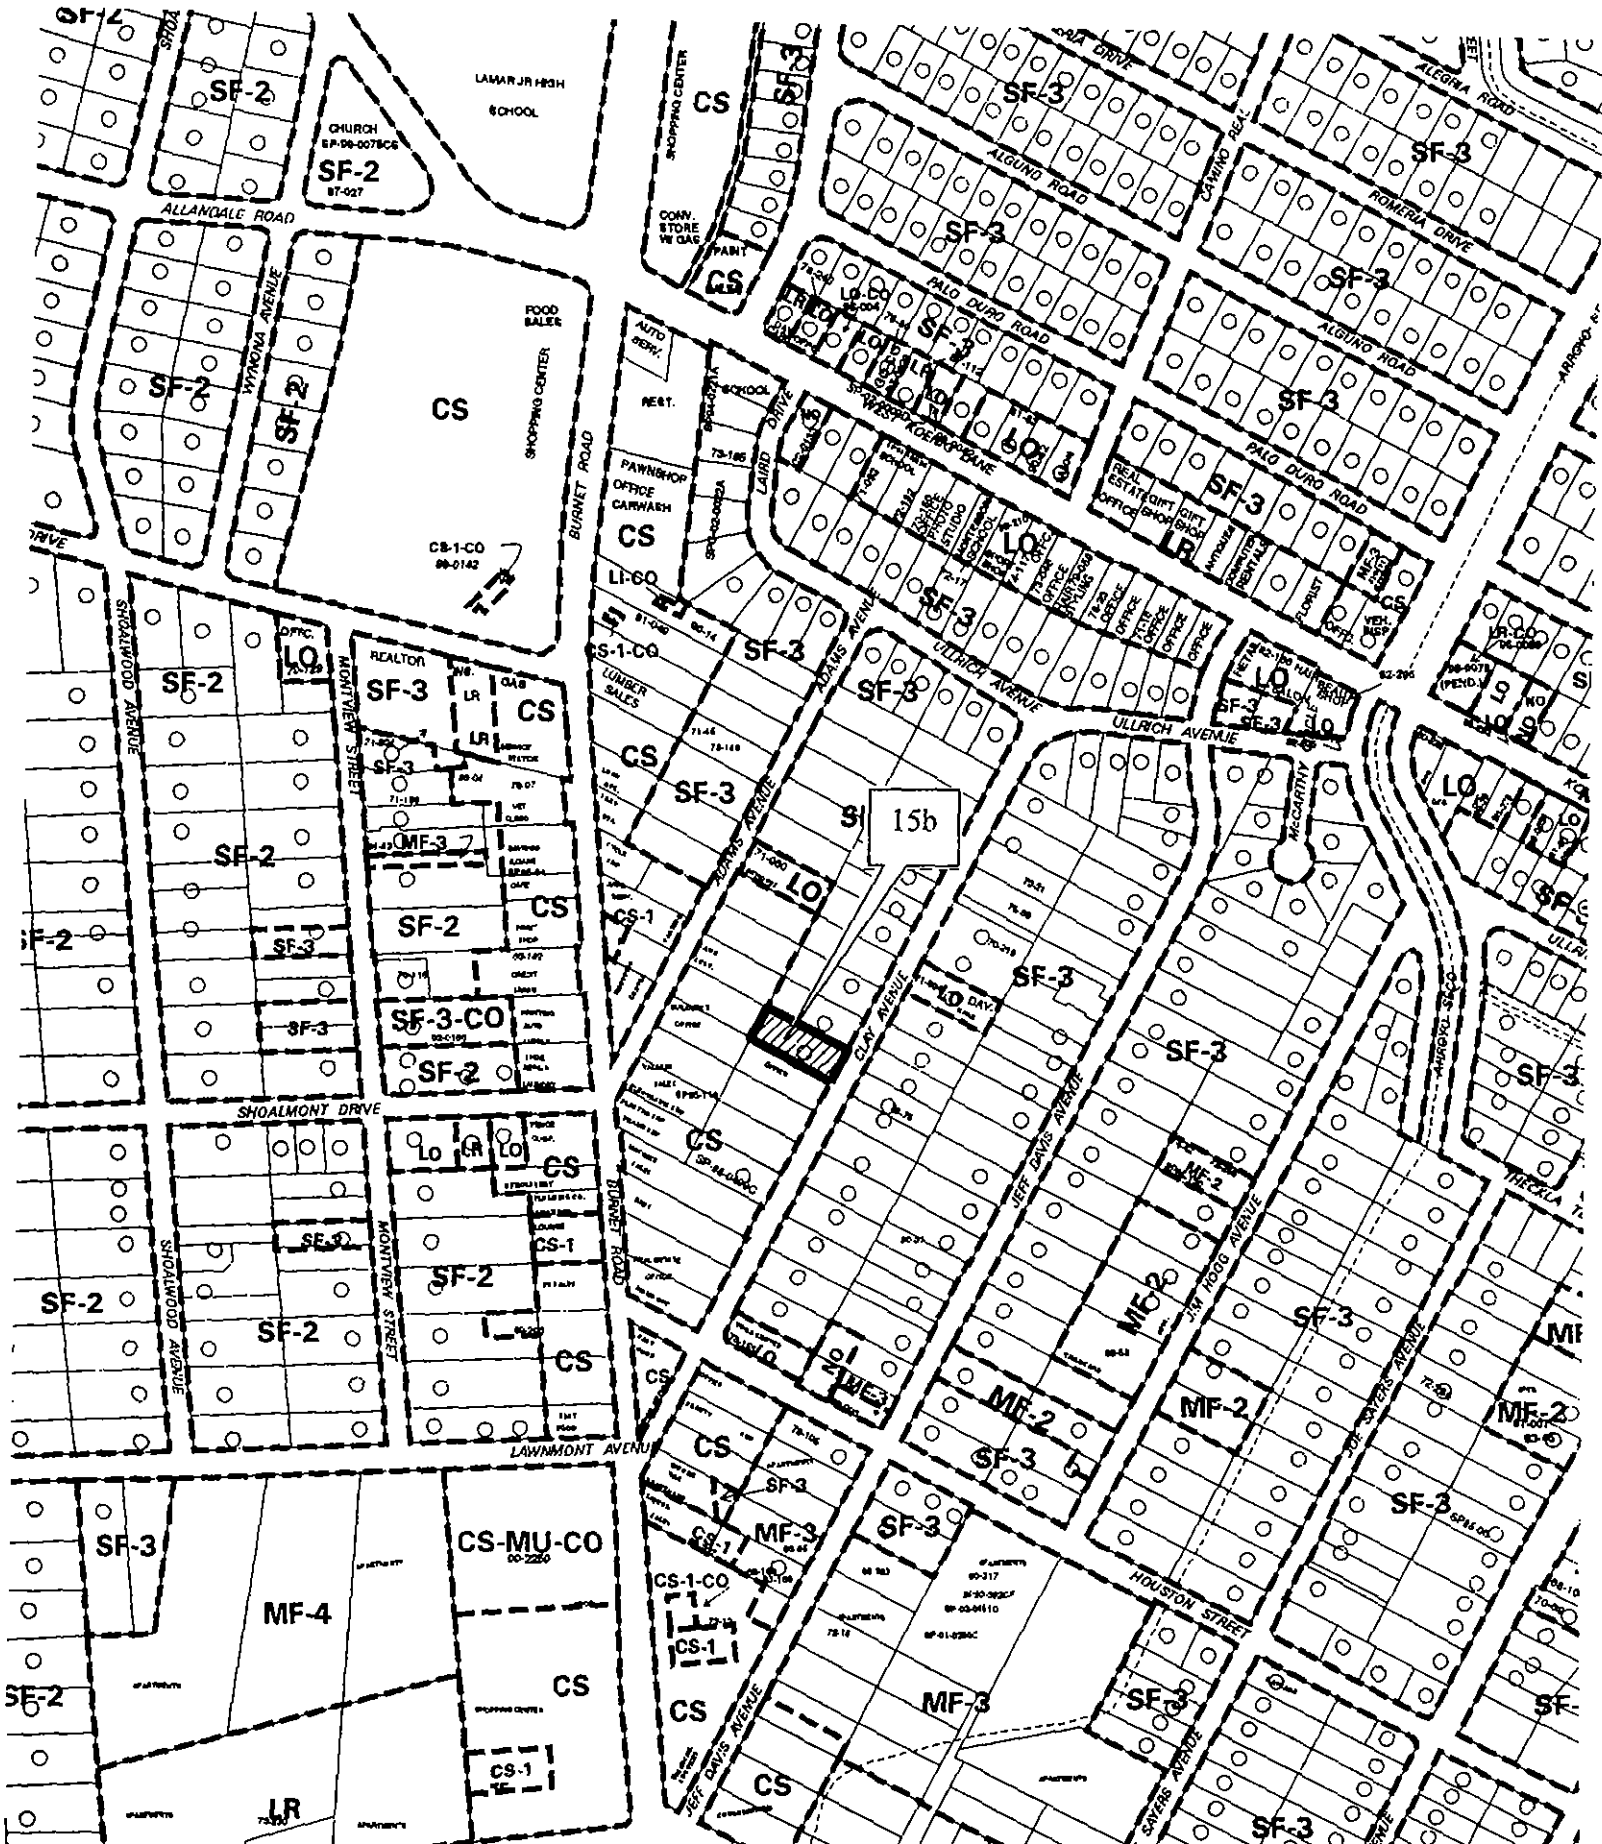

CITY COUNCIL ACTION: Approved GR-MU-CO-NP. Vote 7-0.

DATE OF SECOND READING: May 13, 2004.

CITY COUNCIL ACTION: Approved LR-MU-CO-NP. Vote 7-0.

ORDINANCE NO. _____

1 AN ORDINANCE REZONING AND CHANGING THE ZONING MAP FOR THE
2 PROPERTY GENERALLY KNOWN AS TRACT 15B (PART) IN THE
3 BRENTWOOD NEIGHBORHOOD PLAN AREA LOCATED AT 5602 CLAY
4 AVENUE FROM GENERAL COMMERCIAL SERVICES-NEIGHBORHOOD
5 PLAN (CS-NP) COMBINING DISTRICT TO NEIGHBORHOOD COMMERCIAL-
6 MIXED USE-CONDITIONAL OVERLAY-NEIGHBORHOOD PLAN (LR-MU-CO-
7 NP) COMBINING DISTRICT.

8
9 BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

10
11 **PART 1.** The zoning map established by Section 25-2-191 of the City Code is amended to
12 change the base district on the property described in Zoning Case No. C14-04-0012.001, on
13 file at the Neighborhood Planning and Zoning Department as follows:

14
15 Tract 15B (part) (5602 Clay Avenue): From general commercial services-
16 neighborhood plan (CS-NP) combining district to neighborhood commercial-
17 mixed use-conditional overlay neighborhood plan (LR-MU-CO-NP) combining
18 district, (the "Property")

19
20 located in the Brentwood neighborhood plan area, in the City of Austin, Travis County,
21 Texas, and generally identified in the map attached as Exhibit "A".

22
23 **PART 2.** The Property is subject to Ordinance No. 040513-33A that established the
24 Brentwood neighborhood plan combining district.

25
26 **PART 3.** The Property within the boundaries of the conditional overlay combining district
27 established by this ordinance is subject to the following conditions:

28
29 1. The following uses are prohibited uses of the Property:

30
31 Off-site accessory parking

Service station

32
33 2. Drive-in service is prohibited as an accessory use to commercial uses of the Property.

34
35 Except as specifically restricted under this ordinance, the Property may be developed and
36 used in accordance with the regulations established for the neighborhood commercial (LR)
37 base district and other applicable requirements of the City Code.

1 **PART 4.** This ordinance takes effect on _____, 2004.

RE: proposed rezoning of tax # 02290303080000
FILE# C14-04-0012 5602 Clay Avenue

Dear ladies and gentlemen,

I, Mark Cashman, the undersigned owner of the property affected by the requested zoning change described in the referenced file, do hereby protest against any change of the Land Development Code which would zone the property to any classification other than CS.

Reason for protest:

It's current use requires CS zoning and this building is more well suited for CS uses than SF3 or GR.

I have talked with all my neighbors adjacent to, and several others, as to whether they object , in any way, to my business activity being located at 5602 Clay Avenue. I have found no objection, not even a mild objection. We create absolutely no nuisance or noise for the neighborhood.

Currently, there are three CS uses occupying 5602 Clay. (two since 1991) 1) Limited warehousing and distribution 2) Building maintenance services 3) Photo reproduction. The remainder of this building, almost 50% has been vacant for over 18 months.

This office/warehouse building with 10ft overhead doors, in my opinion is more well suited for CS uses. Therefore, please consider allowing the zoning to remain as is.

Respectfully,

Mark Cashman
5602A Clay Avenue
Austin, TX 78756
450-1260
450-0172 fx

THIRD READING SUMMARY SHEET

ZONING CASE NUMBER: C14-04-0012

REQUEST:

Approve third readings of an ordinance amending Chapter 25-2 of the Austin City Code rezoning the property locally known as The Brentwood/Highland Neighborhood Planning area, bounded on the north by Justin Lane and Anderson Lane, on the east by Middle Fiskville Road and Twin Crest Drive, on the south by 45th Street and Koenig Lane, and on the west by Burnet Road.

The proposed zoning change will create two Neighborhood Plan Combining Districts (NP) covering the entire area. Under the proposed Brentwood NP, "Small Lot Amnesty," "Secondary Apartment," "Garage Placement," "Front Porch Setback" and "Impervious Cover and Parking Placement Restrictions" are proposed for the entire area. The Urban Home special use is proposed for the Romeria Gateway subdistrict, which includes all lots adjacent to Romeria between Lamar Blvd. and the Grover Drainage Channel. The Neighborhood Urban Center (NUC) special use is proposed for Tracts 1 and 2.

Under the proposed Highland NP, "Small Lot Amnesty" and "Secondary Apartment" are proposed for the entire area. "Garage Placement," "Front Porch Setback" and "Impervious Cover and Parking Placement Restrictions" are proposed for the entire area with the exception of all lots adjacent to St. Johns Avenue. The Cottage Lot special use is proposed for the North and South Highland subdistricts. The North Highland subdistrict is bounded on the north by Crestland Drive, on the east by Twin Crest Drive, on the south by St. Johns Avenue, and on the west by Lamar Blvd. The South Highland subdistrict is bounded on the north and east by Airport Blvd., on the south by Denson Drive, and on the west by Lamar Blvd. The Neighborhood Mixed Use Building (MUB) special use is proposed for Tract 221 and the Neighborhood Urban Center special use is proposed for Tracts 200, 201, 202, 222a, 222b, 222c, 223, 241, 242, 243a, 243b, 243c, 275, 276, and 277.

The proposed zoning change also implements the land use recommendations of the Brentwood/Highland Neighborhood Plan for a total of 233 tracts shown on the attached zoning tract map. For each of the 233 tracts, the attached chart (Exhibit A) lists the existing zoning, proposed zoning, property owner, street address and whether or not the NUC and MUB are permitted.

The City Council may approve a zoning change to any of the following: Rural Residential (RR); Single-Family Residence – Large Lot (SF-1); Single-Family Residence—Standard Lot (SF-2); Family Residence (SF-3); Single-Family – Small Lot & Condominium Site (SF-4A/B); Urban Family Residence (SF-5); Townhouse & Condominium Residence (SF-6); Multi-Family Residence - Limited Density (MF-1); Multi-family Residence - Low Density (MF-2); Multi-family Residence - Medium Density (MF-3); Multi-family Residence – Moderate-High Density (MF-4); Multi-family Residence - High Density (MF-5); Multi-family Residence - Highest Density (MF-6); Mobile Home Residence (MH); Neighborhood Office (NO); Limited Office (LO); General Office (GO); Commercial Recreation (CR); Neighborhood Commercial (LR); Community Commercial (GR); Warehouse / Limited Office (W/O); Commercial Services (CS); Commercial-Liquor Sales (CS-1); Commercial Highway (CH); Industrial Park (IP); Major Industrial (MI); Limited Industrial Services (LI); Research and Development (R&D); Development Reserve (DR); Agricultural (AG); Planned Unit Development (PUD); and Public (P). A Conditional Overlay (CO), Planned Development Area Overlay (PDA), Mixed Use Combining District Overlay (MU) or Neighborhood Plan Special Use (NP) may also be added to these zoning base districts.

DEPARTMENT COMMENTS:

For information regarding the petitions filed Exhibit 1. As of May 6, 2004, 19 valid petitions have been filed.

We expect two additional petitions to be validated by May 13, 2004 (6200 N. Lamar & 5700 Grover).

APPLICANT: City of Austin

AGENT: Neighborhood Planning & Zoning Department

DATE OF FIRST READING: March 25, 2004

DATE OF SECOND READING: April 15, 2004

CITY COUNCIL ACTION:

1st Reading: To approve the Planning Commission Recommendation to recommend staff recommendation with the following changes: Tract 16- to recommend NO-MU-NP, Tract 213b- to recommend NO-MU-NP, a portion of Tract 222b (6900 & 6902 Guadalupe Street)- to recommend CS-CO-MU-NP for the rear 54 feet of both lots. Vote: 6-0.

2nd Reading: Approved on second reading with changes (7-0, 6-1, 5-2, 4-3, 6-0).

CITY COUNCIL HEARING DATE: May 13, 2004 ASSIGNED STAFF: Brian Block, 974-7687, Annick Beaudet, 974-2975

Petition Information and 2nd Reading Actions on properties w/Petitions:

6200 N Lamar. . A letter of protest to a rezoning has been received, however not validated. We expect the petition to be valid at 100%. The property owner is opposed to any zoning classification other than CS-1-MU-NP. Staff is recommending CS-MU-CO-NP (See Exhibit B, CO-A).

Approved owner's request of CS-1-MU-CO-NP with the addition of CO-B.

5508 Clay Avenue. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay as described by property owner letter. Staff is recommending GR-MU-CO (See Exhibit B, CO-C).

Approved property owner request of CS-MU-CO-NP maintaining any applicable prohibited uses per CO-C plus the addition of the following prohibited uses: construction sales & services, funeral services, hotel-motel, indoor entertainment, indoor sports and recreation, restaurant (general and limited), theater. Petition still valid.

5510 & 5600 Clay Avenue. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP, Conditional Overlay "A". Staff is recommending GR-MU-CO (CO-C).

Approved neighborhood's request of LR-MU-CO-NP, CO-D.

5611 Clay Avenue. One petition filed by the property owner and valid at 100%. One petition filed by adjacent property owners and is valid at 25.60%. The property owner is opposed to any zoning classification other than LO-MU-CO-NP. The adjacent property owners are opposed to any zoning classification other than SF-3. Planning Commission Recommendation is NO-MU, Original Neighborhood Plan Recommendation is SF-3.

Approved staff recommendation of SF-3-NP. Petitions still valid.

5006 Grover. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than NO-MU-NP. The Planning Commission recommendation is SF-3.

Approved PC recommendation of SF-3-NP. Petition still valid

200 W. Huntland Drive and 104 E. Huntland Drive. These petitions were filed by the property owner and are valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay is "H". In addition all commercial uses not allowed in GR base zoning are prohibited except vehicle storage and limited warehousing and distribution uses. Staff Recommendation is GR-MU-CO-NP, Conditional Overlay "H".

Approved CS-MU-CO-NP, CO-H and permitting only GR uses with the exception of permitting vehicle storage and limited warehousing and distribution.

6757 Airport Blvd. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay is "B" except vehicle storage is removed from the CO. The staff recommendation is CS-MU-CO-NP, Conditional Overlay "B".

Approved PC recommendation of CS-MU-CO-NP, CO-B, but permitted vehicle storage.

108 Denson Drive and 0 Denson Drive. These petitions were filed by the property owner and are valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay as per attached document. The staff recommendation is CS-MU-CO-NP, Conditional Overlay "G".

108-Approved CS-MU-CO-NP, CO-G, with the following uses removed from the CO- auto rental, commercial off street parking, convenience storage, exterminating services, general retail of any type greater than 20, 000 sq.ft., laundry services, maintenance and service facilities, off site accessory parking.

0-Approved CS-MU-CO-NP w/CO-G, except that the following are removed from the CO: auto rental, auto sales, auto washing, commercial off street parking, convenience storage, drive in as an accessory use, exterminating services, general retail of any type greater than 20,000 sq.ft, laundry services, maintenance and service facilities, monument retail sales, off site accessory parking, outdoor entertainment and service station.

6015, 6016, and 6020 Dillard Circle. These petitions were filed by the property owner and are valid at 100%. The property owner is opposed to any zoning classification other CS-MU-CO-NP. Conditional Overlay is "CO-G" except the following uses are removed from the CO: Convenience Storage, Maintenance and Service Facility, and Monument Retail Sales. General Retail Sales would be changed to allow a maximum of 35,000 sq. ft. The staff recommendation is CS-MU-CO-NP, Conditional Overlay "G".

6015, 6016, and 6020 Dillard Circle- Approved CS-MU-CO-NP, CO-G, except that convenience storage, maintenance and service facility, monument retail sales are removed from CO and General Retail Sales (General) over 35,000 sq. ft. is prohibited.

6709 Burnet Lane and 608 Kenniston Drive. Both petitions were filed by the property owner and are valid at 100%. The property owner is opposed to any zoning classification other than CS for both properties. For 6709 Burnet Lane staff is recommending CS-MU-CO-NP (See Exhibit B, CO-G). For 608 Kenniston the staff is recommending CS-MU-CO (See Exhibit B, CO-B) and NUC.

6709- approved PC recommendation- petition still valid for no conditions to apply.

608- approved PC recommendation- petition still valid.

5607 - 5615 Burnet Road. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay is "CO-B" except the following uses are removed from the CO: Construction Sales & Services, Commercial Blood Plasma Center, Kennels, and Vehicle Storage. Staff is recommending CS-MU-CO-NP (See Exhibit B, CO-B)

Owner compromised request of "No Conditions (CO)" with the following adjustments to CO-B: construction sales & services, commercial blood plasma, kennels, and vehicle storage would be permitted. Petition still valid.

5701-5715 Burnet Road. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay is "CO-B" except the following uses are removed from the CO: Construction Sales & Services, Commercial Blood Plasma Center, Kennels, and Vehicle Storage. Staff is recommending CS-MU-CO-NP (See Exhibit B, CO-B)

Owner compromised request of "No Conditions (CO)" with the following adjustments to CO-B: construction sales & services, commercial blood plasma, kennels, and vehicle storage would be permitted. Petition still valid.

814 Romeria Drive. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-1-MU. Staff is recommending CS-MU-CO-NP (See Exhibit B, CO-B)

Approved Planning Commission recommendation of CS-MU-CO-NP, CO-B on 2nd Reading.

2003 W Koenig Lane. This petition was filed by property owners within 200 feet of the property and is valid at 22.58%. The petitioners are opposed to any zoning classification other than LO-MU-CO-NP. Conditional Overlay prohibits Private Secondary School uses.. Staff is recommending LO-MU.

Approved PC recommendation of LO-MU-NP. Applicant and neighborhood directed to enter into an agreement to address additional concerns.

1401 Koenig Lane. This petition was filed by property owners within 200 feet of the property and is not valid at 8.38%. The petitioners are opposed to any zoning classification less restrictive than LR. Staff is recommending LR-MU-CO (See exhibit B, CO-D)

Approved Planning Commission recommendation of LR-MU-CO-NP, CO-D.

1400 Koenig Lane. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than GR-MU-CO, with the existing conditional overlay. Staff is recommending LR-MU-CO (See exhibit B, CO-D)

Approved owner's request of GR-MU-CO-NP maintaining existing conditional overlay which prohibits all GR uses except for auto sales and prohibits more than 1 driveway.

5602 Clay Avenue. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS. Staff is recommending GR-MU-CO (See Exhibit B, CO-C).

Approved neighborhood's request of LR-MU-CO-NP, CO-D.

1303 W. Koenig Ln.-5813 Woodrow- This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay is "E", except the 40 foot height limit is removed from the CO. In addition all commercial uses not allowed in GR base zoning are prohibited except vehicle storage and limited warehousing and distribution uses. The staff recommendation is GR-MU-CO-NP, Conditional Overlay "E".

Approved CS-MU-CO-NP w/CO "E" with only GR uses except that vehicle storage and limited warehouse & distribution are permitted uses.

407 Kenniston Drive- This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than GR-CO-NP w/conditions.

Approved GR-MU-CO-NP, CO-H.

6221 N. Lamar, 6225 N. Lamar, 6208 Burns Street- This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than GR.

Approved GR-MU-CO-NP, CO-C w/ the exception of the general retail limitation. However, 6208 Burns was not recommended for rezoning via the neighborhood planning process. If it is the desire of the Council to rezone this property staff should be instructed to initiate a rezoning application.

7427 N. Lamar. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-1-MU-CO-NP, Conditional Overlay "A". The staff recommendation is CS-MU-CO-NP, Conditional Overlay "A".

Approved CS-1-MU-CO-NP, CO-A. Petition still valid.

5700 Grover. We expect a petition to be filed and to be valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP, conditional overlay E, and the CO would permit only GR uses.

ZONING CHANGE REVIEW SHEET

CASE: C14-04-0012

PC DATE: February 24, 2004

ADDRESS: The Brentwood/Highland Neighborhood Planning area is bounded on the north by Justin Lane and Anderson Lane, on the east by Middle Fiskville Road and Twin Crest Drive, on the south by 45th Street and Koenig Lane, and on the west by Burnet Road.

APPLICANT: City of Austin

AGENT: NPZD

ZONING FROM: See Exhibit A

TO: See Exhibit A

AREA: approximately 1878 acres (Brentwood- 1015 acres and Highland- 863 acres)

SUMMARY STAFF RECOMMENDATION (Amended February 24, 2004):

The staff recommendation was amended on February 24, 2004 for the following tracts:

79A- staff recommendation amended from CS-MU-CO-NP to CS-1-MU-CO-NP for footprint to be provided by applicant (approximately 9,000 square feet).

255 & 260- staff recommendation on February 24, 2004 from LR-MU-CO-NP to SF-6-NP.

The proposed zoning change will create two Neighborhood Plan Combining Districts (NPCD) covering the entire area. Under the proposed Brentwood NPCD, "Small Lot Amnesty," "Secondary Apartment," "Garage Placement," "Front Porch Setback" and "Impervious Cover and Parking Placement Restrictions" are proposed for the entire area. The Urban Home special use is proposed for the Romeria Gateway subdistrict, which includes all lots adjacent to Romeria between Lamar Blvd. and the Grover Drainage Channel. The Neighborhood Urban Center (NUC) special use is proposed for Tracts 1 and 2.

Under the proposed Highland NPCD, "Small Lot Amnesty" and "Secondary Apartment" are proposed for the entire area. "Garage Placement," "Front Porch Setback" and "Impervious Cover and Parking Placement Restrictions" are proposed for the entire area with the exception of all lots adjacent to St. Johns Avenue. The Cottage Lot special use is proposed for the North and South Highland subdistricts. The North Highland subdistrict is bounded on the north by Crestland Drive, on the east by Twin Crest Drive, on the south by St. Johns Avenue, and on the west by Lamar Blvd. The South Highland subdistrict is bounded on the north and east by Airport Blvd., on the south by Denson Drive, and on the west by Lamar Blvd. The Neighborhood Mixed Use Building (MUB) special use is proposed for Tract 221 and the Neighborhood Urban Center special use is proposed for Tracts 200, 201, 202, 222a, 222b, 222c, 223, 241, 242, 243a, 243b, 243c, 275, 276, and 277.

The proposed zoning change also implements the land use recommendations of the Brentwood/Highland Neighborhood Plan for a total of 233 tracts shown on the attached zoning tract map. For each of the 233 tracts, the attached chart (Exhibit A) lists the existing zoning, proposed zoning, property owner, street address and whether or not the NUC and MUB are permitted.

The Planning Commission may recommend and the City Council may approve a zoning change to any of the following: Rural Residential (RR); Single-Family Residence – Large Lot (SF-1); Single-Family Residence—Standard Lot (SF-2); Family Residence (SF-3); Single-Family – Small Lot & Condominium Site (SF-4A/B); Urban Family Residence (SF-5); Townhouse & Condominium Residence (SF-6); Multi-Family Residence - Limited Density (MF-1); Multi-family Residence - Low

Density (MF-2); Multi-family Residence - Medium Density (MF-3); Multi-family Residence - Moderate-High Density (MF-4); Multi-family Residence - High Density (MF-5); Multi-family Residence - Highest Density (MF-6); Mobile Home Residence (MH); Neighborhood Office (NO); Limited Office (LO); General Office (GO); Commercial Recreation (CR); Neighborhood Commercial (LR); Community Commercial (GR); Warehouse / Limited Office (W/LO); Commercial Services (CS); Commercial-Liquor Sales (CS-1); Commercial Highway (CH); Industrial Park (IP); Major Industrial (MI); Limited Industrial Services (LI); Research and Development (R&D); Development Reserve (DR); Agricultural (AG); Planned Unit Development (PUD); and Public (P). A Conditional Overlay (CO), Planned Development Area Overlay (PDA), Mixed Use Combining District Overlay (MU) or Neighborhood Plan Special Use (NP) may also be added to these zoning base districts.

A detailed list of specific restrictions to be included in the conditional overlay (CO) for certain tracts is provided in Exhibit B.

PLANNING COMMISSION RECOMMENDATION:

2-24-04: To recommend staff recommendation with the following changes: Tract 16- to recommend NO-MU-NP, Tract 213b- to recommend NO-MU-NP, A portion of Tract 222b (6900 & 6902 Guadalupe Street)- to recommend CS-CO-MU-NP for the rear 54 feet of both lots. Vote: 6-0.

ISSUES (UPDATED 4-07):

6709 Burnet Lane and 608 Kenniston Drive. Both petitions were filed by the property owner and are valid at 100%. The property owner is opposed to any zoning classification other than CS for both properties. For 6709 Burnet Lane staff is recommending CS-MU-CO-NP (See Exhibit B, CO-G). For 608 Kenniston the staff is recommending CS-MU-CO (See Exhibit B, CO-B) and NUC.

5607 - 5615 Burnet Road. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay is "CO-B" except the following uses are removed from the CO: Construction Sales & Services, Commercial Blood Plasma Center, Kennels, and Vehicle Storage. Staff is recommending CS-MU-CO-NP (See Exhibit B, CO-B)

5701-5715 Burnet Road. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay is "CO-B" except the following uses are removed from the CO: Construction Sales & Services, Commercial Blood Plasma Center, Kennels, and Vehicle Storage. Staff is recommending CS-MU-CO-NP (See Exhibit B, CO-B)

814 Romeria Drive. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-1-MU. Staff is recommending CS-MU-CO-NP (See Exhibit B, CO-B)

2003 W Koenig Lane. This petition was filed by property owners within 200 feet of the property and is valid at 22.58%. The petitioners are opposed to any zoning classification other than NO-MU-CO-NP. Conditional Overlay prohibits Private Primary Schools and Private Secondary School uses.. Staff is recommending LO-MU.

1401 Koenig Lane. This petition was filed by property owners within 200 feet of the property and is not valid at 8.38%. The petitioners are opposed to any zoning classification less restrictive than LR. Staff is recommending LR-MU-CO (See exhibit B, CO-D)

1400 Koenig Lane. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than GR-MU-CO, with the existing conditional overlay. Staff is recommending LR-MU-CO (See exhibit B, CO-D)

5602 Clay Avenue. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS. Staff is recommending GR-MU-CO (See Exhibit B, CO-C).

5508 Clay Avenue. This is an outstanding petition from the property owner that needs to be validated by staff. We expect that this will be valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay as described by property owner letter. Staff is recommending GR-MU-CO (See Exhibit B, CO-C).

5510 & 5600 Clay Avenue. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP, Conditional Overlay "A". Staff is recommending GR-MU-CO (CO-C).

5611 Clay Avenue. One petition filed by the property owner and valid at 100%. One petition filed by adjacent property owners and is valid at 25.60%. The property owner is opposed to any zoning classification other than LO-MU-CO-NP. The adjacent property owners are opposed to any zoning classification other than SF-3. Planning Commission Recommendation is NO-MU, Original Neighborhood Plan Recommendation is SF-3.

5006 Grover. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than NO-MU-NP. The Planning Commission recommendation is SF-3.

5813 Woodrow. This is an outstanding petition from the property owner that needs to be validated by staff. We expect that this will be valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay is "E", except the 40 foot height limit is removed from the CO. In addition all commercial uses not allowed in GR base zoning are prohibited except vehicle storage and limited warehousing and distribution uses. The staff recommendation is GR-MU-CO-NP, Conditional Overlay "E".

7427 N. Lamar. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-1-MU-CO-NP, Conditional Overlay "A". The staff recommendation is CS-MU-CO-NP, Conditional Overlay "A".

200 W. Huntland Drive and 104 E. Huntland Drive. These petitions were filed by the property owner and are valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay is "H". In addition all commercial uses not allowed in GR base zoning are prohibited except vehicle storage and limited warehousing and distribution uses. Staff Recommendation is GR-MU-CO-NP, Conditional Overlay "H".

6757 Airport Blvd. This petition was filed by the property owner and is valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay is "B" except vehicle storage is removed from the CO. The staff recommendation is CS-MU-CO-NP, Conditional Overlay "B".

108 Denson Drive and 0 Denson Drive. These petitions were filed by the property owner and are valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay as per attached document. The staff recommendation is CS-MU-CO-NP, Conditional Overlay "G".

6015, 6016, and 6020 Dillard Circle. These petitions were filed by the property owner and are valid at 100%. The property owner is opposed to any zoning classification other than CS-MU-CO-NP. Conditional Overlay is "CO-G" except the following uses are removed from the CO: Convenience Storage, Maintenance and Service Facility, and Monument Retail Sales. General Retail Sales would be changed to allow a maximum of 35,000 sq. ft. The staff recommendation is CS-MU-CO-NP, Conditional Overlay "G".

DEPARTMENT COMMENTS:

The staff is not opposed to the Planning Commission recommendation for Tracts 213B and a portion of 222b (originally a portion of 231).

STAFF RECOMMENDATION

C14-04-0012

The proposed zoning change will create two Neighborhood Plan Combining Districts (NPCD) covering the entire area. Under the proposed Brentwood NPCD, "Small Lot Amnesty," "Secondary Apartment," "Garage Placement," "Front Porch Setback" and "Impervious Cover and Parking Placement Restrictions" are proposed for the entire area. The Urban Home special use is proposed for the Romeria Gateway subdistrict, which includes all lots adjacent to Romeria between Lamar Blvd. and the Grover Drainage Channel. The Neighborhood Urban Center (NUC) special use is proposed for Tracts 1 and 2.

Under the proposed Highland NPCD, "Small Lot Amnesty" and "Secondary Apartment" are proposed for the entire area. "Garage Placement," "Front Porch Setback" and "Impervious Cover and Parking Placement Restrictions" are proposed for the entire area with the exception of all lots adjacent to St. Johns Avenue. The Cottage Lot special use is proposed for the North and South Highland subdistricts. The North Highland subdistrict is bounded on the north by Crestland Drive, on the east by Twin Crest Drive, on the south by St. Johns Avenue, and on the west by Lamar Blvd. The South Highland subdistrict is bounded on the north and east by Airport Blvd., on the south by Denson Drive, and on the west by Lamar Blvd. The Neighborhood Mixed Use Building (MUB) special use is proposed for Tract 221 and the Neighborhood Urban Center special use is proposed for Tracts 200, 201, 202, 222a, 222b, 222c, 223, 241, 242, 243a, 243b, 243c, 275, 276, and 277.

The proposed zoning change also implements the land use recommendations of the Brentwood/Highland Neighborhood Plan for a total of 233 tracts shown on the attached zoning tract map. For each of the 233 tracts, the attached chart (Exhibit A) lists the existing zoning, proposed zoning, property owner, street address and whether or not the NUC and MUB are permitted.

The Planning Commission may recommend and the City Council may approve a zoning change to any of the following: Rural Residential (RR); Single-Family Residence - Large Lot (SF-1); Single-Family Residence - Standard Lot (SF-2); Family Residence (SF-3); Single-Family - Small Lot & Condominium Site (SF-4A/B); Urban Family Residence (SF-5); Townhouse & Condominium Residence (SF-6); Multi-Family Residence - Limited Density (MF-1); Multi-family Residence - Low Density (MF-2); Multi-family Residence - Medium Density (MF-3); Multi-family Residence - Moderate-High Density (MF-4); Multi-family Residence - High Density (MF-5); Multi-family Residence - Highest Density (MF-6); Mobile Home Residence (MH); Neighborhood Office (NO); Limited Office (LO); General Office (GO); Commercial Recreation (CR); Neighborhood Commercial (LR); Community Commercial (GR); Warehouse / Limited Office (W/LO); Commercial Services (CS); Commercial-Liquor Sales (CS-1); Commercial Highway (CH); Industrial Park (IP); Major Industrial (MI); Limited Industrial Services (LI); Research and Development (R&D); Development Reserve (DR); Agricultural (AG); Planned Unit Development (PUD); and Public (P). A Conditional Overlay (CO), Planned Development Area Overlay (PDA), Mixed Use Combining District Overlay (MU) or Neighborhood Plan Special Use (NP) may also be added to these zoning base districts.

A detailed list of specific restrictions to be included in the conditional overlay (CO) for certain tracts is provided in Exhibit B.

STAFF RECOMMENDATION

C14-04-0012

The proposed zoning change will create two Neighborhood Plan Combining Districts (NPCD) covering the entire area. Under the proposed Brentwood NPCD, "Small Lot Amnesty," "Secondary Apartment," "Garage Placement," "Front Porch Setback" and "Impervious Cover and Parking Placement Restrictions" are proposed for the entire area. The Urban Home special use is proposed for the Romeria Gateway subdistrict, which includes all lots adjacent to Romeria between Lamar Blvd. and the Grover Drainage Channel. The Neighborhood Urban Center (NUC) special use is proposed for Tracts 1 and 2.

Under the proposed Highland NPCD, "Small Lot Amnesty" and "Secondary Apartment" are proposed for the entire area. "Garage Placement," "Front Porch Setback" and "Impervious Cover and Parking Placement Restrictions" are proposed for the entire area with the exception of all lots adjacent to St. Johns Avenue. The Cottage Lot special use is proposed for the North and South Highland subdistricts. The North Highland subdistrict is bounded on the north by Crestland Drive, on the east by Twin Crest Drive, on the south by St. Johns Avenue, and on the west by Lamar Blvd. The South Highland subdistrict is bounded on the north and east by Airport Blvd., on the south by Denson Drive, and on the west by Lamar Blvd. The Neighborhood Mixed Use Building (MUB) special use is proposed for Tract 221 and the Neighborhood Urban Center special use is proposed for Tracts 200, 201, 202, 222a, 222b, 222c, 223, 241, 242, 243a, 243b, 243c, 275, 276, and 277.

The proposed zoning change also implements the land use recommendations of the Brentwood/Highland Neighborhood Plan for a total of 233 tracts shown on the attached zoning tract map. For each of the 233 tracts, the attached chart (Exhibit A) lists the existing zoning, proposed zoning, property owner, street address and whether or not the NUC and MUB are permitted.

The Planning Commission may recommend and the City Council may approve a zoning change to any of the following: Rural Residential (RR); Single-Family Residence – Large Lot (SF-1); Single-Family Residence—Standard Lot (SF-2); Family Residence (SF-3); Single-Family – Small Lot & Condominium Site (SF-4A/B); Urban Family Residence (SF-5); Townhouse & Condominium Residence (SF-6); Multi-Family Residence - Limited Density (MF-1); Multi-family Residence - Low Density (MF-2); Multi-family Residence - Medium Density (MF-3); Multi-family Residence – Moderate-High Density (MF-4); Multi-family Residence - High Density (MF-5); Multi-family Residence - Highest Density (MF-6); Mobile Home Residence (MH); Neighborhood Office (NO); Limited Office (LO); General Office (GO); Commercial Recreation (CR); Neighborhood Commercial (LR); Community Commercial (GR); Warehouse / Limited Office (W/LO); Commercial Services (CS); Commercial-Liquor Sales (CS-1); Commercial Highway (CH); Industrial Park (IP); Major Industrial (MI); Limited Industrial Services (LI); Research and Development (R&D); Development Reserve (DR); Agricultural (AG); Planned Unit Development (PUD); and Public (P). A Conditional Overlay (CO), Planned Development Area Overlay (PDA), Mixed Use Combining District Overlay (MU) or Neighborhood Plan Special Use (NP) may also be added to these zoning base districts.

A detailed list of specific restrictions to be included in the conditional overlay (CO) for certain tracts is provided in Exhibit B.

BASIS FOR RECOMMENDATION

1. Preserve and enhance the single-family residential areas and housing opportunities for persons with disabilities.
2. Maintain existing civic and community institutions.
3. Encourage a mixture of compatible and appropriately scaled business and residential land uses in the neighborhood and mixed-use development on major corridors to enhance this diversity.
4. Preserve locally owned small businesses in the neighborhood and encourage new ones that are walkable and serve the needs of the neighborhood.
5. Focus higher density uses and mixed-use development on major corridors, and enhance the corridors by adding incentives for creative, aesthetically pleasing, pedestrian-friendly redevelopment.
6. Improve affordability of home-ownership and rental properties.

Impervious Cover

The entire neighborhood planning area lies within the boundaries of four urban watersheds. Impervious cover is not limited in urban watersheds therefore the zoning district impervious cover restriction will apply. See Exhibit C for a list of all zoning categories and corresponding impervious cover limits.

Environmental

The neighborhoods are not located over the Edwards Aquifer Recharge Zone. The neighborhoods are located in the Buttermilk Branch Creek, Shoal Creek, Tannehill Branch, and Waller Creek Watersheds of the Colorado River Basin, which are classified as Urban Watersheds by Chapter 25-8 of the City's Land Development Code. They are in the Desired Development Zone; Impervious cover is not limited in this watershed class; therefore the zoning district impervious cover limits will apply.

On-site structural water quality controls (or payment in lieu of) for all development and/or redevelopment is required when 5,000 s.f. cumulative is exceeded, and detention for the two-year storm.

According to flood plain maps, there is flood plain within the project area.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

Transportation

Additional right-of-way (ROW) necessary for future roadway improvements within the proposed zoning may be required during the subdivision review process or the site plan review process.

Since the rezoning of this area is being initiated by the City of Austin through the neighborhood planning process and does not reflect a specific development proposal, no trip generation calculations are provided on a tract by tract basis for any proposed land uses as would typically be provided.

A Traffic Impact Analysis (TIA) will be required during the site plan review stage for any proposed land use that would generate over 2,000 vehicle trips per day. Additional ROW, participation in roadway improvements, and/or limitation on development intensity may also be recommended based on review of the TIA.

Water and Wastewater

The landowner intends to serve the tract with City of Austin water and wastewater utility service. If water or wastewater utility improvements are required, the landowner will be responsible for all cost and for providing the utility improvements.

Stormwater Detention

At the time a final subdivision plat, subdivision construction plans, or site plan is submitted, the developer must demonstrate that the proposed development will not result in additional identifiable flooding of other property. Any increase in stormwater runoff will be mitigated through on-site stormwater detention ponds, or participation in the City of Austin Regional Stormwater Management Program if available.

Compatibility Standards

Sites plan applications for tracts that are less than 540-feet from SF-5 or more restrictive zoning, or single-family development, will be subject to compatibility development regulations:

No structure may be built within 25 feet of the property line of directly abutting single-family property.

No structure in excess of two stories or 30 feet in height may be constructed within 50 feet of the single-family property line.

No structure in excess of three stories or 40 feet in height may be constructed within 100 feet of the single-family property line.

For a structure more than 100 feet but not more than 300 feet from the single-family property line, a structure may attain a height of 40 feet plus one foot for each 10 feet if distance in excess of 100 feet from the property zoned SF-5 or more restrictive.

For a structure more than 300 feet but not more than 540 feet from the single-family property line, a structure may attain a height of 60 feet plus one foot for each four feet if distance in excess of 300 feet from the property zoned SF-5 or more restrictive.

No parking or driveways are allowed within 25 feet of the directly abutting single-family property line

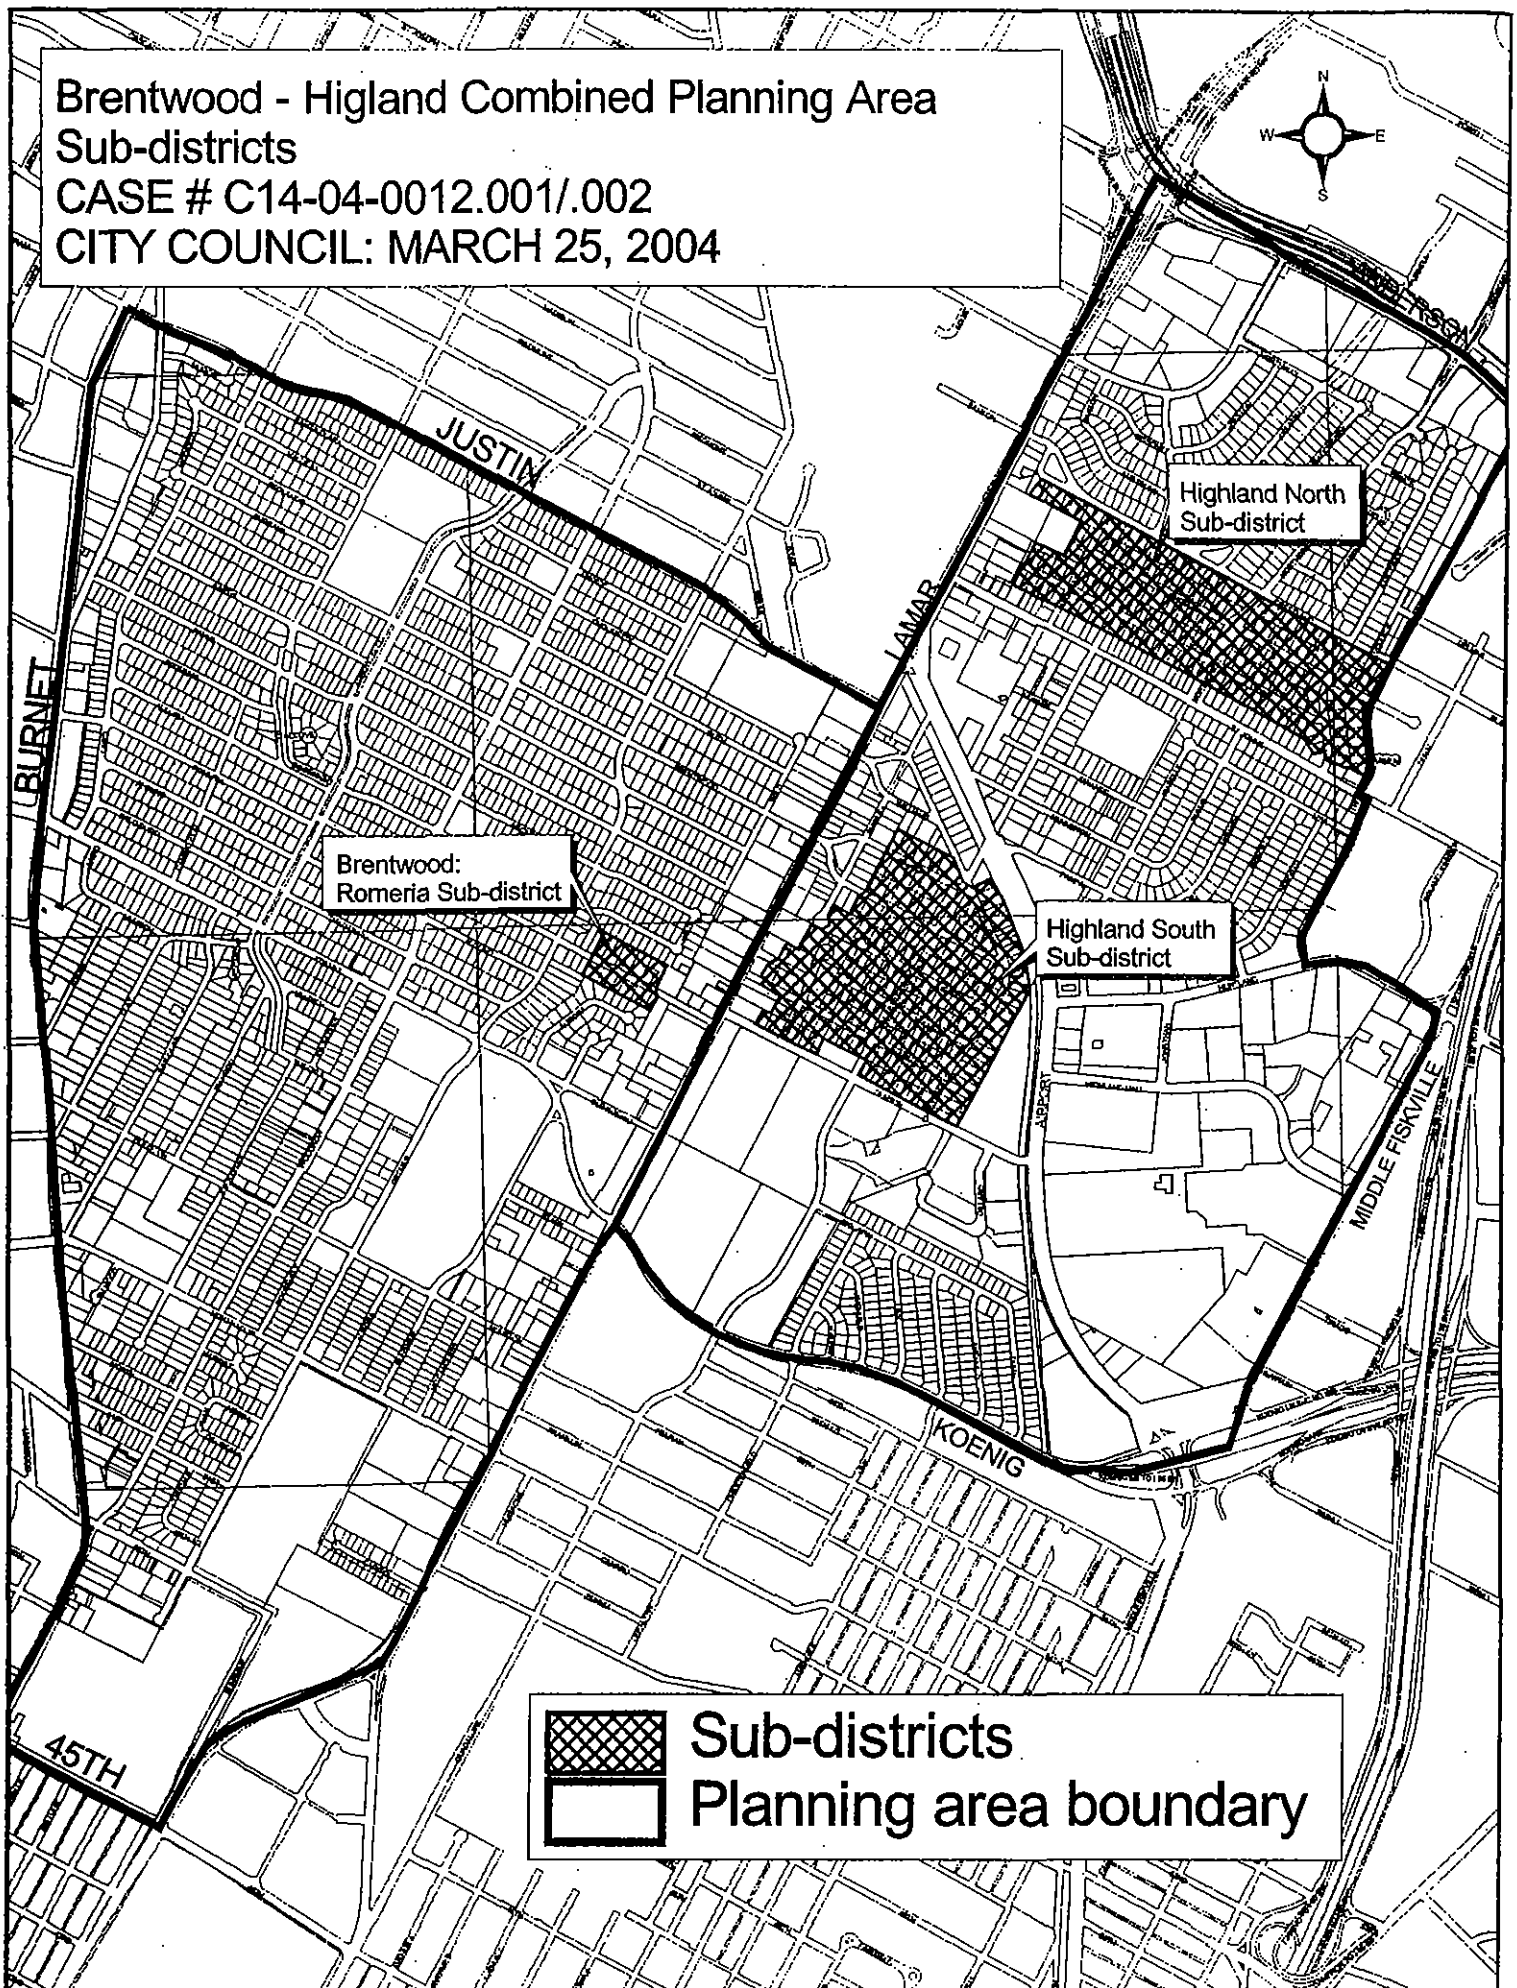

A landscape area at least 15 feet in width is required along the property line if tract is zoned MF-3, MF-4, MF-5, MH, NO, or LO, when adjacent to single-family property.

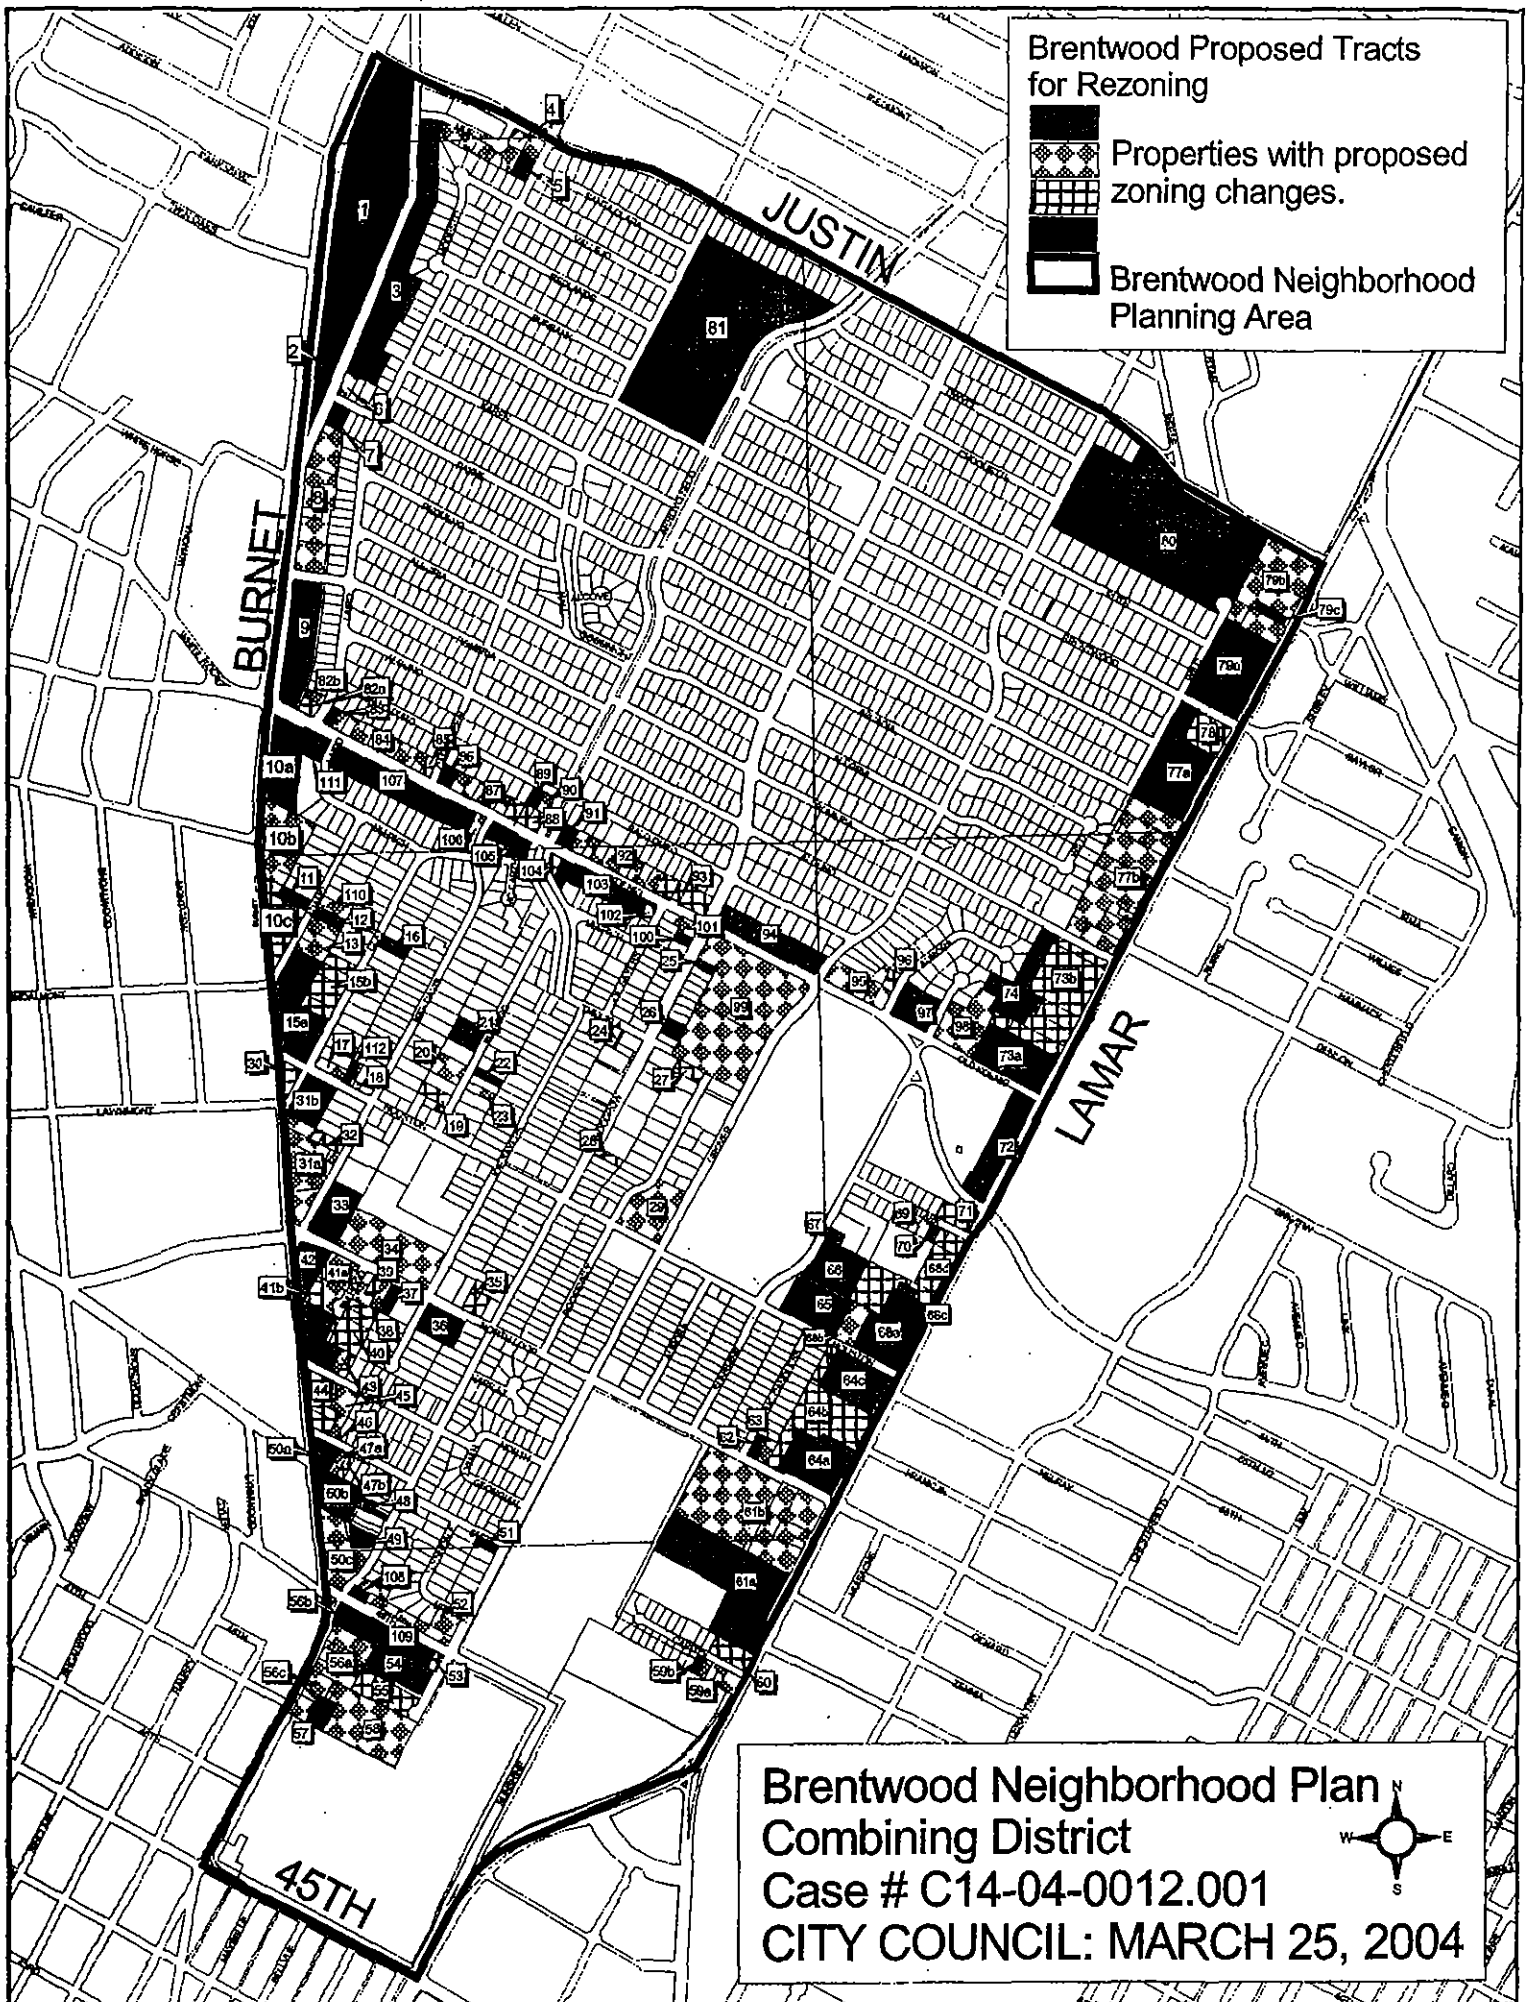

A landscape area at least 25 feet in width is required along the property line if the tract is zoned LR, GO, GR, L, CS, CS-1, or CH when adjacent to single-family property.

A fence, berm or dense vegetation must be provided to screen adjoining properties from views of parking, mechanical equipment, storage, and refuse collection.

Additional design regulations will be enforced at the time a site plan is submitted.

Approved by PC 3-09-04

CITY PLANNING COMMISSION

**February 24, 2004
One Texas Center
505 Barton Springs Road
Conference Room 325**

CALL TO ORDER – 6:00 P.M.

_____ Maggie Armstrong, Secretary
_____ Cynthia Medlin, Asst. Secretary
_____ Matthew Moore
_____ Lydia Ortiz, Chair

_____ Chris Riley, Vice Chair
_____ Niyanta Spelman
_____ Dave Sullivan, Parliamentarian

A. REGULAR AGENDA

EXECUTIVE SESSION (No public discussion)

The Planning Commission will announce it will go into Executive Session, if necessary, pursuant to Chapter 551 of the Texas Government Code, to receive advice from Legal Counsel on matters specifically listed on this agenda. The Planning Commission may also announce it will go into Executive Session, if necessary, to receive advice from Legal Counsel regarding any other item on this agenda.

Private Consultation with Attorney – Section 551.071

CITIZEN COMMUNICATION:

1. The first four (4) speakers signed up to speak will each be allowed a three-minute allotment to address their concerns regarding items *not* posted on the agenda.

NO CITIZENS SPOKE UNDER CITIZEN COMMUNICATION

APPROVAL OF MINUTES

2. Approval of minutes from February 10, 2004.

***MOTION: APPROVE MINUTES BY CONSENT (INCLUDING CHANGES ON PAGE 12
DISTRIBUTED ON DAIS)***

VOTE: 7-0 (NS-1ST, DS-2ND)

DISCUSSION AND ACTION

3. Neighborhood Plan:

Brentwood/Highland Combined Neighborhood Plan

Location: The Brentwood/Highland Neighborhood Planning area is bounded on the north by Justin Lane and Anderson Lane, on the east by Middle Fiskville Road and Twin Crest Drive, on the south by 45th Street and Koenig Lane, and on the west by Burnet Road., Brentwood: Shoal Creek & Waller Creek; Highland: Waller Creek, Buttermilk Creek & Tannehill Creek Watershed, Brentwood & Highland NPA

Owner/Applicant: City of Austin-NPZD

Agent: City of Austin-NPZD

Request: Conduct a public hearing to consider adopting the Brentwood/Highland Combined Neighborhood Plan, encompassing the Brentwood and Highland planning areas.

Staff Rec.: **Recommended**

Staff: Brian Block, 974-7687, Brian.Block@ci.austin.tx.us
Lisa Kocich, 974-3509, kathleen.welder@ci.austin.tx.us
Neighborhood Planning and Zoning Department

4. zoning: **C14-04-0012 - Brentwood/Highland Combined Neighborhood Planning Area**

Location: The Brentwood/Highland Neighborhood Planning area is bounded on the north by Justin Lane and Anderson Lane, on the east by Middle Fiskville Road and Twin Crest Drive, on the south by 45th Street and Koenig Lane, and on the west by Burnet Road., Brentwood: Shoal Creek & Waller Creek; Highland: Waller Creek, Buttermilk Creek & Tannehill Creek Watershed, Brentwood & Highland NPA

Owner/Applicant: City of Austin-NPZD

Agent: City of Austin-NPZD

Request: The proposed zoning change will create two Neighborhood Plan Combining Districts (NPCD) covering the entire area. Under the proposed Brentwood NPCD, "Small Lot Amnesty," "Secondary Apartment," "Garage Placement," "Front Porch Setback" and "Impervious Cover and Parking Placement Restrictions" are proposed for the entire area. The Urban Home special use is proposed for the Romeria Gateway subdistrict, which includes all lots adjacent to Romeria between Lamar Blvd. and the Grover Drainage Channel. The Neighborhood Urban Center (NUC) special use is proposed for Tracts 1 and 2.

Under the proposed Highland NPCD, "Small Lot Amnesty" and "Secondary Apartment" are proposed for the entire area. "Garage Placement," "Front Porch Setback" and "Impervious Cover and Parking Placement Restrictions" are proposed for the entire area with the exception of all lots adjacent to St. Johns Avenue. The Cottage Lot special use is proposed for the North and South Highland subdistricts. The North Highland subdistrict is bounded on the north by Crestland Drive, on the east by Twin Crest Drive, on the south by St. Johns Avenue, and on the west by Lamar Blvd. The South Highland subdistrict is bounded on the north and east by Airport Blvd., on the south by Denson Drive, and on the west by Lamar Blvd. The Neighborhood Mixed Use Building (MUB) special use is proposed for Tract 221 and the Neighborhood Urban Center special use is proposed for Tracts 200, 201, 202, 222a, 222b, 222c, 223, 241, 242, 243a, 243b, 243c, 275, 276, and 277.

The proposed zoning change also implements the land use recommendations of the Brentwood/Highland Neighborhood Plan for a total of 233 tracts of land.

The Planning Commission may recommend and the City Council may approve a zoning change to any of the following: Rural Residential (RR); Single-Family Residence – Large Lot (SF-1); Single-Family Residence—Standard Lot (SF-2); Family Residence (SF-3); Single-Family – Small Lot & Condominium Site (SF-4A/B); Urban Family Residence (SF-5); Townhouse & Condominium Residence (SF-6); Multi-Family Residence - Limited Density (MF-1); Multi-family Residence - Low Density (MF-2); Multi-family Residence - Medium Density (MF-3); Multi-family Residence – Moderate-High Density (MF-4); Multi-family Residence - High Density (MF-5); Multi-family Residence - Highest Density (MF-6); Mobile Home Residence (MH); Neighborhood Office (NO); Limited Office (LO); General Office (GO); Commercial Recreation (CR); Neighborhood Commercial (LR); Community Commercial (GR); Warehouse / Limited Office (W/LO); Commercial Services (CS); Commercial-Liquor Sales (CS-1); Commercial Highway (CH); Industrial Park (IP); Major Industrial (MI); Limited Industrial Services (LI); Research and Development (R&D); Development Reserve (DR); Agricultural (AG); Planned Unit Development (PUD); and Public (P). A Conditional Overlay (CO), Planned Development Area Overlay (PDA), Mixed Use Combining District Overlay (MU) or Neighborhood Plan Special Use (NP) may also be added to these zoning base districts.

Staff Rec.: **Recommended**

Neighborhood Planning and Zoning Department

Items 3 and 4

Brian Block and Lisa Kocich presented the neighborhood plan and the zoning. Mr. Block noted that the staff recommendation for tracts 255 and 260, has changed from LR-MU-CO-NP to SF-6.

PUBLIC HEARING

Richard Brock, with the neighborhood association, outgoing president, current vice-president, represents the homeowners. The highest priority was to preserve the residential character. The tracts with outstanding issues are tracts 6, 11, 12, 13, 15a, 15b, 31b, 41a, 41b, 52, 53, 77a, 77b, 79a, 89, and 90. For Koenig Lane the neighborhood promoted NO zoning because abuts single-family. They feel like the staff recommendation along Koenig Lane is a compromise.

Commissioner Medlin asked Mr. Brock about the single-family on the northern portion along Burnet Road behind the commercial and said the housing stock appears to be impacted by the commercial. Commissioner Medlin asked about rezoning to create a buffer between Burnet Road and the houses.

Mr. Brock said that the CS zoning along Burnet Road existed for many years, and the abutting residential uses don't seem to have a problem with the commercial uses. The neighborhood would not support rezoning to create a buffer of office zoning because that would bring commercial closer into the neighborhood. Commissioner Medlin asked if residents of Laird are okay with the current zoning along Burnet. Mr. Brock said that Laird still feels residential.

Commissioner Armstrong asked Mr. Brock to rate staff on their ability to educate the neighborhood on infill, public transit, land use, and sprawl. Mr. Brock said that staff did a good job with limited resources. He said that there was some information he would have liked earlier in the process, but doesn't want to second guess staff's decision to present information.

David McGrath spoke in favor of the neighborhood plan. He is a resident and business owner in the Brentwood neighborhood. He thinks that there were some good, logical compromises made, even though not everyone got their way on. Most of the issues were hashed out, city staff direction.

Commissioner Armstrong said that she notices some neighborhoods differ in their relationship with the neighborhood businesses and asked if Mr. McGrath could comment on why Brentwood worked well with the businesses. Mr. McGrath complimented Brian Block's work.

Mr. Woods, the president of the Highland Neighborhood association said a lot has to happen to the St. John's corridor to make it walkable. Most peoples' mailboxes on St. John are sideways because trucks hit them. There is not enough room for the three lanes of traffic. A preliminary traffic calming study indicated it is feasible to stripe a middle turn lane. The neighborhood would like bike lanes, but were told that there is not enough room.

Commissioner Riley asked why the recommendation for St. John includes office uses. Mr. Hitt said that they had talked about all those uses, such as commercial, but the neighbors are concerned about the level of uses allowed in the LR zoning, and were concerned about the traffic.

Commissioner Riley pointed out that the traffic from office uses would be dumped onto the roads at the worst times. Mr. Hitt said that with office that there would be less traffic than with commercial.

Commissioner Sullivan asked why the eastern edge of the neighborhood is where it is- why does it not include Webb and Middle Fiskville Road? Mr. Hitt said that Twin Crest is the boundary on the east, and Denson on the south. They did get participation for people from Skyview.

James Wiersema, handed out a letter on the dais, and stated he is a member of the Austin Gem and Mineral Society. The society owns property at 6719 Burnet Road. The current zoning is CS. The staff is recommending CS-MU-CO-NP. He requests that the Planning Commission support the staff recommendation.

Roger Falk, property owner and business owner on Koenig Lane, spoke in favor of the neighborhood plan. The arterial streets, though carrying a great amount of traffic, like Koenig, do not have the zoning. There will always be some residents that will be unhappy with the commercial along the road.

William Faust, is a long time resident of this area, and was a business owner on Burnet Road for 20 years. He supports the plan.

Mary Pruett, owner of tract 112, said staff recommends office zoning for their property. They support that recommendation- it is a compromise.

Doug Irving, resident of Ruth Avenue, said that there is only one commercial property near Ruth Avenue that has conditional overlay A, instead of conditional overlay B, like the other properties. He said that because of the close proximity to the houses, it seems like conditional overlay B should be applied to that property. He said that fumes from the auto body shop, and noise are a problem along his street.

Commissioner Riley asked for clarification about which tracts. Mr. Irving said they were tracts 77a, 77b and 79a. Commissioner Spelman pointed out that tract 77b shares property line with single-family, tracts 77a and 79a are across the street from single-family. Brian Block explained that conditional overlay B is for those properties that share a property line with single-family, and conditional overlay A is for those that do not.

Mr. Irving explained that even with the road separating the commercial from the residential, the residential is not far behind and is still negatively impacted.

Damon Howze, vice president of the north sector of the Highland neighborhood, said that there was a lot of compromise. He explained the piecemeal zoning on St. Johns. He said that the neighborhood residents can currently walk to buy food.

Commissioner Riley clarified that the existing commercial services are enough for the neighborhood, and Mr. Howze said yes, there are already shops that are within walking distance. Mr. Howze explained that the corner properties back-up to residential, so that is why office was preferred over a corner store use.

Brad Greenblum, represents numerous property owners along Koenig Lane, and said they were active participants and wanted to commend staff, especially Brian Block, for all their work and the compromises that were developed. The property owners support the recommendations. He also represents three property owners in the Highland neighborhood, and they also support the recommendations.

Chuck Geffen, president of Brentwood neighborhood association, wanted to say thanks to staff and Brian, for listening to different comments. He said that there are many proposed zoning changes that affect the residents. He asked that the Commission consider alternate proposals from the residents.

Don Leighton-Burwell, is a twenty year resident of Brentwood, and has been the zoning chair for Brentwood for 17 years. Has a private architect practice. He said staff, especially Brian Block, is an asset to the City. What has been lost as part of this process will be lost revenue for the City from not having individual zoning cases, and have lost the specificity. With that said, he stressed that two land use goals of compatible scale and mixed use along the major corridors. Many of the zoning choices staff unilaterally made were attempts to lessen the impacts, however the zonings proposed have only been mitigated with extensive conditional overlays to allow existing uses that today would not be permitted or encouraged. He handed out a chart and indicated on the chart with yellow the properties with compromises.

NEUTRAL

Chip Somerville, represents property owner of property (first tract 231) just north of the intersection of Airport and Guadalupe. The existing zoning is LR, and the proposed zoning is SF-6. His client prefers that for the first 94 feet, zone it to SF-6, but for the back 54 feet, rezone to LR-MU-CO or CS-MU-CO for the frontage abutting on Kenniston. He said that the current property owner purchased the property last year with the intention of building a small building on the back portion of the property for a small mail business. He said that the area is near commercial.

Commissioner Riley asked if the neighborhood supports the compromise. Mr. Hitt said he supports the compromise.

Nikelle Meade said she represents the owner of the third property of tract 251a (currently zoned CS). The proposed rezoning would impose restrictions that do not currently occur. They are not opposed to the rezoning request, even though it imposes restrictions. They recognize that the MU adds development rights.

Randal Smith, resident on Gaylor Street, supports the recommendations, however concerned about tract 255 and 260. He lives at 615 Gaylor, next to 617 Gaylor. He said that he would like the properties to remain SF-3, or SF-6. He is opposed to only even numbers be rezoned to SF-6, and does not understand why odd numbers are not included in the SF-6.

Commissioner Ortiz asked staff to address Mr. Smith's questions. Mr. Block said that the rationale is that normally staff would want to have properties facing each other to have similar

uses, but one group of stakeholders thought the backlots should be compatible, and another group supported staff. Ultimately the neighborhood decided to upzone the north side of the street only to SF-6.

Gail McDonald, resident on Clay Avenue, has lived there since 1978. She agrees with the rezoning of Tract 16 to SF-3 zoning. She said that their recommendation for Tract 15b is LR, not GR (staff recommendation), because it is not a very long street, and is not a major entrance. If the zoning goes to GR, then there is more traffic. She said that piecemeal zoning does not work, and would like the Commission to preserve the vision of the plan. Tract 12, Adams Avenue, would like LO zoning. On 15b is the old Stripling Blake site originally not proposed to have the zoning change to GR. The site is a courtyard of antique stores with driveways at the rear into the neighborhood. When Harrell's was redeveloped, the rear driveway was cut-off, which made the development more compatible with the neighborhood. Tract 15b, in combination with tract 15a, is currently used as through lots.

Mr. Block said that none of the lots on tract 15b actually go to Clay, but the property owners also own tract 15a, so the properties are used together for courtyard antique shops, which are GR uses. Regarding tract 12, the zoning matches tract 11.

AGAINST

Amelia Lopez-Phelps, representing owner of tract 101, 1401 Koenig Lane, stated that the owners support the recommendation.

Amelia Lopez-Phelps, representing Pam and William Fuller, owners of property in tract 15b, said the property was zoned CS in 1997. She said the property owner wants to keep the business in the neighborhood, and would like CS-MU-CO-NP zoning instead of the plan proposal for GR-MU-CO-NP. Ms. Lopez-Phelps said that at the very least the building should be rezoned CS-MU-CO-NP to maintain the current use.

Commissioner Spelman clarified that the CS is not needed for the current use, but the owner would like to keep the CS to keep the investment. Ms. Lopez-Phelps said that the southern property in tract 15b is a CS use, the other properties above it are GR uses. Mr. Block added that the recommendation for tract 15b is for GR because it fronts on Clay Avenue, which would make the Fuller's existing construction sales and service use non-conforming. The use would be grandfathered though.

Commissioner Armstrong suggested that the owner consider construction sales and service use and LR uses, which does not allow automotive-oriented uses, to make the proposal more acceptable to the neighborhood. Mr. Block said that the conditional overlay-C already prohibits the automotive oriented uses. The overlay allows uses similar to LR zoning.

Amelia Lopez-Phelps explained her client's proposals, which differ from the staff recommendation (detailed information provided in red folder).

Commissioner Spelman said that the client is making a lot of requests and she asked if her or her clients participated in the process. Ms. Lopez-Phelps said that she or the landowners, or both,

would attend the meetings. She said the owners would voice their concerns, or try to. Ms. Lopez-Phelps said that during the process there was not a compromise to work on.

Commissioner Sullivan asked in what instances the proposed staff recommendation limits the property owner's rights. Ms. Lopez-Phelps said that the vehicle storage is proposed to be prohibited, which if the property owner moved vehicles on a site separate from the sales lot, the parked cars would be considered vehicle storage and limited warehousing. She added that most of the sites have been developed under CS regulations. Though it may not seem to make a huge difference for impervious cover between CS and GR, there would be reduced impervious cover if the site is redeveloped, as well as compatibility standards. Ms. Lopez-Phelps said that the owner would be open to a restrictive covenant that would restrict the terms of the vehicle storage and limited warehousing use.

Commissioner Spelman asked Mr. Block about the properties. Mr. Block said that the preference was to have the CS zoning for the major corridors, but Koenig Lane is not considered a major corridor. The compromise for Koenig Lane is to rezone it to GR, and none of the uses along Koenig Lane need CS zoning. Mr. Block added that the vehicle storage can be an accessory use to auto sales, but if it is over 10% of floor area, then becomes a second primary use.

Commissioner Sullivan asked if those tracts are all of the auto lots. Mr. Block said that there is one piece of Roger Beasley that is not part of this area, but is part of the neighborhood plan.

Commissioner Medlin asked if the MF-4 zoning is buffer zone and for tract 240 it appears to be adjacent to SF-3, and asked if it is a buffer. Mr. Block said that compatibility standards would provide the buffer.

Commissioner Spelman asked if there were discussions with the commercial owners. Mr. Block said that there were neighborhood residents on one side, and commercial property owners on the other, and staff presenting a compromise. There were outliers that did not agree with the compromise.

Kris Kasper, representing tract 15a and 15b, the antique mall. There are seven lots, referenced as four different tracts. The property is currently zoned CS. The back portion is proposed to be rezoned to GR. According to his research, the property has been zoned commercial for at least 40 years. There are uses currently out there that require CS zoning, such as furniture warehousing. He said that large trucks are very infrequent. In fact, a nearby property owner said he had not seen an 18 wheeler truck in 13 years. The back driveway is locked up, so is not, but the access is needed. The owner would like to keep the CS zoning to maintain the current use.

Commissioner Armstrong said there needs to be more work on the car leasing areas and the antique mall. She asked that those involved not focus on the zoning district, but on the uses and the site development regulations.

Commissioner Riley added that in the future the lots fronting Clay Avenue with the CS zoning could be developed to have CS uses face that street. Mr. Kasper said that the overlay would make the zoning appropriate for those lots that would be developed along Clay.

Commissioner Ortiz pointed out that there are no prohibited uses in the conditional overlay for the properties that front Adams. Commissioner Ortiz asked about the other deliveries that go out on Clay Avenue. Mr. Kasper, said that based on conversations he had with the owner, that a delivery could occur 1 to 2 times a day.

John Joseph Jr., representing the owner of 7427 Lamar Blvd, tract 210b, said the tract is zoned CS-1. Staff is recommending for the adjacent properties currently zoned CS, CS zoning. For the SF properties, staff is recommending CS zoning. But for his client's property, they are recommending a downzoning from CS-1 to CS. Mr. Joseph explained that the Mr. Block of staff told him that staff heard concerns about the presence of CS-1 on Lamar Blvd, and that is why they were recommending. Commissioner Medlin asked why the owner wants CS-1 zoning when the current use is not a CS-1 use. Mr. Joseph responded that it is not fair to base zoning on current uses. The property owner makes plans for a property, and the removal of CS-1 through the neighborhood planning process changes those plans. He said that the CS-1 zoning is compatible with the current and proposed CS zoning.

Jim Bennett said he represents three property owners. One property owner owns property at 1701 and 1703 Palo Duro (tracts 89 and 90) with CS and MF zoning. The property owner is okay with the proposed LR zoning, but does not want the land use change to anything less than LR. The second property owner, tract 41a, is okay with the proposed changing.

Joy Stollings said she and Kristin Johnson support the plan. They both live on Romeria Drive, and are supportive of the Romeria gateway district. She is concerned about the two lots that face Romeria in tract 77b. The residents of Romeria would like LO or LR zoning for the two lots that face Romeria.

Mark Cashman has petitioned to preserve his CS zoning on his property in tract 15b (on Clay Avenue). He has been the owner since 1991. He would like to continue his CS uses. There is currently an office/warehousing use on site. He said the site is secluded and away from Burnet, and the marketplace does not see that property as a retail site.

Commissioner Ortiz asked if his property fronts Clay and Adams. He said that his property does not front on Adams. Commissioner Spelman asked if this is the property that would be non-conforming with the GR zoning. Mr. Block said that the owner would need CS zoning if they are warehousing items and it is more than 10% of the building area. Mr. Cashman said that his uses are building maintenance and limited warehousing and distribution, both CS uses. He said that there might be deliveries by a UPS truck infrequently.

HR Mickey Bentley, representing Robert Whiteside, the owner of 1400 Koenig Lane (tract 93), at the corner of Woodrow and Koenig Lane, said the current zoning is GR-CO and the proposed zoning is LR. The owner has been there for over 15 years, and gave the City land in exchange for the zoning. The current use is auto sales, a use not permitted under the proposed LR zoning.

HR Mickey Bentley, representing William Wildo, the owner of a portion of tract 10b, said the owner wants to maintain the current zoning of CS, and does not support the proposed zoning of CS-MU-CO-NP. The current use on the property is sales of granite, computers and furniture. The property used to be for transmission sales. Commissioner Riley asked Mr. Bentley if the

owner has a problem with the conditional overlay. Mr. Bentley said the property is on Burnet Road, a commercial roadway- CS uses should be allowed.

Mr. Bentley, representing Frank Boner, the other owner of tract 10b, said that Mr. Boner does not want the zoning changed for Lots 1-4. That property has been in the Boner family for 50 years. It was their homestead. The owner has given the City land as a condition of previous zoning so there is also a contractual agreement to keep the existing zoning.

Don Jackson, owner of 816 Romeria, has maintained the property for 40 years. When he got the zoning, he had to give the City 10 feet for Mayfield Street. About five years ago, the City had asked him if changing the name from Mayfield to Romeria was okay, but did not realize that agreeing to that would affect him now. He would like to have the property left the way it is. He noted that some non-CS-1 uses are still being left CS-1 zoning. There is inconsistency. There is no regard for the commercial owners. He was notified of the proposed zoning change in December, long after the meetings that were held months before. The proposed rezoning is taking away his property rights.

Tom Zachary, owner of tract 231, said he is highly in favor of the property owner's request for tract 231. For tract 228, he does not have a problem with rezoning the property to SF-6. For tract 232, he does not want the zoning changed at all- he wants to keep it SF-3, not up-zoned to SF-6 because of property tax concerns and because the site is too small. For tract 237, he said he is okay with the proposed SF-6 zoning.

Mike O'Dell, owner of tract 16, said that the property was rezoned to office zoning in the 1970s. The surrounding properties are commercial in that they are duplex rental properties, not single-family. Almost the entire street on his side is duplexes. Six of the seven property owners on Clay Avenue signed his petition in support of his request to keep the office zoning. Most of the problems in the neighborhood come from the duplexes. He was not involved in this process, until he heard about it from a friend in October. There were about 50 people upset about the process, and the commercial owners felt like they were cut-out of what appeared to be a neighborhood association process.

Commissioner Armstrong asked if there had been a church on the site. Mr. O'Dell said that the church was built on the site in the 1960s, and was later converted to offices.

Lacy Sawyer said she just bought a house on 200 West Lisa and said her concern is for the property in tract 219c. She just bought her property so she was not involved with the neighborhood planning process. She is concerned about the parking lot that could be built on the tract 219c property and the traffic. The current use on tract 219c is a single-family house.

Commissioner Sullivan said that traffic has increased along St. Johns, and the neighborhood is concerned that the houses would deteriorate because the houses would become rental properties due to the conditions of living on a busy street, so the neighborhood supports rezoning to allow office zoning.

Commissioner Armstrong said that the NO-MU-CO would allow for neighborhood offices, and the MU would allow for a live-work situation. Commissioner Riley added that with the MU, there is always the option to have a residential use.

William Bickford, owner of 608 West St. Johns, said his concern is the process. He received a notice that his property would be rezoned to NO-MU. The recommendation was then changed to SF-6. For tract 213b, the proposed zoning to SF-6 is not appropriate. For tract 221, it is proposed to be LR-MU, and tract 213a and 213c are proposed to be NO, and 222a is proposed to be Neighborhood Urban Center. These proposed changes for St. Johns may be appropriate for an area with high traffic, but it does not make sense to require SF-6 zoning for three properties sandwiched between office/commercial zoning. He urges the Commission to return the properties to the original recommendation of NO-MU to give the property owners an option to dispose of the property. This is not what he wanted when he purchased the property.

Commissioner Medlin asked what is on tract 221. Mr. Buford said that all of tracts 221 and 212b and 220a are single-family.

Commissioner Riley sought clarification of his concerns- Mr. Buford said that his concern is his ability to sell the house as single-family when the adjacent properties and the properties across the street would be zoned commercial and office.

Commissioner Riley said that he heard concerns that leaving single-family on St. Johns would hurt those property values, and he added that housing in a retail area could be good for values.

MOTION: CLOSE THE PUBLIC HEARING
VOTE: 6-0 (DS-1st, NS-2nd; MM- LEFT EARLY)

Mr. Hitt and Mr. Howze said they support Mr. Buford's statements for tract 213b.

Commissioner Spelman asked what was the reasoning for the SF-6 across from the LR? Mr. Block said that there was a lot of discussion, and there was a proposal to zone the property as NO-MU at the time of the courtesy notice sent in October.

Commissioner Medlin asked about the notification process. Mr. Block explained that the draft rezonings were prepared by August 2003, and a courtesy notice was sent to owners in October 2003, inviting them to a meeting to discuss the proposed rezonings. Mr. Block said that all owners, residents and renters were notified of the neighborhood planning process.

In response to Commission's discussion about the removal of CS-1 zoning, Mr. Hitt, representing the Highland neighborhood, said that there is a lot of CS-1 zoning in the area. Commissioner Sullivan asked if there is text in the plan specifically stating that the neighborhood seeks to reduce the amount of CS-1. Mr. Hitt said no.

Commissioner Sullivan said that there was a recent case on Lamar Blvd for CS-1. There is not a map for him to look at to evaluate the extent of CS-1 zoning in the area, and so does not want to decide on whether or not to support requests for CS-1 zoning without that information.

MOTION: APPROVE STAFF RECOMMENDATION (NEIGHBORHOOD PLAN AND REZONINGS) WITH THE FOLLOWING EXCEPTIONS FOR THE ZONING:

- ***TRACT 231- APPROVE COMPROMISE HANDED OUT ON DAIS BY THE OWNER (SF-6 FOR FRONTAGE ABUTTING ON GUADALUPE TO A DEPTH OF 94 FEET AND CS-MU-CO FOR FRONTAGE ABUTTING ON KENNISTON (THE REMAINING 54 FEET)). THE CO ON CS-MU WOULD BE CONDITIONAL OVERLAY B.***
- ***TRACT 79A- APPROVE CS-1 FOR THE BUILDING FOOTPRINT***
- ***TRACT 231B- APPROVE NO-MU-NP ZONING***
- ***TRACT 16- APPROVE NO-MU ZONING***

IN ADDITION, THE PLANNING COMMISSION RECOMMENDED THAT THE FOLLOWING TWO ISSUES BE RESOLVED:

1. ***THE PROPERTIES FACING CLAY AVENUE WITH COMMERCIAL ZONING- ADDRESS FUTURE INTRUSION ISSUES***
2. ***HAVE STAFF DETERMINE IF THE GR ZONING PROPOSED FOR THE AUTO DEALERSHIP LOTS WILL WORK, OR IF VEHICLE STORAGE, A CS USE, SHOULD BE INCLUDED.***

VOTE: 6-0 (DS-1st, MA-2nd; MM- LEFT EARLY)

Commissioner Ortiz said she would support the motion, but said she would have supported Commissioner Riley's friendly amendment to allow CS-1 on tract 210b. She said she understands the neighborhoods concern, but thinks that it would be appropriate to have the CS-1 zoning.

Commissioner Riley said he is still troubled with the recommendation for tract 15b. He really likes that site, and hopes that more discussion occurs to make the site what it can be as an asset to the neighborhood. He said tonight's focus has been on zoning, but the plan addresses other issues, such as open space. He encouraged the neighborhood to continue to implement the plan.
