

Zoning Ordinance Approval
CITY OF AUSTIN
RECOMMENDATION FOR COUNCIL ACTION

AGENDA ITEM NO.: 55
AGENDA DATE: Thu 11/18/2004
PAGE: 1 of 1

SUBJECT: C14-04-0118 - 204-206 West Stassney Lane - Approve second/third readings of an ordinance amending Chapter 25-2 of the Austin City Code by rezoning property locally known as 204-206 West Stassney Lane (Williamson Creek Watershed) from single family residence standard lot (SF-2) district zoning and family residence (SF-3) district zoning to community commercial-mixed use-conditional overlay (GR-MU-CO) combining district zoning. First Reading on November 4, 2004. Vote 6-1, Goodman - Nay. Conditions met as follows: Conditional Overlay incorporates the conditions imposed by Council at first ordinance reading. Applicant: Felix Michael Estrada and Felix A. Estrada. Agent: Lenworth Consulting (Nash Gonzales). City Staff: Wendy Walsh, 974-7719.

REQUESTING Neighborhood Planning
DEPARTMENT: and Zoning

DIRECTOR'S
AUTHORIZATION: Greg Guernsey

SECOND / THIRD READINGS SUMMARY SHEET

ZONING CASE NUMBER: C14-04-0118

REQUEST:

Approve second / third readings of an ordinance amending Chapter 25-2 of the Austin City Code by rezoning property locally known as 204-206 West Stassney Lane (Williamson Creek Watershed) from single family residence standard lot (SF-2) district zoning and family residence (SF-3) district zoning to community commercial – mixed use – conditional overlay (GR-MU-CO) combining district zoning. The Conditional Overlay limits the development of the property to: 1) limited office (LO) development standards and uses, other than automotive repair and automotive sales, and 2) a 2,000 trip limitation. The Restrictive Covenant provides that if the automotive repair or automotive sales use is discontinued for 90 consecutive days, the Owner of the Property will not object to a City-initiated rezoning case to the LO district.

DEPARTMENT COMMENTS:

The Conditional Overlay incorporates the conditions imposed by the City Council at First Reading.

A map that shows the boundaries of the South Congress Combined Neighborhood Planning Area is provided and follows this Summary Sheet.

OWNERS/APPLICANTS: Felix Michael Estrada and Felix A. Estrada

AGENT: Lenworth Consulting (Nash Gonzales)

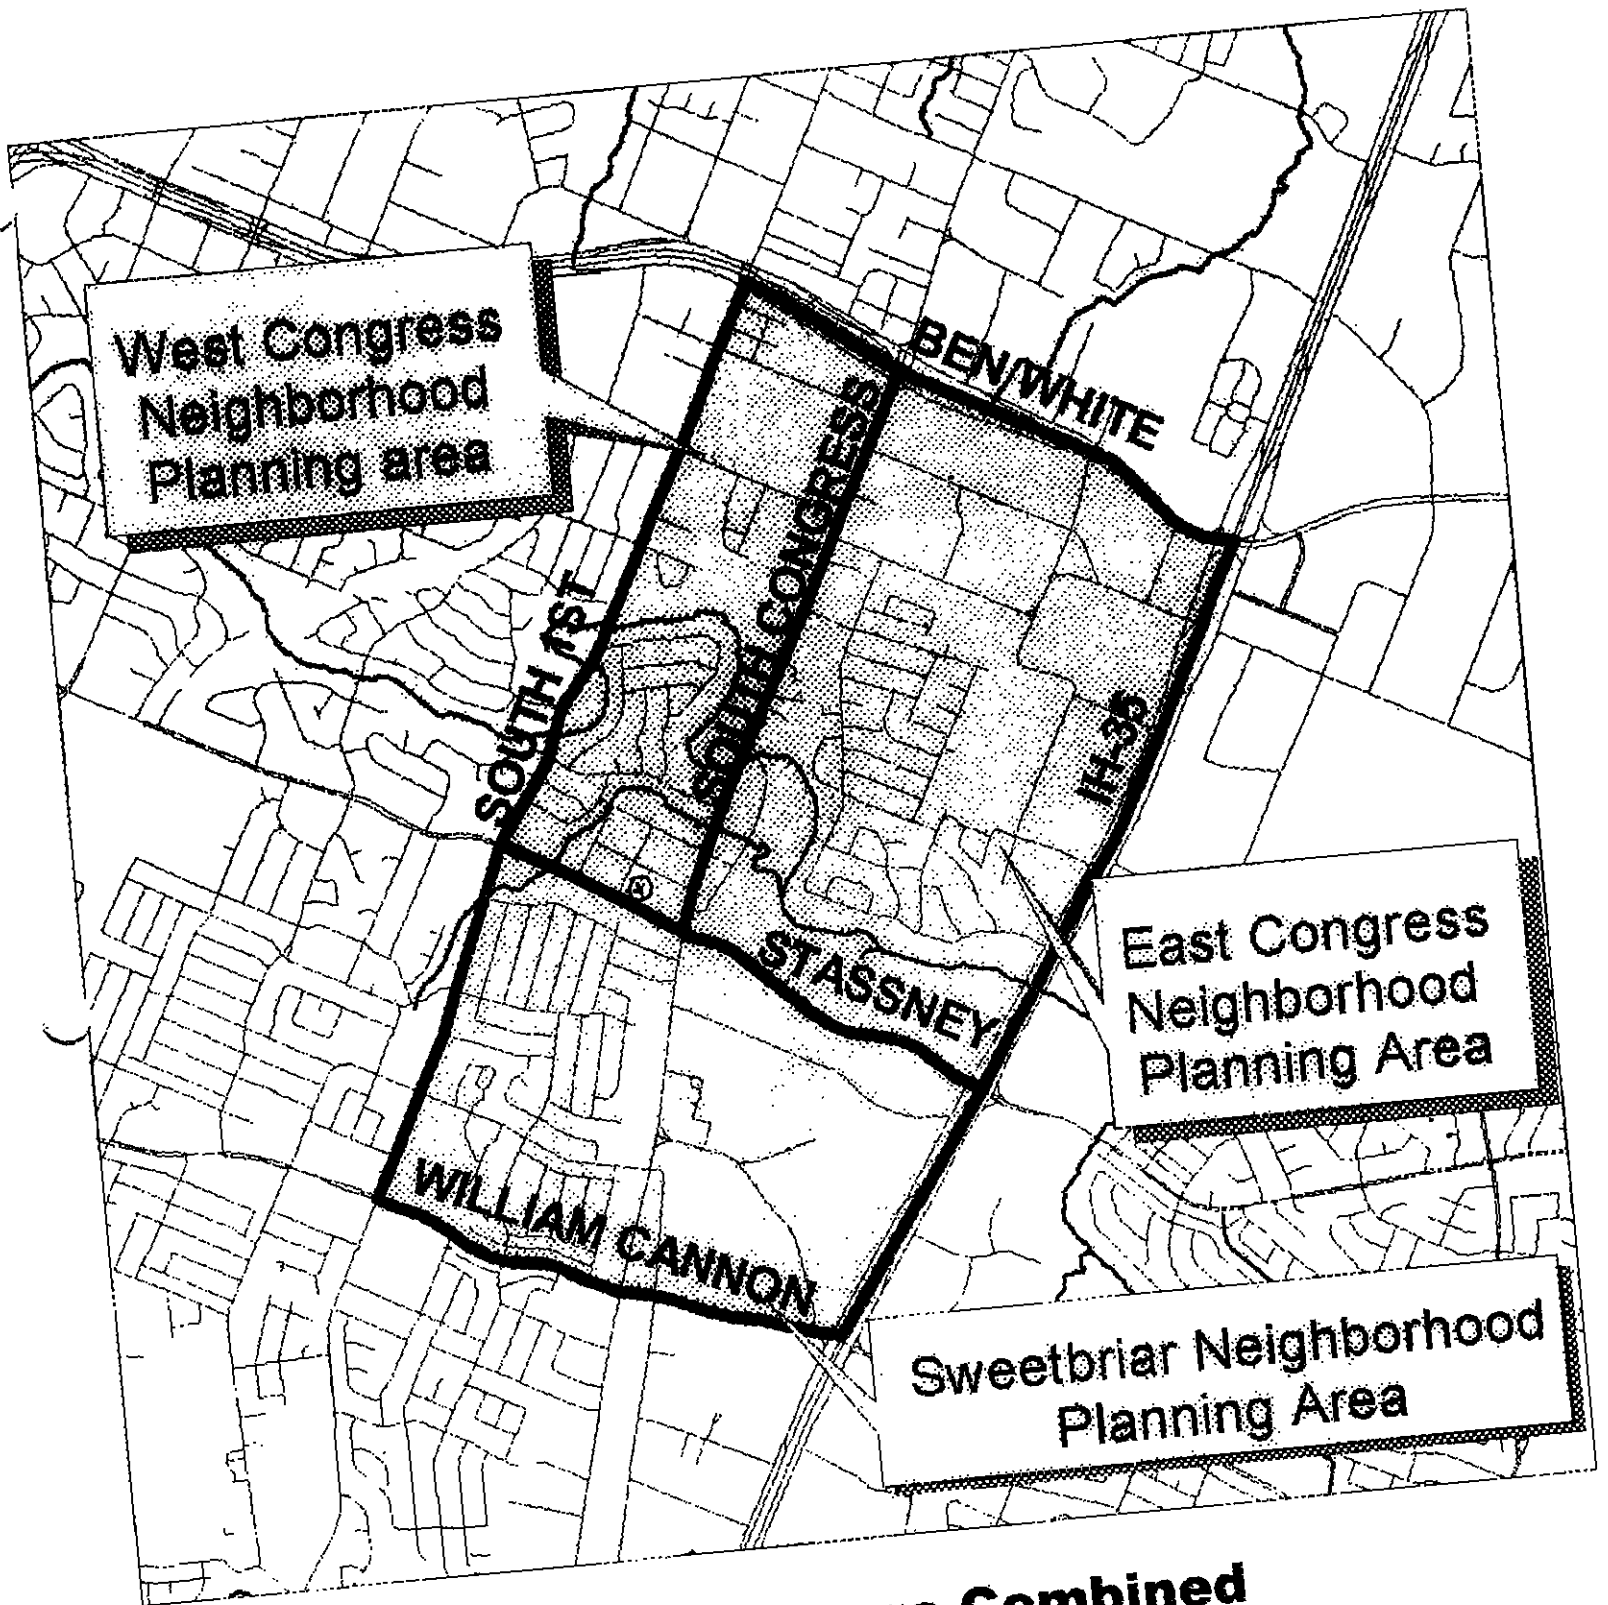

DATE OF FIRST READING: November 4, 2004, approved GR-MU-CO district zoning, on 1st Reading (6-1, Goodman – Nay).

CITY COUNCIL HEARING DATE: November 18, 2004

SUBJECT AREA (acres): 0.830				

ORDINANCE NO. _____

AN ORDINANCE REZONING AND CHANGING THE ZONING MAP FOR THE PROPERTY LOCATED AT 204-206 WEST STASSNEY LANE FROM SINGLE FAMILY RESIDENCE STANDARD LOT (SF-2) DISTRICT AND FAMILY RESIDENCE (SF-3) DISTRICT TO COMMUNITY COMMERCIAL-MIXED USE-CONDITIONAL OVERLAY (GR-MU-CO) COMBINING DISTRICT.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The zoning map established by Section 25-2-191 of the City Code is amended to change the base districts on the property described in Zoning Case No. C14-04-0118, on file at the Neighborhood Planning and Zoning Department as follows:

From single family residence standard lot (SF-2) district and family residence (SF-3) district to community commercial-mixed use-conditional overlay (GR-MU-CO) combining district.

A 0.35 acre tract of land, (15,233 sq. ft.) more or less, out of Lot 25, Block 1, Pleasant Hill Addition in Travis County, the tract of land being more particularly described by metes and bounds in Exhibit "A" incorporated into this ordinance; and

From family residence (SF-3) district to community commercial-mixed use-conditional overlay (GR-MU-CO) combining district.

Lot 26, Block 1, Pleasant Hill Addition, a subdivision in the City of Austin, Travis County, Texas, according to the map or plat of record in Plat Book 4, Page 7, of the Plat Records of Travis County, Texas, (the "Property")

locally known as 204-206 West Stassney Lane, in the City of Austin, Travis County, Texas, and generally identified in the map attached as Exhibit "B".

PART 2. The Property within the boundaries of the conditional overlay combining district established by this ordinance is subject to the following conditions:

1. A site plan or building permit for the Property may not be approved, released, or issued, if the completed development or uses of the Property, considered cumulatively

with all existing or previously authorized development and uses, generate traffic that exceeds 2,000 trips per day.

2. The following uses are prohibited uses of the Property:

Automotive rentals
Bail bond services
Consumer convenience services
Drop-off recycling collection facility
Financial services
Food sales
General retail sales (convenience)
Hotel-motel
Indoor sports and recreation
Outdoor entertainment
Pawn shop services
Personal services
Plant nursery
Research services
Restaurant (limited)
Software development
Custom manufacturing
Cultural services
Hospital services (general)

Automotive washing (of any type)
Commercial off-street parking
Consumer repair services
Exterminating services
Food preparation
Funeral services
General retail sales (general)
Indoor entertainment
Off-site accessory parking
Outdoor sports and recreation
Personal improvement services
Pet services
Printing and publishing
Restaurant (general)
Service station
Theater
Club or lodge
Guidance services
Hospital services (limited)

3. The following uses are conditional uses of the Property:

College and university facilities
Community recreation (public)
Group home (Class II)
Residential treatment

Community recreation (private)
Congregate living
Private secondary education facilities

4. Development of the Property is subject to the following limited office (LO) site development regulations:

- A. The maximum height of a building or structure is 40 feet from ground level.
- B. The maximum height of a building or structure is three stories.
- C. The minimum front yard setback is 25 feet.

2 D. The minimum interior side yard setback is five feet.

3 E. The minimum rear yard setback is five feet.

4 F. The maximum building coverage is 50 percent.

5 G. The maximum impervious cover is 70 percent.

6 H. The maximum floor-to-area ratio is 0.7 to 1.0.

7
8
9
10
11
12 Except as specifically restricted under this ordinance, the Property may be used in
13 accordance with the regulations established for the community-commercial (GR) base
14 district and other applicable requirements of the City Code.

RESTRICTIVE COVENANT

OWNER: Felix Michael Estrada and Felix A. Estrada

ADDRESS: 5509 Blue Bird Lane, Austin, Texas 78745

CONSIDERATION: Ten and No/100 Dollars (\$10.00) and other good and valuable consideration paid by the City of Austin to the Owner, the receipt and sufficiency of which is acknowledged.

PROPERTY: A 0.35 acre tract of land, (15,233 sq. ft.) more or less, out of Lot 25, Block 1, Pleasant Hill Addition in Travis County, the tract of land being more particularly described by metes and bounds in Exhibit "A" attached and incorporated into this covenant; and

Lot 26, Block 1, Pleasant Hill Addition, a subdivision in the City of Austin, Travis County, Texas, according to the map or plat of record in Plat Book 4, Page 7, of the Plat Records of Travis County.

WHEREAS, the Owner, whether one or more, of the Property and the City of Austin have agreed that the Property should be impressed with certain covenants and restrictions;

NOW, THEREFORE, it is declared that the Owner of the Property, for the consideration, shall hold, sell and convey the Property, subject to the following covenants and restrictions impressed upon the Property by this restrictive covenant. These covenants and restrictions shall run with the land, and shall be binding on the Owner of the Property, its heirs, successors, and assigns.

1. If use of the Property as an automotive repair use or an automotive sales use is discontinued for 90 consecutive days, the Owner of the Property will not object to the City of Austin rezoning the Property to limited office (LO) district as defined in Chapter 25-2 of the City Code. Normal seasonal cessation of a use, or temporary discontinuance for purposes of maintenance or rebuilding of the Property after damage or destruction may not be used in calculating of the period of discontinuance.
2. If any person or entity shall violate or attempt to violate this agreement and covenant, it shall be lawful for the City of Austin to prosecute proceedings at law or in equity against such person or entity violating or attempting to violate such agreement or covenant, to prevent the person or entity from such actions, and to collect damages for such actions.
3. If any part of this agreement or covenant is declared invalid, by judgment or court order, the same shall in no way affect any of the other provisions of this agreement, and such remaining portion of this agreement shall remain in full effect.
4. If at any time the City of Austin fails to enforce this agreement, whether or not any violations of it are known, such failure shall not constitute a waiver or estoppel of the right to enforce it.

5. This agreement may be modified, amended, or terminated only by joint action of both (a) a majority of the members of the City Council of the City of Austin, and (b) by the owner(s) of the Property subject to the modification, amendment or termination at the time of such modification, amendment or termination.

EXECUTED this the 2ND day of NOVEMBER, 2004.

ZONING CHANGE REVIEW SHEET

CASE: C14-04-0118

P.C. DATE: September 14, 2004
September 28, 2004

ADDRESS: 204 – 206 West Stassney Lane

OWNER AND APPLICANT: Felix Michael Estrada
& Felix A. Estrada

AGENT: Lenworth Consulting
(Nash Gonzales)

ZONING FROM: SF-2; SF-3

TO: GR

AREA: 0.830 acres (36,154 square feet)

SUMMARY STAFF RECOMMENDATION:

The staff recommends denial of the applicant's request for community commercial (GR) district zoning. The staff's alternate recommendation is to grant limited office – mixed use – conditional overlay (LO-MU-CO) combining district zoning. The Conditional Overlay limits development of the property to 2,000 motor vehicles per day.

PLANNING COMMISSION RECOMMENDATION:

September 14, 2004: *POSTPONED TO SEPTEMBER 28, 2004 (KEEP PUBLIC HEARING OPEN)*
VOTE: 8-0 (D.S, 1ST, JMC, 2ND)

September 28, 2004: *APPROVED GR-MU-CO WITH THE FOLLOWING CONDITIONS: 1. LO SITE STANDARDS AND USES; 2. AUTO REPAIR AND SALES ARE THE ONLY PERMITTED GR USES; 3. RESTRICTIVE COVENANT STATING OWNER WILL NOT OPPOSE REZONING TO LO WHEN USE CEASES FOR MORE THAN 90 DAYS; 4. 2,000 TRIP LIMITATION.*

VOTE: 7-0, (M.H – 1ST, D.S – 2ND; C.R - ABSENT

ISSUES:

Zoning:

The applicants and their representatives attended and discussed the proposed rezoning request at the second land use meeting for the South Congress Combined Neighborhood Planning area on Wednesday, September 22, 2004. At the meeting, the applicant proposed to limit the community commercial (GR) zoning to automotive repair and sales uses only and all limited office (LO) uses, and enter into a Restrictive Covenant with the City to allow for a roll back to LO zoning to occur should the auto repair and sales business cease for more than 90 days. The applicant's proposal was also previously mentioned to staff. The consensus of the neighborhood attendees was to support the applicant's proposal for GR-CO zoning on the bases that: 1) the business operations are not prominently situated on Stassney Lane and 2) it allows for the existing business to continue and be compliant with the City Code, while also limiting its scope and addressing a roll back should the use cease. A representative of the Far South Austin Community Association telephoned staff and stated her preference for LO zoning.

The subject properties are located within the South Congress Combined Neighborhood Plan Area and are in close proximity to the core of the West Congress planning area, defined as the intersection of Congress Avenue and Stassney Lane. Participants of the Neighborhood Plan process have noted the number of automotive uses along Stassney Lane and Congress Avenue, and expressed their desire to

limit the number of rezonings that would permit new automotive businesses. The participants have indicated their general support for LO district zoning along this segment of Stassney Lane.

Permit Records and Code Enforcement

The applicant has provided a Texas Sales and Use Tax Permit for Estrada Automotive with an effective date of April 1, 1986 and an expiration date of March 11, 1990. The Permit, however, is listed for 5509 Blue Bird Lane, rather than the Stassney Lane addresses. The applicant has also submitted an Assumed Name Certificate for Michael Estrada of Estrada Automotive, also at 5509 Blue Bird Lane for an auto repair business. The owner and applicant resides at 5509 Blue Bird Lane and the property is zoned single family residence (SF-2) district. No records have been provided that show the business operating at the Stassney Lane addresses. Please refer to Attachment B.

Although the properties are developed with an automotive repair and automotive sales business, the only two building permit records that are available on the subject properties were taken out in 1979 and 1980 to "repair and remodel residence to minimum standards." A previous rezoning case in 1973 at 204 Stassney Lane did not indicate the presence of either automotive repair or automotive sales uses on the property. [Further details of the 1973 case is provided in the Related Cases section on Page 3.] In addition, a check of City directories between 1985 and 1996 did not show any automotive repair business listed along the 100 – 300 block of Stassney Lane. The staff has been unable to establish the existing automotive uses at the Stassney Lane location prior to annexation into the City limits in October 1969 and thus, they are considered illegal.

A request for the initiation of Code Enforcement on the east part of the rezoning area (204 Stassney Lane) was made by an anonymous complainant in November 2003. Subsequently, in January 2004, the City identified the need for Code Enforcement activities on the west part of the rezoning area (206 Stassney Lane). The applicants have responded by filing this rezoning application for community commercial (GR) zoning in order to bring the existing automotive repair and sales uses on the property into compliance with the City's Land Development Code. The case histories of Code Enforcement activities for each address are provided in Attachment A.

The applicant would like to discuss the staff's recommendations.

DEPARTMENT COMMENTS:

The subject two properties are developed with an automotive repair and automotive sales business, and are zoned SF-3 and SF-2 districts. Access to the property is taken to West Stassney Lane, a major arterial roadway. The surrounding area includes a mix of residential and commercial land uses. On the north side of Stassney Lane between Congress Avenue and Blue Bird Lane, there is also an undeveloped property that was previously developed with a service station, as well as an equipment rental company, convenience storage (zoned CS), a child care facility and two single family residences (LO). With the exception of the rezoning tracts, the general land use pattern may be defined as commercial uses at the corner of Congress and Stassney with a transition to office and residential uses as Stassney extends west to Blue Bird and Hummingbird Lanes. North of the rezoning tracts, along Red Bird Lane, there are single family residences, undeveloped property, a construction business, a cocktail lounge and pawn shop services (SF-3, SF-2, SF-6, MF-3, CS-1, CS-CO, CS). Please refer to Exhibits A (Zoning Map) and A-1 (Aerial View).

The applicant proposes to rezone the property to the GR district in order to bring the existing automotive uses into compliance with the City's Land Development Code. Staff is unable to recommend the applicant's request due to the potential illegal nature of the businesses, proximity to residential uses and expressed vision for this segment of Stassney Lane in the neighborhood planning

process. The staff offers an alternate recommendation of LO-MU-CO district zoning that would be consistent with the surrounding zoning and land use character, and appropriate along an arterial roadway. The CO would limit development of the property to 2,000 motor vehicles per day.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	SF-3; SF-2	Automotive sales and automotive repair use
<i>North</i>	SF-2; SF-3; SF-6; MF-3; SF-4A;	Single family residences; Undeveloped; Construction business; Apartments
<i>South</i>	SF-6-CO; MF-3; GR; CS-1; CS; SF-3	Undeveloped; Automotive washing; Convenience storage; Liquor store; Single family residences
<i>East</i>	LO; CS; CS-CO; CS-1;	Child care; Convenience storage; Equipment rental; Undeveloped; Pawn shop services; Vehicle storage; Cocktail lounge; Automotive sales
<i>West</i>	SF-2; LO; SF-3;	Single family residences; Child care; Undeveloped

CASE HISTORIES:

NUMBER	REQUEST	COMMISSION	CITY COUNCIL
C14-03-0056	SF-3 to CS-CO	To Grant CS-CO with conditions	Approved CS-CO with CO for 2,000 trips; list of prohibited and conditional uses; a 6' solid fence is required to screen outside storage areas. RC specifying that vehicle storage is a prohibited use except in conjunction with the

			adjacent pawn shop use (8-28-03).
C14-00-2115	SF-2 to SF-4A	To Grant SF-4A	Approved SF-4A (2/15/01).

RELATED CASES:

The rezoning area consists of Lot 26, Block 1 of Pleasant Hill Addition and a portion of Lot 25 of the same subdivision and was recorded in 1937 (C8-1937-1514). Please refer to Exhibit B.

In 1973, a previous property owner requested GR zoning for 204 Stassney Lane. The Planning Commission recommended BB, Residence, First Height and Area zoning subject to a six foot tall privacy fence along the north and west boundaries of the tract. (BB, First Height and Area converted to multi-family residence – low density (MF-2) district zoning in 1986.) The applicant withdrew the rezoning application prior to City Council consideration and thus, the tract remained zoned A, Residence, First Height and Area (converted to SF-3).

There are no related site plan applications on the subject property.

ABUTTING STREETS:

STREET	RIGHT-OF-WAY	PAVEMENT WIDTH	CLASSIFICATION
Stassney Lane	100 feet	2 @ 24 feet	Major Arterial

- There are existing sidewalks along Stassney Lane.
- Stassney Lane is classified in the Bicycle Plan as a Priority 1 bike route. (Route #79)
- Capital Metro bus service is not available within ¼ mile of this property.

CITY COUNCIL DATE: November 4, 2004 **ACTION:** Approved GR-MU-CO district zoning as Planning Commission recommended, on 1st Reading (6-1, Goodman – Nay)

SUMMARY STAFF RECOMMENDATION:

The staff recommends denial of the applicant's request for community commercial (GR) district zoning. The staff's alternate recommendation is to grant limited office – mixed use – conditional overlay (LO-MU-CO) combining district zoning. The Conditional Overlay limits development of the property to 2,000 motor vehicles per day.

BACKGROUND

The subject two properties are developed with an automotive repair and automotive sales business, and are zoned SF-3 and SF-2 districts. Access to the property is taken to West Stassney Lane, a major arterial roadway. The surrounding area includes a mix of residential and commercial land uses. On the north side of Stassney Lane between Congress Avenue and Blue Bird Lane, there is also an undeveloped property that was previously developed with a service station, as well as an equipment rental company, convenience storage (zoned CS), a child care facility and two single family residences (LO). With the exception of the rezoning tracts, the general land use pattern may be defined as commercial uses at the corner of Congress and Stassney with a transition to office and residential uses as Stassney extends west to Blue Bird and Hummingbird Lanes. North of the rezoning tracts, along Red Bird Lane, there are single family residences, undeveloped property, a construction business, a cocktail lounge and pawn shop services (SF-3, SF-2, SF-6, MF-3, CS-1, CS-CO, CS).

The applicant proposes to rezone the property to the GR district in order to bring the existing automotive uses into compliance with the City's Land Development Code. Staff is unable to recommend the applicant's request due to the potential illegal nature of the businesses, proximity to residential uses and expressed vision for this segment of Stassney Lane in the neighborhood planning process. The staff offers an alternate recommendation of LO-MU-CO district zoning that would be consistent with the surrounding zoning and land use character, and appropriate along an arterial roadway. The CO would limit development of the property to 2,000 motor vehicles per day.

BASIS FOR LAND USE RECOMMENDATION (ZONING PRINCIPLES)

1. *The proposed zoning should be consistent with the purpose statement of the district sought.*

The purpose statement per the City of Austin Land Development Code states: "The proposed GR, Community Commercial district is intended for office and commercial uses serving neighborhood and community needs, including both unified shopping centers and individually developed commercial sites, and typically requiring locations accessible from major trafficways."

2. *Zoning changes should promote compatibility with adjacent and nearby uses.*

Staff is unable to recommend the applicant's request due to the potential illegal nature of the businesses, proximity to residential uses and expressed vision for this segment of Stassney Lane in the neighborhood planning process. The staff offers an alternate recommendation of LO-MU-CO district zoning that would be consistent with the surrounding zoning and land use character, and appropriate along an arterial roadway. The CO would limit development of the property to 2,000 motor vehicles per day.

EXISTING CONDITIONS**Site Characteristics**

The site is developed with an automotive sales and automotive repair use. There appear to be no significant topographical constraints on the site.

Impervious Cover

The maximum impervious cover allowed by the GR zoning district would be 80%, which is based on the more restrictive watershed regulations described below.

Environmental

The site is not located over the Edward's Aquifer Recharge Zone. The site is in the Williamson Creek Watershed of the Colorado River Basin, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Net Site Area</i>	<i>% with Transfers</i>
Single-Family (minimum lot size 5750 sq. ft.)	50%	60%
Other Single-Family or Duplex	55%	60%
Multifamily	60%	70%
Commercial	80%	90%

In the Water Quality Transition Zones, impervious cover is limited to 30%.

According to flood plain maps, there is no flood plain in, or within close proximity of, the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding existing trees and other vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment on this site will be subject to the following water quality control requirements:

Structural controls: Sedimentation and filtration basins with increased capture volume and 2 year detention.

At this time, no information has been provided as to whether this property has any pre-existing approvals which preempt current water quality or Code requirements.

Transportation

No additional right-of-way is needed at this time.

The trip generation under the requested zoning is estimated to be 3,560 trips per day, assuming that the site develops to the maximum intensity allowed under the zoning classification (without consideration of setbacks, environmental constraints, or other site characteristics).

A traffic impact analysis was waived for this case because the applicant agreed to limit the intensity and uses for this development. If the zoning is granted, development should be limited through a conditional overlay to less than 2,000 vehicle trips per day. [LDC, 25-6-117]

TPSD Right-of-Way

The scope of this review is limited to the identification of needs for dedication and/or reservation of right-of-way for funded Capital Improvement Program (C.I.P.) Roadway Construction Projects and Transportation Systems Management (T.S.M.) Projects planned for implementation by the City of Austin. No aspect of the proposed project is being considered or approved with this review other than the need for right-of-way for City projects. There are separate right-of-way dedication and reservation requirements enforced by other Departments and other jurisdictions to secure right-of-way for roadway improvements contained in the Austin Metropolitan Area Roadway Plan, roadway projects funded by County and State agencies, and for dedication in accordance with the functional classification of the roadway.

We have reviewed the proposed rezoning case and anticipate no additional requirement for right-of-way dedication or reservation for funded C.I.P. or T.S.M. projects at this location.

Water and Wastewater

The landowner intends to serve the site with City water and wastewater utilities. If water or wastewater utility improvements, or system upgrades, or offsite main extension, or utility relocation, or utility adjustment are required, the landowner will be responsible for all costs and providing. Also, the water and wastewater utility plan must be reviewed and approved by the Austin Water Utility. The plan must be in accordance with the City of Austin design utility criteria and specifications.

Compatibility Standards

This site is in the proposed West Congress Neighborhood Plan.

The site is subject to compatibility standards. Along the north, east and the west property line, the following standards apply:

- No structure may be built within 25 feet of the property line.
- No structure in excess of two stories or 30 feet in height may be constructed within 50 feet of the property line.
- No structure in excess of three stories or 40 feet in height may be constructed within 100 feet of the property line.
- No parking or driveways are allowed within 25 feet of the property line.
- In addition, a fence, berm, or dense vegetation must be provided to screen adjoining properties from views of parking, mechanical equipment, storage, and refuse collection.

Additional design regulations will be enforced at the time a site plan is submitted.

NEIGHBORHOODS FIRST

September 2, 2004

Dear South Congress Combined Planning Area Resident, Property Owner, or Business Owner:

We invite you to attend our second land use meeting for the South Congress Combined Neighborhood Planning area.

Date: Wednesday, September 22, 2004

Time: 6:00PM –8:00PM

Location: Bedichek Middle School, 6800 Bill Hughes Rd.

At this meeting, we will

- Review land use planning basics and answer any questions you may have
- Complete the land use brainstorming exercise begun at Land Use Meeting #1—this exercise assigns possible future land uses (commercial, single-family, mixed-use, etc.) to various tracts in the area
- Briefly preview what's to come in future land use planning meetings, including how the results of this land use exercise will be incorporated into future land use map scenarios.

Visit our website and review the basics of land use planning basics. See the "Educational Guide to Land Use", located at: <http://www.ci.austin.tx.us/zoning/library.htm>

Also, mark your calendars for **Wednesday, October 13, 2004**—our third land use-planning meeting where the goal will be to finalize a draft Future Land Use Map (FLUM). This will be held at Bedichek Middle School and is tentatively scheduled to run from 6:00 PM to 8:00 PM.

More information about neighborhood planning in the South Congress Planning Area can be found at www.ci.austin.tx.us/zoning/sccp.htm. You can also contact Annick Beaudet by phone at 974-2975 or email at annick.beaudet@ci.austin.tx.us, Mark Walters 974-7695 or mark.walters@ci.austin.tx.us, or Kathleen Welder 974-7659 or kathleen.welder@ci.austin.tx.us.

We encourage you to take this opportunity to influence the future growth and development of your part of the city. Thank you for your time and participation.

Sincerely,

Annick Beaudet Mark Walters Kathleen Welder
Neighborhood Planning and Zoning Department

The boundaries of the South Congress Combined Neighborhood Planning Area are:
Ben White Blvd to the north; William Cannon Blvd to the south; Interstate Highway 35 to the east; and
South 1st St to the west.

MEETING SUMMARY

Approved by PC 9/28/04

CITY PLANNING COMMISSION

September 14, 2004

One Texas Center

505 Barton Springs Road

Conference Room 325

CALL TO ORDER – 6:00 P.M. *COMMENCE 6:10PM; ADJOURN ~11:30PM*

_____ John-Michael Cortez

_____ Matthew Moore, Secretary

_____ Cid Galindo

_____ Jay Reddy

_____ Matt Hollon, Asst. Secretary

_____ Chris Riley, Chair

_____ Cynthia Medlin, Vice-Chair

_____ Dave Sullivan, Parliamentarian

A. REGULAR AGENDA

EXECUTIVE SESSION (No public discussion)

The Planning Commission will announce it will go into Executive Session, if necessary, pursuant to Chapter 551 of the Texas Government Code, to receive advice from Legal Counsel on matters specifically listed on this agenda. The Planning Commission may also announce it will go into Executive Session, if necessary, to receive advice from Legal Counsel regarding any other item on this agenda.

Private Consultation with Attorney – Section 551.071

CITIZEN COMMUNICATION:

1. The first four (4) speakers signed up to speak will each be allowed a three-minute allotment to address their concerns regarding items *not* posted on the agenda.

NO SPEAKERS

APPROVAL OF MINUTES

2. Approval of minutes from August 10, 2004 and August 24, 2004.

MOTION: APPROVE BY CONSENT

VOTE: 6-0 (DS-1st, JMC-2nd; JR, MH, DS- ARRIVED LATE)

DISCUSSION AND ACTION

MEETING SUMMARY

Approved by PC 9/28/04

**3. Briefing on the
Staff
Recommendations
for the Rainey
Street Area:**

Request: Review and Comment on Staff Recommendations
Staff: George Adams, 974-2146, george.adams@ci.austin.tx.us
Jana McCann, 974-6096, jana.mccann@ci.austin.tx.us
Transportation, Planning and Sustainability

George Adams briefed the Commission.

SEE ITEM 9 FOR DISCUSSION OF PROPOSAL AND RELATED ZONING CASES

4. Rezoning: C14-04-0117 - 509 Radam Lane
 Location: 509 Radam Lane, Williamson Creek Watershed, South Congress
 Combined (West Congress) NPA
 Owner/Applicant: Mark A. Macaulay
 Agent: Lenworth Consulting (Nash Gonzales)
 Request: SF-3 to GR-CO
 Staff Rec.: **Recommended.**
 Staff: Wendy Walsh, 974-7719, wendy.walsh@ci.austin.tx.us
 Neighborhood Planning and Zoning

Commissioner Sullivan commented that the address should not be for street that access is not taken to.

MOTION: APPROVE STAFF RECOMMENDATION

VOTE: 8-0 (DS-1st, MM-2nd)

5. Rezoning: C14-04-0118 - 204 - 206 Stassney Lane West
 Location: 204 - 206 Stassney Lane West, Williamson Creek Watershed, South
 Congress Combined (West Congress) NPA
 Owner/Applicant: Felix A. Estrada and Felix Michael Estrada
 Agent: Lenworth Consulting (Nash Gonzales)
 Request: SF-2; SF-3 to GR-CO
 Staff Rec.: **Not recommended.**
 Staff: Wendy Walsh, 974-7719, wendy.walsh@ci.austin.tx.us
 Neighborhood Planning and Zoning

Wendy Walsh presented the staff recommendation.

**PUBLIC HEARING
FOR**

Jim Bennett, representing the owner, said the owner would like to continue to operate his business. They bought the property in the 1970s, and have documents from the state and county

MEETING SUMMARY

Approved by PC 9/28/04

showing that they have operated a auto repair business there since 1985, somewhat contrary to City zoning codes. The staff recommendation for office zoning does not help his client. It is a home grown automobile shop. He needs GR zoning to continue his business. The owners live next to the property- this is not a major operation. With the office zoning, they would have to discontinue their business. Stassney Lane is 100 feet of ROW- it is a major trafficway. He is not opposed to rolling back the zoning if the auto use is discontinued. The owner can continue the business with a temporary GR zoning, that would be changed with the NP rezonings.

Commissioner Cortez said an alternative to the temporary GR zoning would be to permit GR-CO, with auto repair and LO uses. Mr. Bennett said that would be fine too, but also would need automotive sales.

AGAINST

Betty Edgemond said Stassney is an arterial, but with low density development. It is single-family all the way. They do not have GR zoning at the major intersections of Stassney and other arterials. Someone applied for GR zoning at South 1st and Stassney and that was turned down by ZAP and Council. Congress has junkyard, but Stassney is a different road. Auto sales are near a daycare center- this is not planning. They do not want GR zoning in the middle of a single-family zoned block. The neighborhood does not need more auto repair. She is definitely against auto sales. They want the area to be cleaned-up. There are houses selling for \$300,000. She proposed to make his use condition and requested a postponement to September 22 to allow the neighborhood to discuss the case at the neighborhood planning meeting.

Ronny Hoff, resident on Mockingbird Lane since 1975, said he's never seen an automotive place on the property. He would not have objection to let him continue business, but to rezone, don't need that use around homes. There is a building vacant nearby that could be used for auto repair instead.

Commissioner Medlin asked Mr. Hoff what he would recommend and he said single-family zoning.

REBUTTAL

Mr. Bennett said that there are non-residential uses along Stassney Lane. He reiterated that low-key auto repair is operated on-site, as has been done for the past 20 years.

Commissioner Medlin said that if the property is rezoned to GR, another owner could come in and start an auto repair business. Mr. Bennett replied saying that because of the size of the site, there will not be a large operation. He has no problem with a restrictive covenant to prohibit additional GR buildings. If he is currently not exceeding LO site standards, would not have a problem with that restriction either. At this point he is guessing that they comply with building coverage restrictions.

Ms. Edgemond, in reply to Commissioner Sullivan, said she does not near the property.

Commissioner Sullivan asked why there is not an adjacent property owner here to oppose this.

MEETING SUMMARY

Approved by PC 9/28/04

Ms. Edgemond said because they too have many illegal uses. They too need GR zoning. Car sales and repair are a big problem.

Commissioner Hollon asked what the precedent/policy is regarding illegal uses. Ms. Walsh said that an amnesty Certificate of Occupancy can be granted if proof of business operating for many years.

Commissioner Sullivan wondered if the case was postponed if it was possible for the owner to receive the amnesty CO. Commissioner Hollon said it would give time too to allow the neighborhood planning meeting to occur. Mr. Bennett said that he has no problem with restrictive covenant to limit the number of cars that can be sold- like four at a time.

MOTION: POSTPONE TO SEPTEMBER 28, 2004 (KEEP PUBLIC HEARING OPEN)

VOTE: 8-0 (DS-1st, JMC-2nd)

Commissioner Sullivan said he was in favor of mixed-use. Commissioner Cortez said that he does not like auto uses, but does not want to put people out of business.

~~6. **Rezoning:** C14-04-0130 - Oriens Park
Location: 4901-5425 E. 51st Street, Walnut & Little Walnut Watershed, Pecan Springs/Springdale NPA

DISCUSSION AND ACTION

- 3. Rezoning:** **C14-04-0118 - 204 - 206 Stassney Lane West**
Location: 204 - 206 Stassney Lane West, Williamson Creek Watershed, South Congress Combined (West Congress) NPA
Owner/Applicant: Felix A. Estrada and Felix Michael Estrada
Agent: Lenworth Consulting (Nash Gonzales)
Request: SF-2; SF-3 to GR-CO
Staff Rec.: **Not recommended. Alternate staff recommendation is LO-MU-CO**
Staff: Wendy Walsh, 974-7719, wendy.walsh@ci.austin.tx.us
 Neighborhood Planning and Zoning

Wendy Walsh presented the staff recommendation. She said the applicant did attend the September 22 neighborhood planning land use meeting. There was consensus to support the applicant's request with the condition that only auto repair and sales be the two GR uses permitted, and that the owner would not object to rollback of zoning to LO. She said that the City still considers the auto repair and sales uses to be illegal.

Commissioner Sullivan brought up the issue of the property address being different from the access taken and asked if it was the owner's intent to have business recognized as on Bluebird.

Jim Bennett, the applicant's representative, said the mailing address is Bluebird Lane. They did attend the neighborhood plan steering committee and they support the zoning. There is no opposition from adjacent property owners. Mr. Bennett said that the president of the neighborhood association was present at the last Planning Commission meeting and he is now okay with the requested zoning.

Commissioner Medlin what would be allowed if the site was fully developed to GR. Ms. Walsh stated what the GR site development and compatibility regulations would be. Commissioner Moore asked if the applicant would have to submit site plan before construction and Ms. Walsh said yes.

Commissioner Reddy asked if condition can be imposed to limit impervious cover to the existing impervious cover. Ms. Walsh said yes but a survey would need to be requested.

Commissioner Medlin clarified with staff that the rollback zoning could be initiated after the use, not this particular business, ceases for more than 90 days.

Commissioner Reddy asked why the neighborhood would want the rollback provision instead of just planning on rezoning the property to LO zoning during the neighborhood planning rezonings. Commissioner Sullivan said that the business could continue as a legal non-conforming use.

MOTION: CLOSE PUBLIC HEARING

VOTE: 7-0 (MH-1st, DS-2nd; CR-ABSENT)

Commissioner Hollon made a motion. Commissioner Sullivan requested that the motion be amended to allow mixed-use and to limit site development regulations to LO standards. Those were accepted. Commissioner Reddy requested that the impervious cover be limited to existing

impervious cover on the site. Commissioner Sullivan said that the problem with that is that the neighborhood wants LO zoning – limiting the impervious cover may not allow the LO development. In addition, it might not be appropriate for auto repair to operate on the grass-allowing additional impervious cover will allow the auto repair to occur on pavement.

Mr. Bennett said that the LO standards may not be enough for the all the development requirements. For instance with impervious cover limited, may not be able to provide the minimum required amount of parking spaces.

Commissioner Hollon said that if there are no plans for changing the site, does the owner need to upgrade the site. He clarified that a site plan will have to be submitted if the owner wants to add on.

Commissioner Medlin pointed out that she asked the president of the neighborhood association at the last Commission meeting what his preference was, and he said single-family. She does not think the neighborhood understands what GR development would look like.

MOTION: APPROVE GR-MU-CO WITH THE FOLLOWING CONDITIONS:

- 1. LO SITE STANDARDS AND USES**
- 2. AUTO REPAIR AND SALES ONLY PERMITTED GR USES**
- 3. RESTRICTIVE COVENANT STATING OWNER WILL NOT OPPOSE REZONING TO LO WHEN USE CEASES FOR MORE THAN 90 DAYS.**
- 4. 2000 TRIP LIMITATION.**

VOTE: 7-0 (MH-1st, DS-2nd; CR-ABSENT)

4. Zoning: C14-04-0122 - Tuttle
Location: 1111 West 7th Street, Town lake Watershed, Old West Austin NPA
Owner/Applicant: Tyson Tuttle
Agent: Crocker Consultants (Sarah Crocker)
Request: MF-4 to SF-3 and SF-5
Staff Rec.: **RECOMMENDED**
Staff: Glenn Rhoades, 974-2775, glenn.rhoades@ci.austin.tx.us
Neighborhood Planning and Zoning

Commissioner Hollon asked about Ms. Schwitters' concerns about alley access that she raised in her email. Glenn Rhoades said that the site plan stage they will look at the alley access issues, but generally a developer does not have to upgrade the alley if taking access to it.

Commissioner Hollon asked how many units are permitted on the site. **Sarah Crocker** presented the applicant's case and said that at the back of the lot they could not really fit more than 3 units. She explained that the applicant is requesting SF-5 because SF-6 triggers compatibility standards.

Commissioner Sullivan asked why there is a 30 foot height limit. Ms. Crocker said a nearby condo owner expressed concerns about the height and affect on the views and so Mr. Tuttle agreed to limit the height.
