### **SUMMARY STAFF RECOMMENDATION:**

### **ZONING AND PLATTING COMMISSION RECOMMENDATION:**

8/3/04: Postponed to September 21, 2004 by Applicant (8-0, J. Pinnelli-absent); J. Martinez-1<sup>st</sup>, J. Gohil-2<sup>nd</sup>.

9/21/04: Approved staff's recommendation by consent (7-0, K. Jackson-off dias, J. Gohil-absent); J. Martinez-1<sup>st</sup>, M. Whaley-2<sup>nd</sup>.

**DEPARTMENT COMMENTS:**

The applicant is requesting changes to the public restrictive covenant for the Avery Ranch PUD to clarify or delete some of the original conditions of the covenant (Request Letter-Attachment A). Through this request, the applicant has asked to remove a portion of Section 3 of the covenant because the Williamson County Development District No.2 was never formed and therefore there have been no proceeds generated from this entity. The applicant is also requesting changes to Section 4 of the covenant to allow for the dedication of the 37.5 acres of future parkland land to be dedicated to the City of Austin no later than January 1, 2006. This dedication date has been changed because there is a need to conduct remediation for a cattle dipping vat on the site. In addition, the applicant is requesting to convey this land to a third party so that this third party can hold title to the land in order for it to be used as a "match" for obtaining grants. Finally, the applicant is adding a wording to Section 4 to state that the land to be dedicated to the City of Austin will include the strip of property between the 37.5 acre tract and Brushy Creek.

The staff is recommending these requests because they are consistent with changes that are proposed by the applicant for an amendment to Part 10 of the Avery Ranch PUD ordinance (Case C814-99-0001.03). The applicant has been working with the City of Austin Parks and Recreation Department concerning the proposed amendments for months. PARD is supportive of these clarifications to parkland issues (Attachment B).

The applicant agrees with the staff's recommendation.

Re: AVERY RANCH: Restrictive Covenant Amendment and Avery  
 Ranch PUD Amendment Zoning Case C814-99-0001

Dear Joe:

We are requesting to amend the restrictive covenant and PUD Ordinance associated with the Avery Ranch PUD (C814-99-0001). The purpose of the amendment is to clarify and or delete some provisions that were originally agreed to.

1. **Restrictive Covenant.**

(a) Changes to Section 3 of the Restrictive Covenant are summarized as follows:

The provision for 5% of bond proceeds issued by Williamson County Development District No. 2, up to a maximum of \$500,000, to be used for trail and related purposes has been deleted.

*Reason:* That CDD was never formed, and therefore, there are no proceeds.

(b) Changes to Section 4 of the Restrictive Covenant are summarized as follows:

The date of dedication of the 37.5 acres of land has been amended to no later than January 1, 2005.

*Reason:* Dedication has been delayed (i) to allow for remediation of a cattle dipping vat, and (ii) to obtain these amendments so that the land can be conveyed to a third party as set forth below.

The Owners are permitted to convey the land to a third-party trustee.

*Reason (Short answer):* The restrictive covenant did not permit conveyance to a third-party. It is necessary for a third party to hold title to the land in order for it to be used as "match" for obtaining grants.

The land to be dedicated includes the strip between the 37.5  
acre tract and Brushy Creek.

*Reason:* Request of PARD.

2. **PUD Ordinance.** The proposed change is to Part 10 of the PUD Ordinance to clarify that the land can be conveyed to a third party trustee and that the deadline for conveyance is no later than January 1, 2005 (this will conform the PUD Ordinance to the amendments to the restrictive covenant).

Representatives of the Avery Ranch owners have had numerous meetings with Sarah Campbell with the City of Austin Parks Department. Ms. Campbell has reviewed the proposed restrictive covenant and PUD ordinance amendment, and it is my understanding that she is satisfied with it, although she may be waiting on a final "blessing" from Raul Calderon in Legal.

Please call me if you have any questions or comments.

Very truly yours,

Timothy C. Taylor

## MEMORANDUM

**TO:** Sherri Gager, Case Manager  
NPZD

**FROM:** Sarah Campbell  
Parks and Recreation Department

**DATE:** July 29, 2004

**SUBJECT:** Avery Ranch Restrictive Covenant Amendment

The Parks and Recreation Department (PARD) has been working with representatives of Avery Ranch development for a long time toward the proposed Avery Ranch Restrictive Covenant amendments. Staff wants to clarify our understanding of the proposals.

- ☐ Proposed amendments clarify that the 37.5 acres required to be dedicated to the City as parkland may first be conveyed to a non-profit, third party trustee (approved by PARD), for purposes of facilitating grant applications, as long as the conveyance requires re-conveyance to the City or to another City-approved governmental entity for public park use no later than January 1, 2006.
- ☐ Proposed amendments also include the conveyance as parkland, concurrently and in the same manner as the 37.5 acres except that re-conveyance shall be to Williamson County, of approximately 16 acres along the north boundary of the Avery Ranch East subdivisions.

Please see my related memorandum on the subject of the Avery Ranch PUD Amendment.
