**CITY OF AUSTIN**

**RECOMMENDATION FOR COUNCIL ACTION**

**AGENDA ITEM NO.: 38**

**AGENDA DATE: Thu 08/25/2005**

**PAGE: 1 of 1**

**SUBJECT:** C14-05-0065.SH - Harris Branch Apartments - Approve second/third readings of an ordinance amending Chapter 25-2 of the Austin City Code by zoning property locally known as 12317 Dessau Road (Harris Branch Watershed) from interim-rural residence (I-RR) district to multi-family residence-low density-conditional overlay (MF-2-CO) combining district zoning with conditions. First reading approved on August 18, 2005. Vote: 7-0. Applicant: Dessau 21, Ltd. (Paul Joseph). Agent: Thrower Design (Ron Thrower). City Staff: Sherri Sirwaitis, 974-3057.

**REQUESTING** Neighborhood Planning  
**DEPARTMENT:** and Zoning

**DIRECTOR'S**  
**AUTHORIZATION:** Greg Guernsey

## **SECOND/THIRD READING SUMMARY SHEET**

**ZONING CASE NUMBER:** C14-05-0065.SH

**REQUEST:**

Approve second/third readings of an ordinance amending Chapter 25-2 of the Austin City Code, zoning the property locally known as 12317 Dessau Road from I-RR, Interim-Rural Residence District, zoning to MF-2-CO, Multifamily Residence-Low Density-Conditional Overlay District, zoning.

The Ordinance reflects those conditions imposed by Council on 1<sup>st</sup> reading.

**PROPERTY OWNER:** Dessau 21, Ltd. (Paul Joseph)

**AGENT:** Thrower Design (Ron Thrower)

**DEPARTMENT COMMENTS:**

The property in question is undeveloped and moderately vegetated. This tract of land was annexed by the City of Austin on June 23, 2005. The applicant would like to zone the property to MF-2, Multifamily Residence-Low Density District, to develop a 248-unit apartment complex on the site. This is proposed to be a TDHCA tax credit development serving families at or below 60% median family income. The applicant has met the Neighborhood Housing and Community Development Department's requirements for S.M.A.R.T. Housing Certification (NHCD Memo-Attachment A).

The staff recommends MF-2-CO, Multifamily Residence-Low Density-Conditional Overlay District, zoning for the property in question. The proposed MF-2-CO zoning is compatible with the surrounding uses because the property is located between a manufactured home park to the north and four single-family residences to the south. MF-2-CO zoning will provide for a variety of housing opportunities in this area of the city near major employers such as Dell Computers and Samsung Electronics.

The applicant agrees with the City Council's recommendation at first reading.

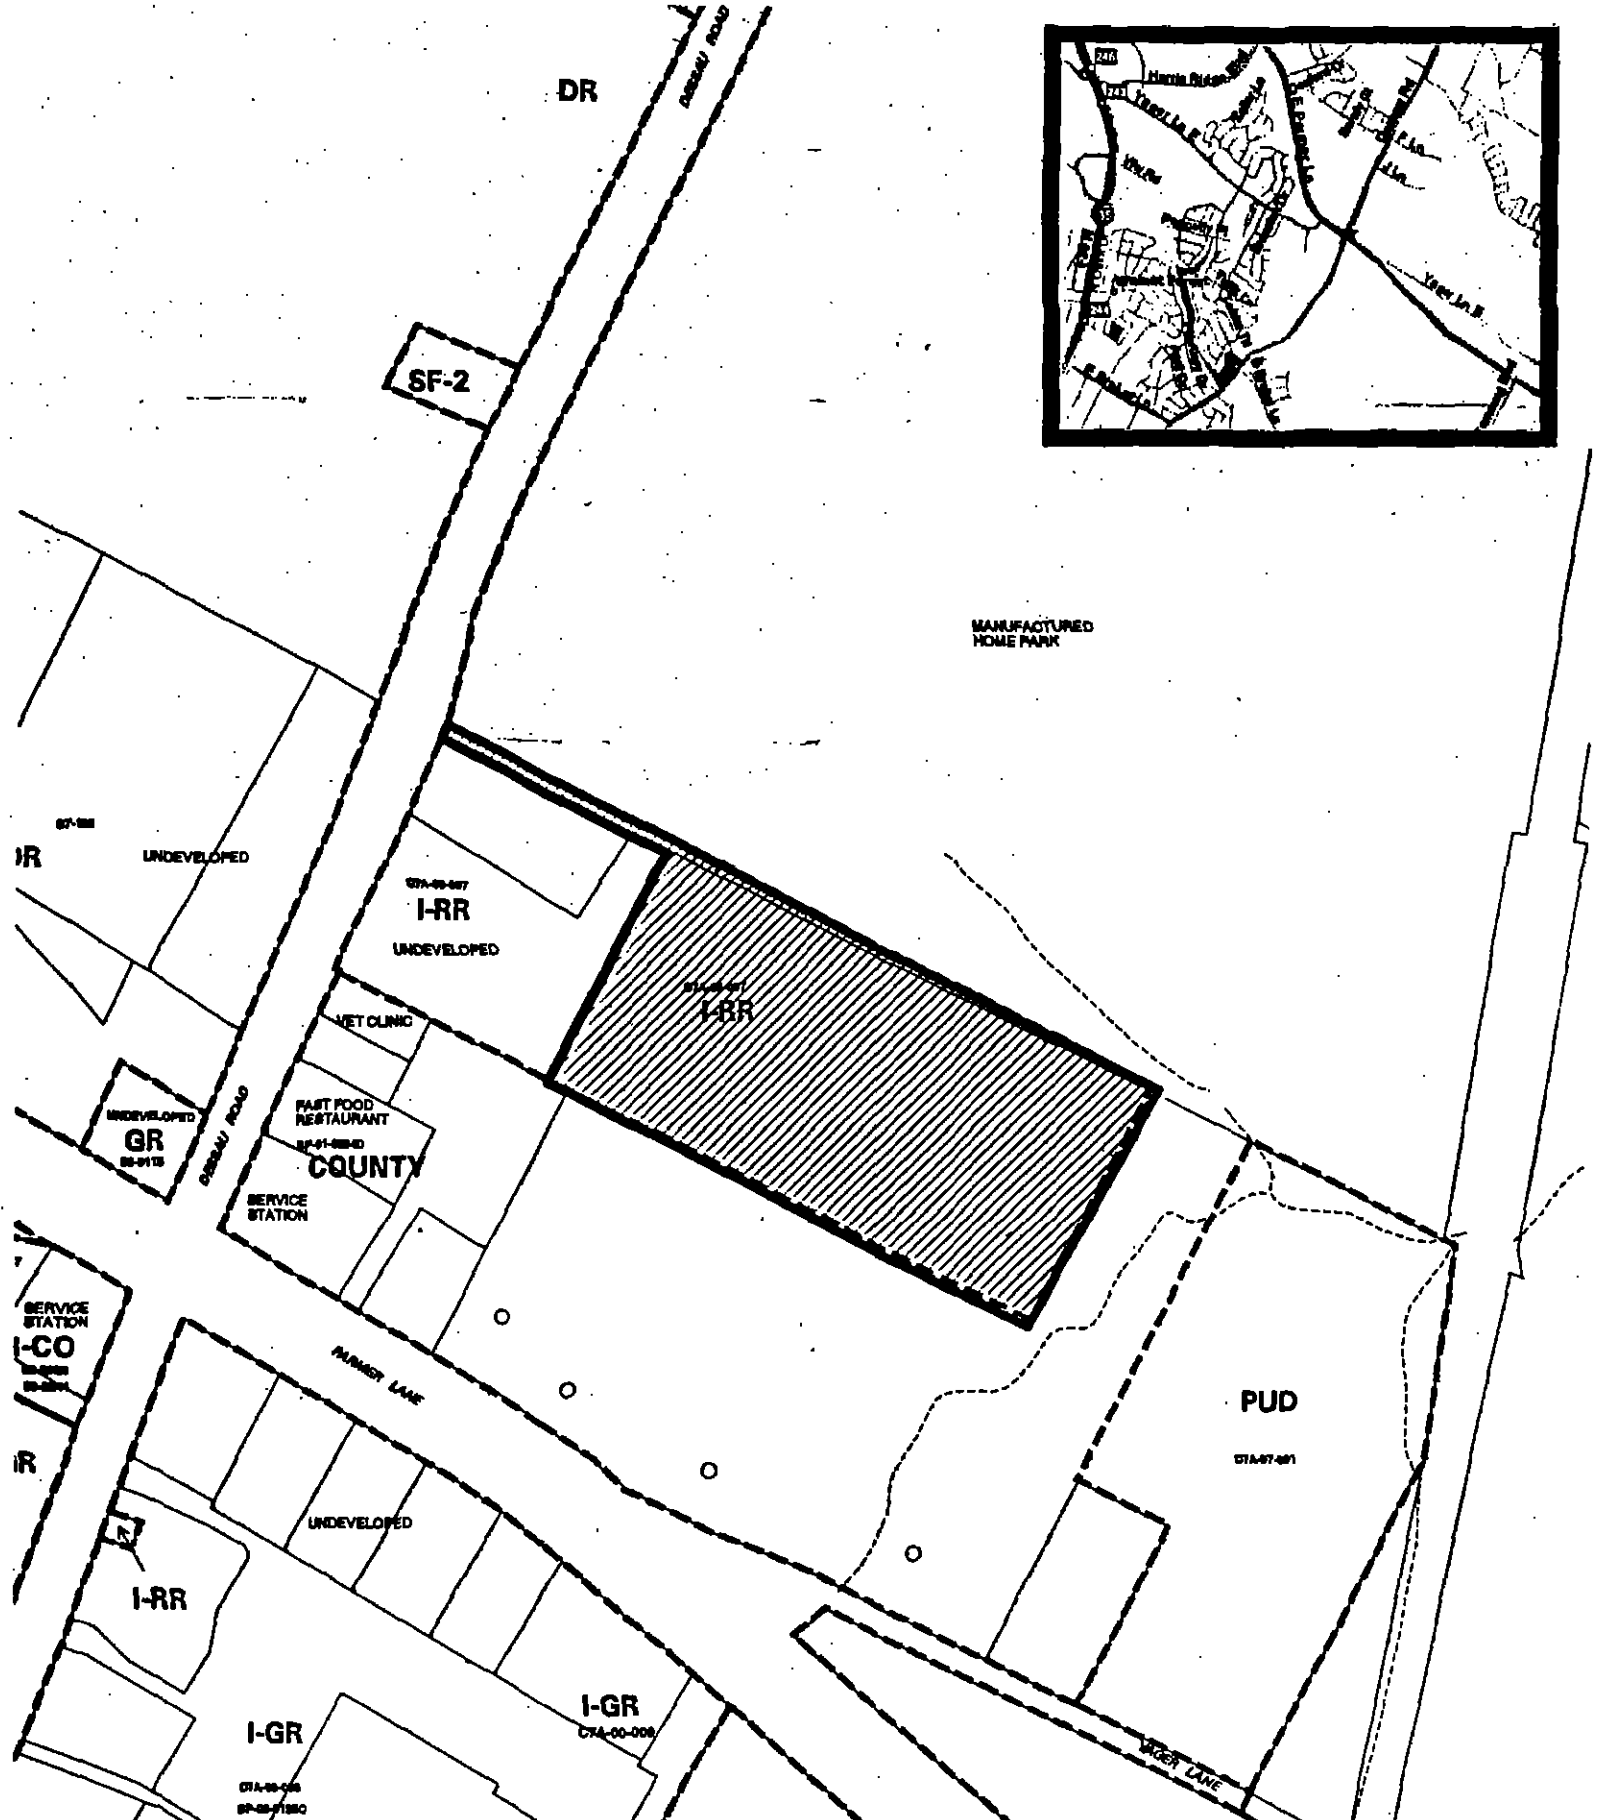

**DATE OF FIRST READING/VOTE:** August 18, 2005 / Approved ZAP  
recommendation of MF-2-CO  
(7-0); 1<sup>st</sup> reading

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE ESTABLISHING INITIAL PERMANENT ZONING FOR THE PROPERTY LOCATED AT 12317 DESSAU ROAD AND CHANGING THE ZONING MAP FROM INTERIM RURAL RESIDENCE (I-RR) DISTRICT TO MULTIFAMILY RESIDENCE LOW DENSITY-CONDITIONAL OVERLAY (MF-2-CO) COMBINING DISTRICT.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

**PART 1.** The zoning map established by Section 25-2.191 of the City Code is amended to change the base district from interim rural residence (I-RR) district to multifamily residence low density-conditional overlay (MF-2-CO) combining district on the property described in Zoning Case No. C14-05-0065, set on file at the Neighborhood Planning and Zoning Department, as follows:

A 15.0 acre tract of land, more or less, out of the Samuel Cushing Survey A-164, Travis County, the tract of land being more particularly described by metes and bounds in Exhibit "A" incorporated into this ordinance (the "Property"),

locally known as 12317 Dessau Road, in the City of Austin, Travis County, Texas, and generally identified in the map attached as Exhibit "B".

**PART 2.** The Property within the boundaries of the conditional overlay combining district established by this ordinance is subject to the following conditions:

1. A site plan or building permit for the Property may not be approved, released, or issued, if the completed development or uses of the Property, considered cumulatively with all existing or previously authorized development and uses, generate traffic that exceeds 2000 trips per day.
2. The maximum number of residential units developed on the Property may not exceed 248 units.
3. The maximum number of residential units developed on the Property may not exceed 16.54 units per acre.

1 Except as specifically restricted under this ordinance, the Property may be developed and  
2 used in accordance with the regulations established for the multifamily residence low  
3 density (MF-2) base district and other applicable requirements of the City Code.

## **ZONING CHANGE REVIEW SHEET**

**CASE:** C14-05-0065.SH

**Z.A.P. DATE:** June 07, 2005  
July 05, 2005

**ADDRESS:** 12317 Dessau Road

**OWNER/APPLICANT:** Dessau 21, Ltd. (Paul Joseph)

**AGENT:** Thrower Design (Ron Thrower)

**ZONING FROM:** I-RR

**TO:** MF-2

**AREA:** 15.0 acres

### **SUMMARY STAFF RECOMMENDATION:**

The staff's recommendation is to grant MF-2-CO, Multifamily Residence-Low Density-Conditional Overlay District, zoning. The conditional overlay would limit the development intensity for the entire site to less than 2,000 vehicle trips per day.

In addition, the staff recommends that the applicant dedicate 70-feet of right-of-way from the existing/future centerline of Dessau Road in accordance with the Transportation Plan. [LDC, Sec. 25-6-51 and 25-6-55]. \*

\*On August 3, 2005, the Transportation staff agreed to defer the right-of-way dedication for Dessau Road to the subdivision stage. Therefore, right-of-way dedication is no longer required in this zoning case.

### **ZONING AND PLATTING COMMISSION RECOMMENDATION:**

6/07/05: Postponed to July 5, 2005 by the neighborhood (9-0); J. Martinez-1<sup>st</sup>, J. Gohil-2<sup>nd</sup>.

7/05/05: Approved staff's recommendation for MF-2-CO district zoning with the conditional overlay limiting the site to 2,000 vehicle trips per day, requiring the dedication of 70 feet of right-of-way from the existing/future centerline of Dessau Road in accordance with the Transportation Plan, and limiting development on the site to a maximum of 248 residential units (7-1, B. Baker-Nay, M. Whaley-Absent); J. Martinez-1<sup>st</sup>, T. Rabago-2<sup>nd</sup>.

### **DEPARTMENT COMMENTS:**

The property in question is undeveloped and moderately vegetated. This tract of land was annexed by the City of Austin on June 23, 2005.

The applicant would like to zone the property to MF-2, Multifamily Residence-Low Density District, to develop a 248-unit apartment complex on the site. This is proposed to be a TDHCA tax credit development serving families at or below 60% median family income.

The applicant has met the Neighborhood Housing and Community Development Department's requirements for S.M.A.R.T. Housing Certification (NHCD Memo-Attachment A).

The staff recommends MF-2-CO, Multifamily Residence-Low Density-Conditional Overlay District, zoning for the property in question. The proposed MF-2-CO zoning is compatible with the surrounding uses because the property is located between a manufactured home park to the north and four single-family residences to the south. MF-2-CO zoning will provide for a variety of housing opportunities in this area of the city near major employers such as Dell Computers and Samsung Electronics.

The applicant agrees with the Zoning and Platting Commission's recommendation.

## STAFF RECOMMENDATION

The staff's recommendation is to grant MF-2-CO, Multifamily Residence-Low Density-Conditional Overlay District, zoning. The conditional overlay would limit the development intensity for the entire site to less than 2,000 vehicle trips per day.

In addition, the staff recommends that the applicant dedicate 70-feet of right-of-way from the existing/future centerline of Dessau Road in accordance with the Transportation Plan. [LDC, Sec. 25-6-51 and 25-6-55].

## BASIS FOR RECOMMENDATION

1. *The proposed zoning should be consistent with the purpose statement of the district sought.*

Multifamily residence low density (MF-2) district is the designation for a multifamily use with a maximum density of up to 23 units per acre, depending on unit size. An MF-2 district designation may be applied to a use in a multifamily residential area located near single family neighborhoods or in an area for which low density multifamily use is desired.

2. *The proposed zoning should promote consistency and orderly planning.*

The proposed MF-2-CO zoning is compatible with the surrounding uses because the property is located between a manufactured home park to the north and four single-family residences to the south.

This tract of land will take access to Dessau Road, a major arterial roadway.

3. *The proposed zoning should allow for a reasonable use of the property.*

MF-2-CO zoning will allow for a reasonable use of the property, as it will provide for a variety of housing opportunities in this area of the city near major employers such as Dell Computers and Samsung Electronics.

The property in question is 15 acres and meets the minimum size requirements for the Multifamily Residence-Low Density district.

## EXISTING CONDITIONS

### Site Characteristics

The site under consideration is undeveloped. The property is relatively flat and sparsely vegetated.

### **Hill Country Roadway**

The site is not within a Hill Country Roadway Corridor.

### **Impervious Cover**

The maximum impervious cover allowed by the MF-2 zoning district would be 60%. However, because the watershed impervious cover is more restrictive than the zoning district's allowable impervious cover, the impervious cover is limited by the watershed regulations.

Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Net Site Area</i>	<i>% with Transfers</i>
Single-Family (minimum lot size 5750 sq. ft.)	50%	60%
Other Single-Family or Duplex	55%	60%
Multifamily	60%	70%
Commercial	80%	90%

In the Water Quality Transition Zones, impervious cover is limited to 30%.

Note: The most restrictive impervious cover limit applies.

### **Environmental**

The site is not located over the Edward's Aquifer Recharge Zone. The site is in the Harris Branch Creek Watershed of the Colorado River Basin, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Net Site Area</i>	<i>% with Transfers</i>
Single-Family (minimum lot size 5750 sq. ft.)	50%	60%
Other Single-Family or Duplex	55%	60%
Multifamily	60%	70%
Commercial	80%	90%

In the Water Quality Transition Zones, impervious cover is limited to 30%.

According to flood plain maps, there is no flood plain in, or within close proximity of, the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site-specific information is unavailable regarding existing trees and other vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment on this site will be subject to the following water quality control requirements:

Structural controls: Sedimentation and filtration basins with increased capture volume and 2 year detention.

At this time, no information has been provided as to whether this property has any pre-existing approvals, which preempt current water quality or Code requirements.

### **Transportation**

The Austin Metropolitan Area Transportation Plan calls for a total of 140 feet of right-of-way for Dessau Road. If the requested zoning is granted, then 70 feet of right-of-way should be dedicated from the existing/future centerline of Dessau Road in accordance with the Transportation Plan. [LDC, Sec. 25-6-51 and 25-6-55]. The AMATP calls for a 6-lane, divided major arterial (MAD 6) for 2025 traffic conditions.

The trip generation under the requested zoning is estimated to be 2,700 trips per day, assuming that the site develops to the maximum intensity allowed under the zoning classification (without consideration of setbacks, environmental constraints, or other site characteristics).

a.) For Information: The applicant is planning to develop a 248 dwelling unit multifamily project, which is estimated will generate approximately 1,641 trips per day.

A traffic impact analysis was waived for this case because the applicant agreed to limit the intensity and uses for this development. If the zoning is granted, development should be limited through a conditional overlay to less than 2,000 vehicle trips per day. [LDC, 25-6-117]

There are existing sidewalks along both sides of Dessau Road.

Dessau Road is classified in the Bicycle Plan as a Priority 1, Route 228 bike route.

Capital Metro bus service is not available within 1/4 mile of this property.

Existing Street Characteristics:

<u>Name</u>	<u>ROW</u>	<u>Pavement</u>	<u>Classification</u>	<u>Daily Traffic</u>
Dessau Road	Varies	2 @ 24 ft.	MAD 4	1,473 (6/21/04)

### **Right of Way**

No comments received.

### **Water and Wastewater**

The landowner intends to serve the site with water and wastewater utilities. The landowner, at own expense, will be responsible for providing the water and wastewater utility improvements, offsite main extension, system upgrades, utility relocation, and utility adjustment to serve the site and land use. The water and wastewater utility plan must be reviewed and approved by the Austin Water Utility. The plan must be in accordance with the City design criteria. The utility construction must be inspected by the City. The landowner must pay the associated City fees.

### **Stormwater Detention**

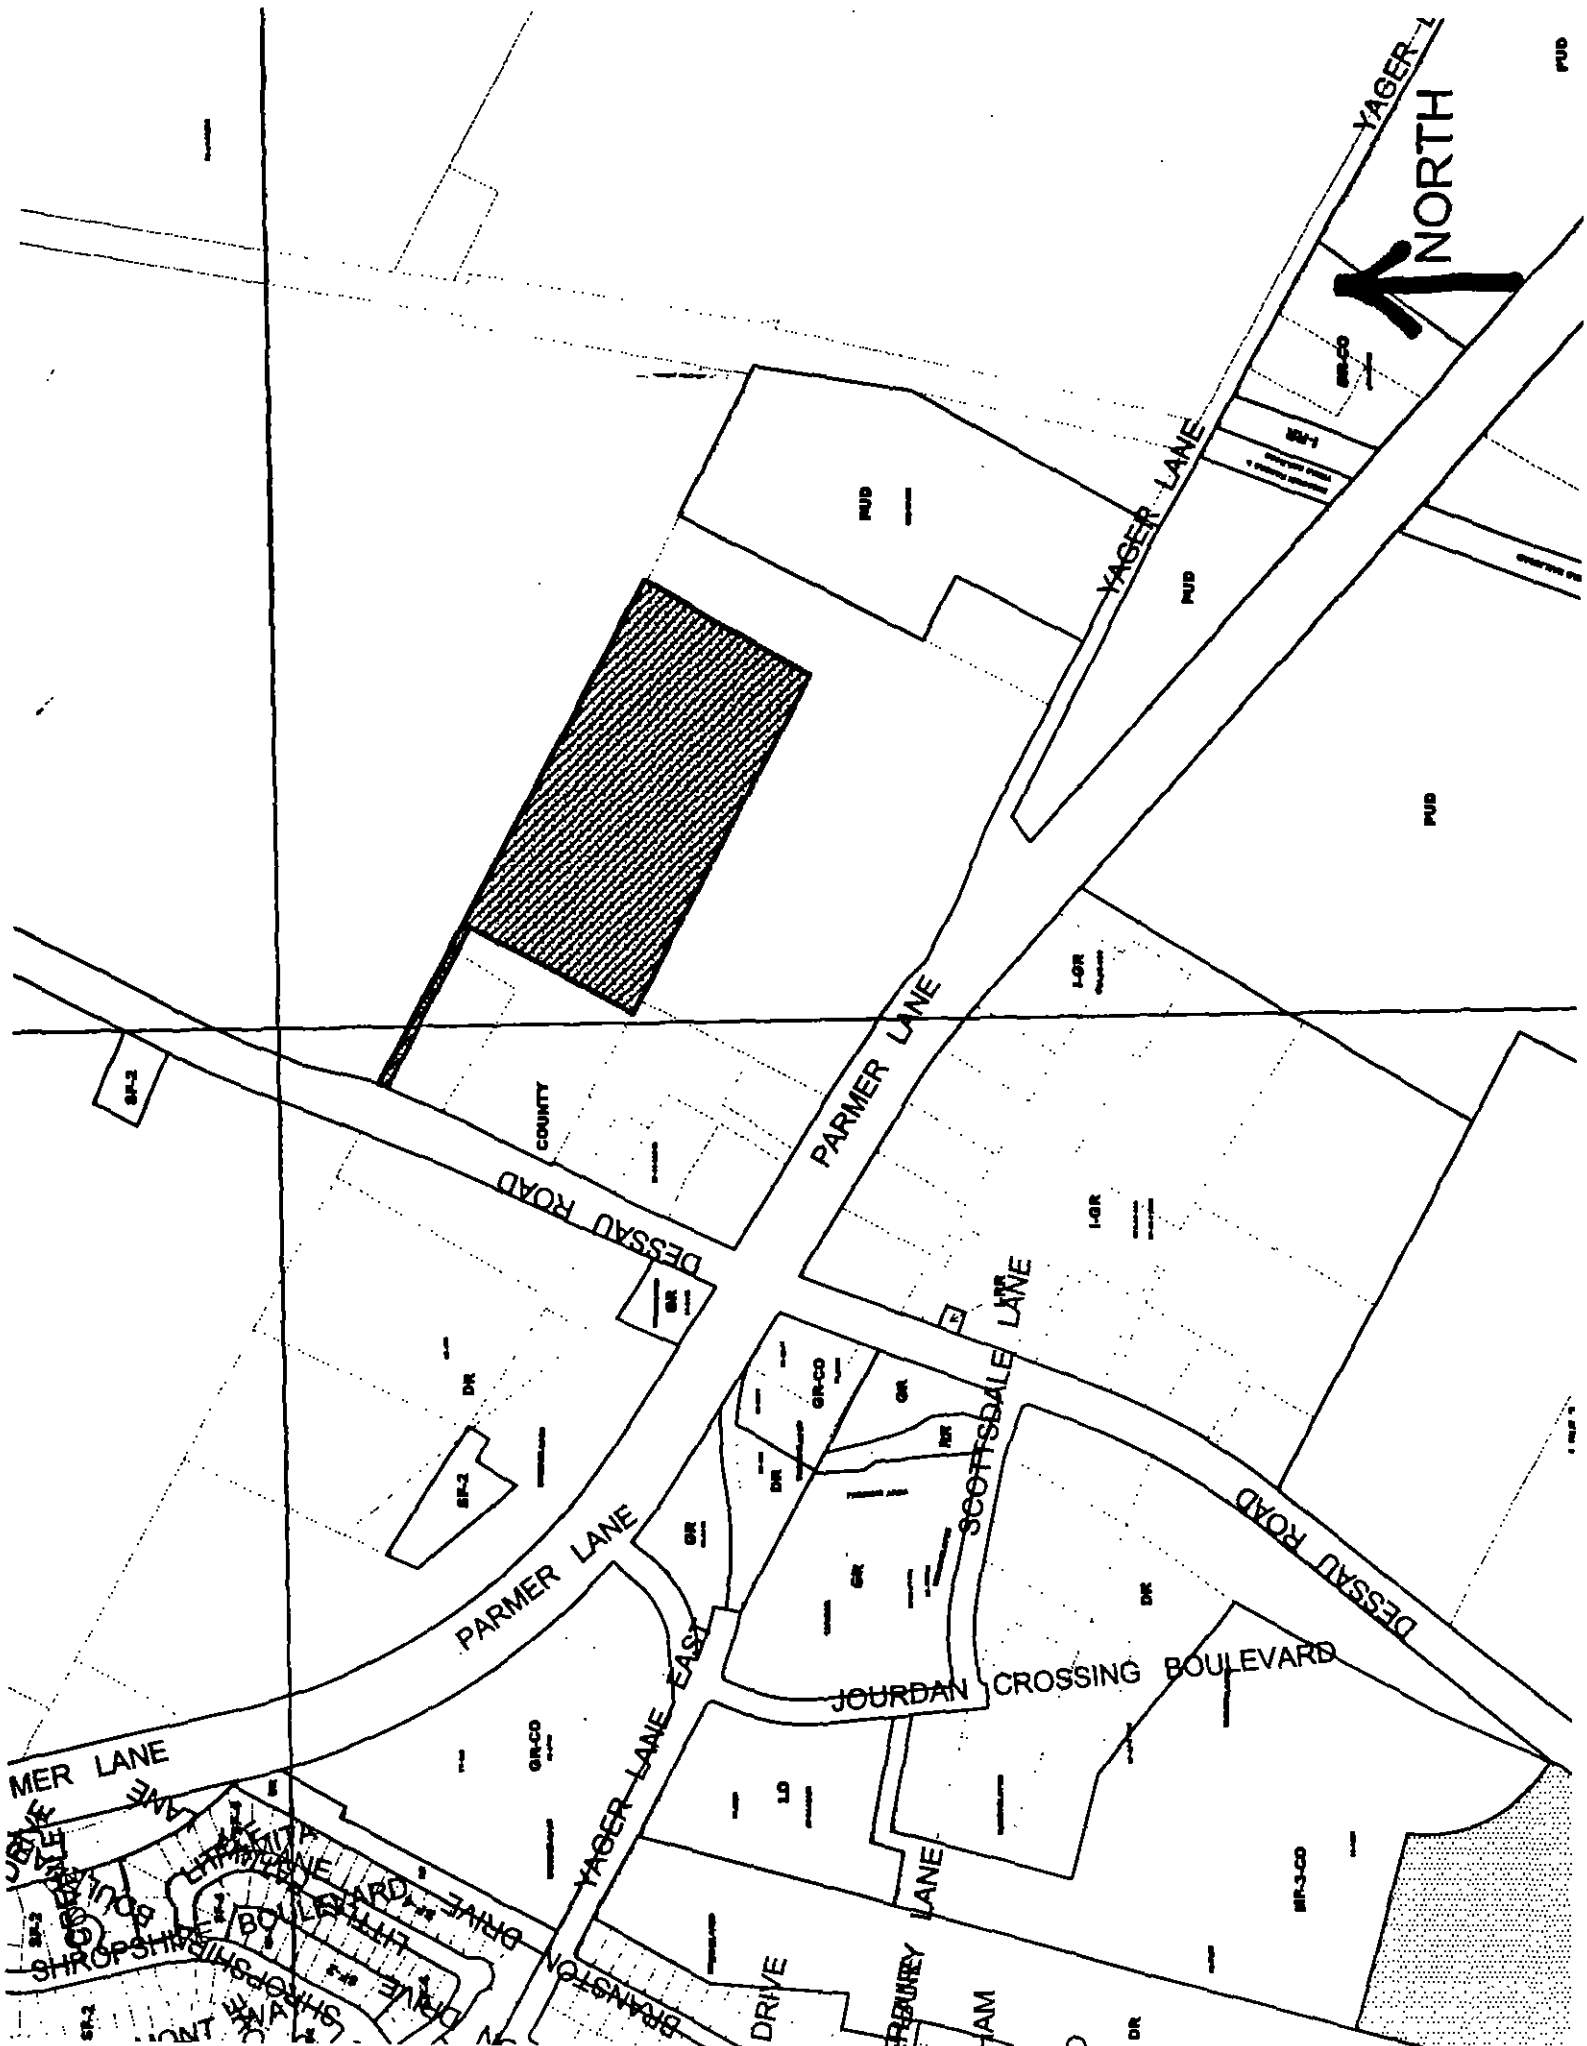

At the time a final subdivision plat, subdivision construction plans, or site plan is submitted, the developer must demonstrate that the proposed development will not result in additional identifiable flooding of other property. Any increase in stormwater runoff will be mitigated through on-site stormwater detention ponds, or participation in the City of Austin Regional Stormwater Management Program if available.

### **Compatibility Standards**

Site plans will be required for any new development other than single-family or duplex residential.

Any development which occurs in an SF-6 or less restrictive zoning district which is located 540-feet or less from property in an SF-5 or more restrictive zoning district within the city will be subject to compatibility development regulations.

The site is not subject to compatibility standards. The residential properties to the north and south of the property in question are located in the County. Therefore compatibility standards do not apply to this site.

**S.M.A.R.T. Housing Certification**  
**Harris Branch Apartments - 12317 Dessau Rd.**

#### TO WHOM IT MAY CONCERN:

Harris Branch 16, I.T.C. (Richard Janson, 219-9500 (o), 656-9500 (m), [janson@prismnet.com](mailto:janson@prismnet.com); Uwe Nahuina, 219-9500 (o), 963-1363 (m), [akamaitexas@austin.tx.us](mailto:akamaitexas@austin.tx.us)) is planning to develop a 248 unit multi-family development at 12317 Dessau Rd not located in a current Neighborhood Planning Area. An application to TDHCA's Housing Tax Credit program has been made for this development.

NHCD certifies that the proposed construction meets the S.M.A.R.T. Housing standards at the pre-submittal stage. Since 100% of the units will serve households at or below 60% Median Family Income (MFI), the development will be eligible for 100% waiver of the fees listed in Exhibit A of the S.M.A.R.T. Housing Resolution adopted by the City Council. The expected fee waivers include, but are not limited to, the following fees:

Capital Recovery Fees	Concrete Permit	Mechanical Permit
Building Permit	Electrical Permit	Plumbing Permit
Site Plan Review	Subdivision Plan Review	Zoning Verification
Construction Inspection	Regular Zoning Fee	Land Status Determination
		Building Plan Review

#### Prior to filing of building permit applications and starting construction, the developer must:

- ♦ Obtain a signed Conditional Approval from the Austin Energy Green Building Program stating that the plans and specifications for the proposed development meet the criteria for a Green Building Rating. (Austin Energy: Katie Jensen, 482-5407).
- ♦ Submit plans to NHCD demonstrating compliance with accessibility and transit-oriented standards.

#### Before a Certificate of Occupancy will be granted, the development must:

- ♦ Pass a final inspection and obtain a signed Final Approval from the Green Building Program. (Separate from any other inspections required by the City of Austin or Austin Energy).
- ♦ Pass a final inspection by NHCD to certify that accessibility and transit-oriented standards have been met.

The applicant must demonstrate compliance with the reasonably-priced standard after the completion of the units, or repay the City of Austin in full the fees waived for this S.M.A.R.T. Housing certification.

Please contact me at 974-3126 if you need additional information.

## PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Case Number: C14-05-0065.SH

Contact: Sherri Sirwaitis, (512) 974-3057

Public Hearing:

June 7, 2005 Zoning and Platting Commission

JAMES H. & LOUISE REYTON

Your Name (please print)

12609 DESSAU ROAD

Your address(es) affected by this application

Signature

Date

Comments: DESSAU ROAD IS CURRENTLY  
UNABLE TO HANDLE THE PRESENT VOLUME  
TRAFFIC- ADDING THESE RESIDENTS WILL  
ONLY INCREASE THE DRIVING HAZARDS  
AND ADVERSE CONDITIONS WE CURRENTLY  
FACE. CHILDREN CAN'T SAFELY WALK TO  
SCHOOL DUE TO THESE CONDITIONS  
UNLESS OF COURSE ALL ACCESS  
WOULD BE LIMITED TO YAGER/PANZER  
OR SOME SUCH STREET (EAST OF DESSAU)
