REQUESTING Neighborhood Planning
DEPARTMENT: and Zoning

DIRECTOR'S
AUTHORIZATION: Greg Guernsey

On September 29, 2005, City Council adopted the Greater South River City Combined Neighborhood Plan and the associated rezoning of the uncontested zoning cases as part of implementing the plan. Consideration of the contested cases was postponed to October 20, 2005. The contested cases include the secondary apartment and small lot amnesty infill options and the land use and rezoning of the following six tracts of land:

Tract 1: 118-134 East Riverside Drive
Tract 3: 201-309 East Riverside Drive
Tract 28: 2100 South IH-35
Tract 29a: 2016 South IH-35
Tract 29b: 2000 South IH-35
Tract 35: 0 South IH-35 (Northwest corner of Woodland and S. IH-35)

Council adopted the future land use map for the entire Greater South River City neighborhood (including the contested tracts) as part of their adoption of the plan. The adopted future land use map may need to be amended, however, based on the rezoning of these six properties. The attached table outlines what was approved by the City Council on September 29th, the various zoning recommendations being proposed and the resulting change to the future land use map that is required if certain zoning recommendations are approved. Also attached is a map showing the location of the contested tracts and the adopted future land use map.

		Planning Commission	Neighborhood	Property Owner	Staff	
1	Mixed Use*	LI-PDA-NP	CS-NP	DMU	CS-NP	If <u>property owner</u> recommendation is approved, the property will have to be renotified since DMU was not notified for and a change to <u>High-Density Mixed Use</u> is needed.
3	Mixed Use*	CS-CO-NP	CS-CO-NP	CS-CO-NP	CS-NP	No change required.
28	Mixed Use	GR-MU-NP	GO-CO-NP	N/A	GR-MU-NP	If <u>neighborhood</u> recommendation is approved, then a change to <u>Office</u> is needed.
29a	Mixed Use	GR-MU-NP	GO-CO-NP	N/A	GR-MU-NP	
29b	Mixed Use	GR-MU-NP	GR-NP	N/A	GR-MU-NP	If <u>neighborhood</u> recommendation is approved, then a change to <u>Commercial</u> is needed.

* Tracts 1 & 3 are located in the Waterfront Overlay which allows residential uses on non-residentially zoned properties. Therefore, the Mixed Use land use category is applicable since there is the potential for a mix of uses to be developed on these properties.
