

## LAW DEPARTMENT

### MEMORANDUM

**TO:** Shirley Brown, City Clerk

**FROM:** David A. Smith, City Attorney 

**DATE:** September 28, 2004

**SUBJECT:** Correction to Ordinance No. 040913-07

The Austin Police Department Fiscal Year 2004-2005 classification ordinance, Ordinance No. 040913-07, executed following the September 13, 2004 council meeting did not accurately reflect the number of Lieutenant positions authorized by council during verbal discussion on the dais. Because this is a typographical staff error, a corrected ordinance has been prepared for execution. The original executed ordinance shall be marked "Superceded" and the replacement ordinance shall be marked "Corrected". If your office receives a request for Ordinance No. 040913-07, copies of both ordinances should be delivered to the requestor.
