

ORDINANCE NO. 041216-84

AN ORDINANCE GRANTING VARIANCES FROM CERTAIN FLOODPLAIN REGULATIONS PRESCRIBED BY THE CITY CODE FOR CONSTRUCTION OF A SINGLE FAMILY RESIDENCE IN THE 100-YEAR FLOODPLAIN, AND PROVIDING AN EXPIRATION FOR THE VARIANCE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. Council has considered the factors for granting a variance from floodplain regulations prescribed by Section 25-12-3 (*Local Amendments to the Building Code*), Appendix Chapter 58, Article 8, Subsection D (*Variance Procedures*) of the City Code. Council finds that the variance granted by this ordinance is the minimum necessary to afford relief, is based on good and sufficient cause, and failure to grant the variance would result in exceptional hardship. Council further finds that the variance granted in this ordinance will not result in increased flood heights, additional threats to public safety, extraordinary public expense, create nuisances, cause fraud on or victimization of the public, or conflict with existing local laws or ordinances.

PART 2. This ordinance applies to the construction of a single family residence at 10027 Wild Dunes Drive and 4514 Wild Dunes Court within the 100-year floodplain, subject to Building Permit No. BP04-8303R.

PART 3. A variance is granted from:

- (A) the restriction on construction in the 100-year floodplain prescribed by Section 25-7-92 (*Encroachment On Floodplain Prohibited*) of the City Code; and
- (B) the requirement to dedicate the 100-year floodplain prescribed by Section 25-7-152 (*Dedication of Easements and Right-of-Way*).

PART 4. If the project for which this variance is granted does not receive all necessary building permits on or before December 16, 2005, this variance expires.

PART 5. Approval of this variance does not constitute approval of zoning, subdivision, a site plan, a building permit, or any other development permit, and it does not constitute a commitment to any particular land use, intensity of land use, or utility services. Approval of this variance does not constitute a guarantee of flood insurance availability, rates, or requirements.

PART 6. This ordinance takes effect on December 27, 2004.
