"St. Mary's Church,
209 East 10th street
Austin, Texas.

September 1, 1945

Mr. James E. Motheral
City Engineer
Municipal Building

Dear Mr. Motheral:

I am enclosing a plan for proposed new steps in front of St. Mary's Church at 201 East 10th St. These plans were drawn up by Mr. J. M. Odom.

It is my wish to have a three foot landing across the

entire front of the church at the curb level. We have also figured six sets of hand rails to be built into the new steps.

From the east side of the church to Brazos St. there is a two foot grade. This will necessitate a great number of steps at the west end than at the east and to correct the difference in grade it will necessitate two fade-away steps at the west end. The plans, you will see, show how Mr. Odom has arranged to take care of the grade.

I am submitting the plans for your approval and would appreciate it if some one from your department could call on me this week and go over the plans here on the grounds.

Thanking you for all past favors, I am

Very sincerely,

/s/ Joseph R. McAllister, C.S.C
Pastor."
