(RESOLUTION)

WHEREAS, by Ordinance effective on October 18, 1945, an area embracing Nineteen Hundred One (1901) acres of land adjacent to the north boundary line of the City of Austin was annexed as a part of said City; and

WHEREAS, the lands within that area were not zoned, by reason of which it becomes necessary for the City Council to pass an Ordinance on this date as an addition to its Zoning Ordinance and by which all of the lands in that area were zoned and classed as "A" Residence District; and

WHEREAS, it is now necessary to appoint a Zoning Commission to zone said lands and make recommendations to the City Council in that regard; Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT H. F. Kuehne, V. H. Pannell, L. H. Blenderman, J. T. Ward and H. D. Pruett, who now compose the City Zoning Board of Adjustment of the City of Austin, be and they are hereby appointed as the Zoning Commission to make recommendations as to the zoning of that area, together with such other recommendations as they, the Zoning Commission, may deem proper.

The resolution was adopted by the following vote:

Ayes: Councilmen Alford, Gillis, Mayor Miller  
Noes: None  
Absent: Councilmen Bartholomew and Wolf

Councilman Alford offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, Texas Public Service Company has presented to the City Council tentative maps or plans showing the proposed construction of its gas mains in the streets in the City of Austin hereafter named, and said maps or plans have been considered by the City Council; therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT Texas Public Service Company be and the same is hereby permitted to lay and construct its gas mains in and upon the following streets:

(1) A gas main in GEORGETOWN ROAD, from Croslin Street to Stobaugh Street, the centerline of which gas main shall be 8 feet west of and parallel to the east property line of said Georgetown Road.

Said gas main described above shall have a cover of not less than  $2\frac{1}{2}$  feet.

(2) A gas main in MORROW STREET, from Georgetown Road westerly 510 feet, the centerline of which gas main shall be 7.5 feet south of and parallel to the north property line of said Morrow Street.

Said gas main described above shall have a cover of not less than  $2\frac{1}{2}$  feet.

(3) A gas main in TAULBEE STREET, from Georgetown Road to a point 382 feet west of Watson Street, the centerline of which gas main shall be 7.5 feet south of and parallel to the north property line of said Taulbee Street.

Said gas main described above shall have a cover of not less than  $2\frac{1}{2}$  feet.

(4) A gas main in STOBAUGH STREET, from Georgetown Road to Gault Street, the centerline of which gas main shall be 7.5 feet south of and parallel to the north property line of said Stobaugh street.

Said gas main described above shall have a cover of not less than  $2\frac{1}{2}$  feet.

(5) A gas main in GAULT STREET, from Stobaugh Street southerly 48 feet, the centerline of which gas main shall be 7.5 feet west of and parallel to the east property line of said Gault Street.

Said gas main described above shall have a cover of not less than  $2\frac{1}{2}$  feet.

(6) A gas main in ST. JOHNS AVENUE, from Georgetown Road easterly 1450 feet, the centerline of which gas main shall be 7.5 feet south of and parallel to the north property line of said St. Johns Avenue.

Said gas main described above shall have a cover of not less than  $2\frac{1}{2}$  feet.

The Texas Public Service Company is hereby put upon notice that the City of Austin does not guarantee that the space assigned above is clear from other underground utilities, but is based upon the best records we have at hand, and that the minimum depth stated does not have any reference to the fact that greater depths may not be required at special points. When the Texas Public Service Company requires definite information upon the ground as to elevations or working points from which to base the location of their assignments they shall apply to the City Engineering Department not less than three (3) days before such information is required. The Texas Public Service Company is further put upon notice that they will be required to bear the expense of re-

pairs or replacement of any underground utility damaged during the construction of lines named in this resolution.

AND THAT whenever pavement is cut in the vicinity of a fire plug, water must be used at intervals during the course of backfilling of the ditches.

THAT the work and laying of said gas mains, including the excavation in the streets, and the restoration and maintenance of said streets after said mains have been laid shall be under the supervision and direction of the City Manager, and under all the pertinent terms and conditions of the certain franchises granted to said company by the City of Austin.

Which motion, carrying with it the adoption of the resolution, carried by the following vote:

Ayes: Councilmen Alford, Gillis, Mayor Miller  
Noes: None  
Absent: Councilmen Bartholomew and Wolf

The following resolution was submitted:

(RESOLUTION)

WHEREAS, J. M. ODOM is the Contractor for the erection of a building located at 301 West 2nd street and desires a portion of the sidewalk and street space abutting Lots 7, 8, and 9, Block 3 of the Original City of Austin, Travis County, Texas, during the erection of the building, such space to be used in the work and for the storage of materials therefor; therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

1. THAT space for the uses hereinabove enumerated be granted to said J. M. ODOM, the boundary of which is described as follows:

Sidewalk and Street Working Space

Beginning at the northwest corner of the above described property; thence in a northerly direction and at right angles to a point approximately 20 feet north of the south curb line; thence in an easterly direction and parallel to the centerline of West 2nd Street approximately 140 feet to a point; thence at an angle of approximately 45° to a point 20 feet east of the west curb line of Lavaca Street and the extended north line of the above described property; thence in a southerly direction and parallel with the centerline of Lavaca Street approximately 225 feet to a point; thence in a westerly direction and at right angles to the centerline of Lavaca Street to the west right-of-way line of said street. The above provision for street and sidewalk space does not permit the closing of the alley between West 1st Street and West 2nd Street, said alley to remain unobstructed to permit its use as a fire lane for use by the Fire Department of the City of Austin, in the event of an emergency.

2. THAT the above privileges and allotment of space are granted to the said J. M. Odom, hereinafter termed "Contractor", upon the following express terms and conditions:

(1) That the Contractor shall construct a 4-foot walkway within the

outer boundaries of the above described working space, such walkway to be protected on each side by a guard rail at least 4 feet high and substantially braced and anchored, and without wood strips or obstructions of any kind along the pavement within the walkway, and at any time in the opinion of the City officials it becomes necessary for any reason to install a board floor within the walkway, the Contractor shall upon notice from the Building Inspector immediately place such a wood floor and substantially support same to prevent sagging under load.

(2) That the Contractor is permitted to construct in his working space a substantial gate which shall be kept closed at all times when not in use, and at all times that such gate is open, the Contractor shall maintain a person at this gate to warn pedestrians and vehicles of approaching trucks. This gate is not to open out so as to impede vehicular or pedestrian traffic.

(3) That no vehicles in loading or unloading material at the working space shall park on any part of the street outside of the allotted working space.

(4) That "No Parking" signs shall be placed on the street side of the barricades.

(5) That the Contractor is permitted to construct a temporary work office within such allotted working space provided such work office is not within 25 feet of any corner street intersection.

(6) That the Contractor shall in no way obstruct any fire plugs or other public utilities in the construction of such barricades.

(7) That provisions shall be made for the normal flow of all storm waters in the gutter and the Contractor will be responsible for any damage done due to obstruction of any such storm water.

(8) That the Contractor shall place on the outside corners of any walkway, barricades or obstructions, red lights during all periods of darkness and provide lighting system for all tunnels.

(9) That the Contractor shall remove all fences, barricades, loose materials and other obstructions on the sidewalk and street immediately after the necessity for their existence on said sidewalk or street has ceased, such time to be determined by the City Manager, and in any event all such sidewalk, barricades, materials, equipment and other constructions shall be removed not later than September 1, 1946.

(10) That the City reserves the right to revoke at any time any and all the privileges herein granted or to require the erection or installation of additional barriers or safeguards if the conditions demand it.

(11) That the use and enjoyment of the spaces herein granted shall not be exclusive as against public needs, and the City, in making such grant reserves the right to enter and occupy any part or all of said space any time with its public utilities, or for other necessary public purposes.

(12) That any public utility, or public or private property, disturbed or injured as a result of any of the activities necessary for the completion of the construction work for said building projects, whether done by the Contractor, City forces, or public utilities, shall be replaced or repaired at the Contractor's expense.

(13) That the Contractor shall furnish the City of Austin a surety bond in the sum of Five Thousand Dollars (\$5,000.00), which shall protect, indemnify and hold harmless the City of Austin from any claims or damages to any person or property that may accrue to or be brought by any person by reason of the exercise or abuse of the privileges granted the Contractor by the City of Austin and shall guarantee the replacement of all sidewalks, pavement and all other public property and public utilities disturbed or removed during the construction work and shall further guarantee the construction of a walkway and other safeguards during the occupancy of the space.

The resolution was adopted by the following vote:

Ayes: Councilmen Alford, Gillis, Mayor Miller

Noes: None

Absent: Councilmen Bartholomew and Wolf

Councilman Gillis offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, A. W. THIELEPAPE is the Contractor for the erection of a building located at 214-16 East 3rd Street and desires a portion of the sidewalk and street space abutting Lot 6, Block 31 of the Original City of Austin, Travis County, Texas, during the erection of the building, such space to be used in the work and for the storage of materials therefor; Therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

1. THAT space for the uses hereinabove enumerated be granted to said A. W. THIELEPAPE, the boundary of which is described as follows:

Sidewalk and Street Working Space

Beginning at the southeast corner of the above described property; thence in an easterly direction and at right angles to the centerline of San Jacinto Street to a point ten feet east of the west curb line; thence in a northerly direction and parallel with the centerline of San Jacinto Street 128 feet to a point; thence in a westerly direction and at right angles to the centerline of San Jacinto Street to the northeast corner of the above-described property.

Beginning at the southeast corner of the above described property and at right angles to the centerline of East 3rd Street approximately 6 feet to a point; thence in a westerly direction and at right angles to the centerline of East 3rd Street 46 feet to a point; thence in a northerly direction and at right angles to the centerline of East 3rd Street to the southwest corner of the above described property.

2. THAT the above privileges and allotment of space are granted to the said A. W. Thielepape, hereinafter termed "Contractor", upon the following express terms and conditions:

(1) That the Contractor shall construct a 4-foot walkway within the outer boundaries of the above described working space, such walkway to be protected on each side by a guardrail at least 4 feet high and substantially

braced and anchored, and without wood strips or obstructions of any kind along the pavement within the walkway, and at any time in the opinion of the City officials it becomes necessary for any reason to install a board floor within the walkway, the Contractor shall upon notice from the Building Inspector immediately place such a wood floor and substantially support same to prevent sagging under load.

(2) That the Contractor shall construct a guardrail within the boundary line along the east, south and west lines of the above described space, such guardrail to be at least 4 feet high and substantially braced and anchored.

(3) That the Contractor is permitted to construct in his working space a substantial gate which shall be kept closed at all times when not in use, and at all times that such gate is open, the Contractor shall maintain a person at this gate to warn pedestrians and vehicles of approaching trucks. This gate is not to open so as to impede vehicular or pedestrian traffic.

(4) That no vehicles in loading or unloading material at the working space shall park on any part of the street outside of the allotted working space.

(5) That "No Parking" signs shall be placed on the street side of the barricades.

(6) That the Contractor is permitted to construct a temporary work office within such allotted working space provided such work office is not within 25 feet of any corner street intersection.

(7) That the Contractor shall in no way obstruct any fire plugs or other public utilities in the construction of such barricades.

(8) That provisions shall be made for the normal flow of all storm waters in the gutter and the Contractor will be responsible for any damage done due to obstruction of any such storm water.

(9) That the Contractor shall place on the outside corners of any walkway, barricades or obstructions, red lights during all periods of darkness and provide lighting system for all tunnels.

(10) That the Contractor shall remove all fences, barricades, loose materials and other obstructions on the sidewalk and street immediately after the necessity for their existence on said sidewalk or street has ceased, such time to be determined by the City Manager, and in any event all such sidewalk, barricades, materials, equipment and other obstructions shall be removed not later than March 1, 1946.

(11) That the City reserves the right to revoke at any time any and all the privileges herein granted or to require the erection or installation of additional barriers or safeguards if the conditions demand it.

(12) That the use and enjoyment of the spaces herein granted shall not be exclusive as against public needs, and the City, in making such grant reserves the right to enter and occupy any part or all of said space any time with its public utilities, or for other necessary public purposes.

(13) That any public utility, or public or private property, disturbed or injured as a result of any of the activities necessary for the completion of the construction work for said building projects, whether done by the Con-

tractor, City forces, or public utilities, shall be replaced or repaired at the Contractor's expense.

(14) That the Contractor shall furnish the City of Austin a surety bond in the sum of One Thousand Dollars (\$1,000.00), which shall protect, indemnify and hold harmless the City of Austin from any claims or damages to any person or property that may accrue to or be brought by any person by reason of the exercise or abuse of the privileges granted the Contractor by the City of Austin and shall guarantee the replacement of all sidewalks, pavement and all other public property and public utilities disturbed or removed during the construction work and shall further guarantee the construction of a walkway and other safeguards during the occupancy of the space.
