Council Chamber, City Hall

The meeting was called to order with Mayor Glass presiding.

Absent: None

Present also: Gilton Morgan, City Manager; Trueman E. O'Quinn, City Attorney; J. E. Motheral, Director of Public Works; R. D. Thorp, Chief of Police; Dr. Ben Primer, City Health Officer.

The minutes of the previous meeting were read and approved.

MR. EMMETT SHELTON was the spokesman for a group of residents on the Bee Cave Road complaining of the City Dump, listing three major complaints: (1) flies; (2) filth and stench--garbage falling from the trucks--glass along the highway; (3) the traffic hazard. MR. WICK FOWLER AND MR. NASH spoke in protest as it was a health hazard. MRS. HORTON SMITH asked for immediate relief, and for an immediate reply. She stated the other services of the City were well planned; but the disposal site was in bad shape, and she would like to ask for a definite plan of what the City proposed to do and a definite date. MRS. FRANK SPILLAR spoke in the interest of children who would scout around the dump and asked that the City, if it did not move the dump, make it more sanitary. MR. HERMAN COFFER spoke, suggesting that the dump be moved to the Industrial area of the town. MRS. KREISLE spoke complaining of the garbage trucks creating a traffic hazard. DR. L. F. HOLLAND suggested that the experts from the State Health Department be contacted and that the Council confer with these men. The City Manager was instructed to get estimates on changing and enlarging the incinerator; to get estimates on a fill; to bring in the available experts from the State Health Department to confer with the City experts; and to prepare a report on the temporary relief the City will be able to give these people, as well as what can be done to give relief on a long range plan; and to have this report available in two weeks.

Councilman Johnson moved that the recommendation of the Zoning Board of Adjustment be upheld and the requested change of zoning be NOT granted. The motion carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass

It was suggested that Mrs. Martin check with the Tax Department, and that her property not be assessed at a commercial value whereas it is now in a residential area.

The Council decided to hold the following hearings, advertised for this date, together as one hearing, instead of taking each as a separate hearing:

M. H. CROCKETT	4308 - 4312 Lamar Blvd. Lots 10,11,12 Blk. 8 Alta Vista	From "A" Residential To "C" Commercial NOT Recommended by the Zoning Board of Adjust- ment.

Mr. Crockett, Mr. Woodrow Patterson representing E. C. McClure and Lem Scarbrough; Mr. Jack L. Gubbels, and Mr. Rickey Key, spoke in the interest of changing the above listed property to commercial, in that on most thoroughfares, the property was commercial. In opposition to the change were MR. W. H. McCord representing H. L. OBERMILLER, 4205 Marathon Blvd; MR. JESSE COCHRAN, submitting a petition signed by thirty-four property owners vigorously opposing the change, stating this was ideal for residential areas if the threat of changing it to commercial were removed; and that the strip of land facing on Lamar Boulevard and adjoining the property owners could be made into a park lane, it would add to the beautification of the thoroughfare and add to the residential area, and it would add to the safety of the highway; and I. T. CHILDRESS, 4211 Marathon spoke in opposition. The Council received the petition submitted by Mr. Cochran and noted the opposition expressed by the others. Councilman Long moved that in view of the fact it had not been determined as to the disposition of the strip of land facing on Lamar Boulevard and adjoining these property owners, that the Council defer action on the requests for zoning changes until it could make some disposition of this strip of land and make a personal inspection of all the property involved.
