## CITY OF AUSTIN, TEXAS

## Regular Meeting

April 20, 1949

10:30 A.M.

Council Chamber, City Hall

The meeting was called to order, with Mayor Miller presiding.

## Roll call:

Present: Councilmen Bartholomew, Glass, Johnson, Long, Mayor Miller  
Absent: None

Present also: Guiton Morgan, City Manager; Trueman E. O'Quinn, City Attorney; J. E. Motheral, Director of Public Works; and R. D. Thorp, Chief of Police.

Miss Pauline Pinckney, representing a group of ladies interested in establishing an Art Center on the grounds of the Ney Museum, appeared and requested the Council to purchase one of the G. I. Surplus Buildings and have same placed on the grounds of the Museum and remodeled so that it can be used for the Art Center. This would provide a building where persons wishing to learn the art of drawing, painting, etc. could go, at a nominal cost. They estimated the cost to be \$6,600.00 that the City would have to spend, the balance these ladies would provide through donations.

The Mayor advised Miss Pinckney that the City Manager and Director of Recreation would make a study of this request and report to the Council at a later date. The Mayor also suggested that this group might look at the Country Club as there might be a part of that building that they could use after the City gets possession of same, about January 1, 1950.

The bids received on the construction of a sanitary sewer line in Waller Creek, from 7th street to 26th street, were discussed again. The low bid received on April 12th was Joe Bland Construction Company in the amount of \$248,581.35. The City Manager recommended that all bids received be rejected and the work be done by the City forces, as recommended by the Director of Public Works, at an estimated cost of \$162,000.00.

Councilman Glass moved that all bids received April 12th, 1949 for the construction of a sanitary sewer line in Waller Creek, from 7th street to 26th street, be rejected. The motion carried by the following vote:

Ayes: Councilmen Bartholomew, Glass, Johnson, Long, Mayor Miller

The motion

The motion carried by the following vote:

Ayes: Councilmen Bartholomew, Glass, Johnson, Long, Mayor Miller  
Noes: None

The following applications for zoning changes were duly advertised for public hearing at 11 A. M. this date:

Mr and Mrs J. Miller Elliott, change from "B" Residence to "C" Commercial, the property known as 306 East 10th street

Board of Adjustment RECOMMENDED this change.

No one appeared to protest this change, and the proponents were represented by their attorney, Harry Pollard.

Councilman Glass moved that the recommendation of the Board of Adjustment be sustained and the change GRANTED and the City Attorney instructed to prepare an ordinance. The motion carried by the following vote:

Ayes: Councilmen Bartholomew, Glass, Johnson, Long, Mayor Miller  
Noes: None

Roland B. Moore, change from "A" Residence to "C" Commercial, the East 23' of Lot 15, Block 2, Division A, Walsh Place and located at 3501 Bonnie Road.

Board of Adjustment RECOMMENDED this change.

Roland Moore and Frank Montgomery appeared for this change. There was a large delegation of property owners in that area who appeared and protested this change vigorously. After a lengthy discussion of this requested change, pro and con, the Mayor called for a vote of the Council. The vote was to be Aye if the Councilman favored sustaining the Board of Adjustment in their recommendation, and No, if they did not wish to sustain the recommendation.

Roll call showed the following:

Ayes: None  
Noes: Councilmen Bartholomew, Glass, Johnson, Long, Mayor Miller

Adolph Kohn, Sr. Estate by change from "B" Residence to "C" Commercial, the property located at 407 West Coleman Gay, Attorney 7th street.

Board of Adjustment RECOMMENDED this change.

Coleman Gay, attorney representing the Adolph Kohn, Sr. Estate, appeared for this change. He stated that if this property were changed to "C" Commercial, it could be sold and the estate settled and taxes paid, but to be left as rental property there would not be sufficient funds to meet these taxes which must be paid to the Federal Government very soon.

Mrs. P. A. Welty, 405 West 7th street, protested this change, stating that it would depreciate her property materially. Mrs. Leo Martin, representing Mrs. Florence West, appeared and protested the change. She stated that her mother's property is immediately across the street from the Kohn property and a commercial building would depreciate their property. Further, 7th street, between Guadalupe and San Antonio streets, is too narrow to have commercial buildings on it, and is now very dangerous. She asked if the City would not make this a one-way street.

The Board of Adjustment recommended that the property owned by Mrs. P. A. Welty and located at 405 West 7th street, be included in this change and this would then place that entire block in "C" Commercial district. Mrs. Welty stated that as long as the property at 407 was going to be changed, she would agree to her property being included in this change.

Councilman Glass moved that the recommendation of the Board of Adjustment be sustained on the change from "B" Residence to "C" Commercial on the property belonging to the Adolph Kohn, Sr. Estate located at 407 West 7th street and the property of Mrs. P. A. Welty located at 405 West 7th street and the change GRANTED and the City Attorney instructed to prepare an ordinance. The motion carried by the following vote:

Ayes: Councilmen Bartholomew, Glass, Johnson, Mayor Miller

Noes: Councilman Long

Councilman Glass moved that the City Manager be instructed to investigate the request for a one-way street on West 7th street, between Guadalupe and San Antonio streets, and to have this done, if he deems it advisable. The motion carried by the following vote:

Ayes: Councilmen Bartholomew, Glass, Johnson, Long, Mayor Miller

Noes: None

The following changes requested on property located on East Avenue or what will be known as the Interstate Highway, from "A" Residence to "C" Commercial, were heard:

<u>R. C. Hoover, Mrs. Elsie Wiswell and David Pearson.</u>	807 East 21st street, 2022 and 2024 Swisher street.
<u>Mr and Mrs W. C. Lear,</u>	2803 East Avenue
<u>Allan H. Leistico,</u>	3800 and 3806 East Avenue, 1019 and 1021 East 38 $\frac{1}{2}$ street, and 1018 and 1020 East 38th street.

After a lengthy discussion regarding these changes - the greatest protest coming from a number of property owners on the east side of East Avenue, in the 4500 and 4600 blocks, on account of the proposed tourist court which Webb Connelly intends to build - the Council advised all of the applicants that if this change was granted it would have to be subject to any setback requirements that may be passed by the Council. All of the applicants agreed to this.

Councilman Long, seconded by Councilman Glass, moved that these requests for change in zoning from "A" Residence to "C" Commercial on the above described property be GRANTED and the City Attorney instructed to prepare an ordinance. The motion carried by the following vote:

M.

The Board of Adjustment did not make any recommendations on the property on East Avenue stating that they wished to wait until after the setback regulations were established before recommending commercial locations.

WHEREAS, several meetings with the Advisory Committee have been held and the matter has been discussed in considerable detail; therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT the following charges are hereby authorized for the use of the City Coliseum:

Food Shows	Boxing
Shrine Circus	Ice Skating
Automobile Shows	Circus
Basket Ball Games	Charity Balls
Tennis Matches	Dog or Animal Shows
Wrestling	

For the first day	\$150.00
For the next two days	\$135.00 per day
For the next two days	\$125.00 per day
For the sixth day and each day thereafter	\$100.00 per day

In addition, all users for activities named in this paragraph shall pay the actual costs for all additional labor needed for special seating arrangements, and shall pay an amount to be fixed by the City for special electrical equipment beyond the lighting and electrical facilities normally available and used as a part of the building.

Church conventions, religious meetings, political meetings, sorority and fraternity dances, policemen's balls, and other activities of a like nature, \$50.00 per night where the building is used for night activities only.

Teen-age dances and other school activities where the building is used only at night shall pay a charge of \$25.00 for each use.

IT IS FURTHER stated to be the policy of the City Council that concession rates shall be separate and apart from these uses and shall be awarded by the City Council annually for each fiscal year based on -

- (a) Prices which the concessionaire will charge;
- (b) The equipment and services which he proposes to furnish;
- (c) The percentage of gross profits which he agrees to pay for the concession rights to the City of Austin.

IT IS FURTHER declared to be the policy of the Council that activities of a purely commercial nature not sponsored or in charge of any local civic group be not permitted to use the Coliseum.

It is the opinion of the City Council that the fees to be charged and the revenue to be expected from the Coliseum should be at least sufficient to meet all operating costs including repairs, maintenance, labor, utilities; and, if possible, to include also a sufficient amount to cover depreciation of the building itself. It is not anticipated, but it would be highly desirable if the revenue from the City Coliseum would be sufficient to retire at least in part the capital investment necessary for its construction.

It is the purpose and intention of the Council that the Coliseum be available for all activities of the Recreation Department and of the various civic organization of the city, and the costs herein prescribed are believed to be the minimum that will permit the proper maintenance and operation of the building so as to be of the greatest service and the greatest benefit to the citizens of Austin.

Whenever the City Manager shall consider it advisable, he is authorized to require liability bonds from any user to protect the City from damage or loss.
