MR. C. T. JOHNSON appeared before the Council asking permission to erect a banner for the Billy Graham Crusade. Councilman MacCorkle moved that permission for the erection of a banner between two lights posts on the Capitol grounds for the Billy Graham Crusade be granted as requested by MR. C. T. JOHNSON, the banner to be erected under the direction of the Engineering Department. The motion, seconded by Councilman Long, carried by the following vote:

Mr. Perry Jones, representing Mr. B. M. Gafford, requested the Council to revoke a boat-dock permit granted to MR. MARION FOWLER, as the docks he is working on are in violation of the City ordinance. MR. TRUEMAN E. O'QUINN represented Mr. Fowler. After much discussion, Councilman MacCorkle stated it was his impression that the city's property rights had been infringed upon, and that if the remaining of these docks are constructed, the ordinance would be violated. Mayor Drake stated there were some problems that were legal, and that the Council should not have to pass on. Councilman Long moved that the permit for the building of the additional boat docks be revoked since the construction of the remaining docks would be in violation of the existing ordinance. The motion, seconded by Councilman White, carried by the following vote:

Ayes: Councilmen Long, MacCorkle, White
Noes: Councilman Johnson, Mayor Drake.

The Mayor announced that the permit had been revoked in accordance with the motion, which passed by a three to two vote.

THAT, THE CITY MANAGER BE, AND HE IS HEREBY, AUTHORIZED AND DIRECTED to destroy or cause to be destroyed, by cremation in the City Incinerator, before witnesses, all such bonds and interest coupons having been fully recorded and verified as above stated.

The motion, seconded by Councilman Long, carried by the following vote:
Ayes: Councilmen Johnson, Long, MacCorkle, White, Mayor Drake
Noes: None

The Mayor appointed Councilman WHITE to be a witness to the cremation of the above listed bonds.

Councilman Long moved that the following be appointed as members on the Retirement Board:

MR. WILLARD HOUSER
MR. B. R. A. JORDAN
MR. W. P. WATTS

The motion, seconded by Councilman MacCorkle, carried by the following vote:
Ayes: Councilmen Johnson, Long, MacCorkle, White, Mayor Drake
Noes: None

Councilman Long moved that the City Market be used for parking space and a car-pool for a Convention, as requested by MR. EDDY BROWN, Chairman of the Convention Committee, Chamber of Commerce. The motion, seconded by Councilman White, carried by the following vote:

Ayes: Councilmen Johnson, Long, MacCorkle, White, Mayor Drake
Noes: None

Councilman MacCorkle inquired about the personnel report which was pending. He inquired if it would have a definite recommendation about a holiday on "June 19", and an explanation of the 48-hour and 44-hour week. The City Manager stated the report was being edited and would be ready shortly, and would include this information.

Councilman MacCorkle inquired about paving in subdivisions. The City Manager stated some subdivision regulations were being worked up for recommendation. He stated the hold-up on the paving recommendation was that any good plan of paving involved drainage, and this matter had not been worked out to a conclusion.

Councilman White noted there was a rabid dog on East Live Oak, and there were a lot of dogs running wild. He stated there were a lot of dogs around the park on 10th Street, west of Blanco, that were all the time fighting. Councilman Long reported an incident where the Police Department was called to get a dog, and they replied the Dog Warden was off duty; and finally after the Department was called again, the warden came out. The City Manager said the dog warden was subject to call after his regular hours.

Councilman White asked about the recommendations on the use of the old City Market. The City Manager stated he would have a recommendation very shortly.

There being no further business, the Council adjourned at 2:30 P.M., subject to the call of the Mayor.
