

MINUTES OF THE CITY COUNCIL

CITY OF AUSTIN, TEXAS

Regular Meeting

November 10, 1954
10:00 A.M.

Council Chamber, City Hall

The meeting was called to order with Mayor McAden presiding.

Roll Call:

Present: Councilmen Long, Pearson, Thompson, White, Mayor McAden
Absent: None

Present also: W. E. Seaholm, City Manager; W. T. Williams, Jr., City Attorney; C. G. Levander, Director of Public Works.

Invocation was delivered by DR. E. B. BRATCHER, Tarrytown Baptist Church.

Pledge of Allegiance to the Flag.

MR. PAUL HORNBERGER submitted a petition signed by 112 firemen and some resolutions from different veterans' organizations asking that the name of ROGGE LANE be changed to P.W. SEIDERS ROAD. The City Manager stated the City was concerned only with that which was inside the city limits, and that ROGGE LANE came in as a part of the subdivision when it was approved. Two petitions had been received--one for the change to P.W. SEIDERS ROAD, and the other for keeping the street named ROGGE LANE. Councilman Pearson had information that MR. ROGGE had given quite a bit of the right-of-way to straighten out the whole road. Councilman Thompson suggested that the wishes for the people who own property and live on Rogge Lane be considered and the Council do whatever they wish it to do. Councilman White was under the impression those people were the ones that wanted the street left as Rogge Lane. Councilman Long suggested if they could not get together that they be approached on changing the whole road to ROGGE-SEIDERS. The Council deferred further action on Mr. Hornberger's request for two weeks.

The Council had before it for further consideration the following zoning application:

The Mayor announced that the change had been granted and the City Attorney was instructed to draw the necessary ordinance.

MRS. BENJAMIN FRANKLIN MOORE, residing just outside the City limits on the San Antonio Highway, came before the Council for assistance. She had been included in the Water District without notice, and she would have asked to have been excluded had she known anything about the incorporation of this district. She had been served through the City Water System for 15 years. MRS. MOORE was advised that since this was not a matter under the Council's jurisdiction that she go before the Commissioners Court to see if she could be excluded from the Water District.

Councilman White offered the following resolution and moved its adoption:
