The following report of the Board of Adjustment was received:

"ZONING BOARD OF ADJUSTMENT  
AUSTIN, TEXAS  
ZONING CHANGE RECOMMENDATION.

Applicant: M. H. Crockett, M. O. Speir, Mrs. Sue Ferguson, Travis Woodland, Miss Afton Wynn, and S. E. Best for A. C. Knippa and G. C. Seiders, and Mr. and Mrs. Tom E. Johnson

I. Referred to the Board by the City Council on : August 21, 1947, and September 11, 1947.

II. Property affected:

Property fronting on the east side of Lamar Boulevard and on Owen Avenue, extending from 33rd Street to 35th Street as shown on the attached plat.

III. To be changed

From : "A" Residence District

To : "C" Commercial District

IV. Considered by the Board on : September 2, 1947, and September 23, 1947.

V. Parties appearing:

For : M. O. Speir and Mrs. Ferguson. (No hearing was called at the last meeting.

Against: None

VI. Action of the Board: Change not recommended.

For the following reasons:

1. An application was first filed by M. H. Crockett for a change in his property fronting on Lamar Boulevard north of West 34th Street and, later, several adjacent property owners filed an application asking that their property be included in the change, and also an application from property owners south of 34th Street joining in the request for a change of their property, thereby enlarging the area requested to be zoned commercial to include all the property fronting on the east side of Lamar Boulevard from 33rd Street to 35th Street, and also including some property fronting on Owen Avenue.
2. The Board recently recommended the change at the corner of West 34th Street and Lamar Boulevard as an extension of the present commercial zone on West 34th Street since the Board considered that West 34th Street should be the commercial street for convenience of access from the west.
3. The present requests for an extension in both directions along the future Lamar Boulevard would initiate a string development along the Boulevard which the Board deems should be discouraged and considers that access to any business north and south of West 34th Street would be less accessible from West Austin by way of 34th Street, which is the only cross-thoroughfare between 24th and 45th Streets.
4. Attention is further called to the fact that the properties of M. O. Speir, Silas G. Ferguson, and M. H. Crockett on the east side of the Boulevard will have their depth decreased to approximately 57 feet from front to rear property lines since a portion of these lots will be needed for the Boulevard, all of which has been acquired except that of Mr. Crockett. Since a setback of 25 feet will be required by the Ordinance, approximately 32 feet would be available for the depth of buildings fronting on the Boulevard.
5. If this change is allowed, practically all of the business establishments would front on Lamar Boulevard on one side and sooner or later all of the opposite side would demand the same rights, resulting finally in greatly adding to the traffic congestion on the Boulevard and tending to destroy the purpose and function of the Boulevard. The Board feels that it should be the policy of the City to free the boulevards from commercial congestion and to maintain them for their original purposes of providing uninterrupted communications between distant parts of the City and the central business district.
6. Since all of the right-of-way has not yet been acquired for the extension of Lamar Boulevard, it is deemed that any change of zoning along the Boulevard is premature and should at least await the completion of the Boulevard and a careful study made of the effects of any changes made in the zoning districts abutting thereon.

(Sgd) H. F. Kushne  
Chairman. "

Councilman Glass moved that a public hearing on the foregoing applications for change in zoning be called for Thursday, October 16, 1947, at 11:00 A. M. The motion carried by the following vote:

Ayes : Councilmen Bartholomew, Glass, Johnson, Mayor Miller, and Councilman Thornberry

Noes : None

Pursuant to published notice thereof, the public hearing on the application of Mrs. H. L. Marks, Agent for Owners, to amend the Zoning Ordinance in the following particular :

To amend the USE designation of the following described property so as to change the same from "B" Residence District and Second Height and Area District to "C" Commercial District and Second Height and Area District, to-wit:

Lots 4, 5, and 6, Block 148, Original City, being located south of West 13th Street between Lavaca and Colorado Streets, and being locally known as 1210 Colorado Street, in the City of Austin, Travis County, Texas,

was duly opened.

No property owner or other interested person appeared to protest the proposed change. Councilman Glass then moved that the hearing be closed and the action of the Board of Adjustment be sustained and the change be granted; and the City Attorney be instructed to prepare the ordinance making the change effective for passage at the next Regular Meeting. The motion carried by the following vote:

Ayes : Councilmen Bartholomew, Glass, Johnson, Mayor Miller, and Councilman Thornberry

Noes : None

The following report of the Board of Adjustment was received:

"ZONING BOARD OF ADJUSTMENT  
AUSTIN, TEXAS  
ZONING CHANGE RECOMMENDATION .

Applicants: Mrs. R. H. Kirby, Mrs. S. W. Johnson, Mrs. Ethel Hartman, H. D. Pruett, Jr., Noel K. Brown, and Dan Stathos, by William Trenckmann, Attorney.

I. Referred to the Board by the City Council on : September 11, 1947.

II. Property affected:

The south half of Blocks 172 and 173, of the Original City of Austin, being the property fronting south on 14th Street between Colorado Street and Brazos Street.

III. To be changed

From: "B" Residence District and Third Height and Area District

To : "C" Commercial District and Third Height and Area District.

IV. Considered by the Board on : September 23, 1947.

V. Parties appearing:

For : None (no hearing called)

Against: None

VI. Action of the Board: Recommends that the south 92 feet of these two blocks be changed to "C" Commercial District.

For the following reasons:

1. This request is for a change in the Use designation of property located on the north side of 14th Street, between Colorado and Brazos Streets, for a depth of one-half the blocks, to permit its development for commercial purposes since the property on the south side of 14th Street is designated as a commercial district.
2. A change in the zoning of this property was recommended by the Board on April 16, 1946, after a request was filed by several property owners, but was denied by the City Council after objection was expressed by members of the St. Martin's Evangelical Lutheran Church.
3. The applicants now affirm that there is a renewed demand for commercial uses in this area, especially since the property across 14th Street is now zoned to permit such uses.
4. An examination of the plat records show that lots in these two blocks originally faced east and west, but that the majority of the south two lots of each block have been re-subdivided to face 14th Street.
5. The Board deemed under the conditions and circumstances that the south portion of these blocks should be changed to "C" Commercial District for a depth of 92 feet so that commercial development would front on 14th Street instead of Congress Avenue, and that this property is now more suited to business purposes than residential.

(Sgd) H. F. Kushne  
Chairman "

Councilman Glass moved that a public hearing on the foregoing application for change in zoning be called for Thursday, October 16, 1947, at 11:00 A. M. The motion carried by the following vote:

Councilman Thornberry

The following report of the Board of Adjustment was received:

"ZONING BOARD OF ADJUSTMENT  
AUSTIN, TEXAS  
ZONING CHANGE RECOMMENDATION .

---

Applicants: R. G. Mueller and C. R. Wilkerson

I. Referred to the Board by the City Council on: September 11, 1947

II. Property affected:

Lots 4, 5, and 6, Block 7, Oakmont Heights Addition, being located on the north side of West 35th Street between Jefferson Street and Lawton Avenue.

III. To be changed

From : "A" Residence District and First Height and Area District

To : "C" Commercial District and First Height and Area District

IV. Considered by the Board on: September 23, 1947

V. Parties appearing:

For : R. G. Mueller

Against: E. J. Davis, Jr., and Mr. Beard, objecting to a change on Lots 5 and 6, but not objecting to an extension to include Lot 4.

VI. Action of the Board: Recommends that the present commercial zone be extended to include Lot 4, but not Lots 5 and 6

For the following reasons:

1. This application is for the extension of an existing commercial district at the northwest corner of West 35th and Jefferson Streets to include three lots to the west extending to Lawton Avenue, being bounded on the north by an alley.
2. The applicant, R. G. Mueller, stated that he proposed to construct an addition to his commercial building on the existing business property to provide a drug store and possibly a cleaning and pressing shop to serve the needs of the community, and that when he had discussed the proposed construction with the Building Inspector it was disclosed that the addition would extend onto Lot 4, which is in the residence area. Mr. Mueller further stated that

he also owns Lot 6, which is adjacent to Lawton Avenue, with intervening Lot 5 owned by Mr. Wilkerson, who joins Mr. Mueller in including his lot in the application, so that the present zone would be extended to Lawton Avenue, thus extending from one street to another.

3. E. J. Davis, Jr., owning property north of these lots, and Mr. Beard, owner of property across West 35th Street from the lots, appeared and protested the extension of the present commercial district to Lawton Avenue but had no objection to the inclusion of Lot 4 to provide for the proposed addition, and affirmed that there is a definite need in this community for a drug store in addition to the grocery store now in the community center.
4. Mr. Mueller stated that there is a duplex now on Lot 5, owned by Mr. Wilkerson, which will be replaced later with a commercial building if the zone is extended, but that there are no immediate plans for erecting any commercial buildings on Lots 5 and 6.
5. The Board deemed under the conditions and circumstances that to extend the present commercial zone to include Lot 4 and permit the addition to the present business building would not be objectionable, and would meet the immediate need, but that the remaining Lots 5 and 6, should remain in a residence district since there are no immediate plans for its use for commercial purposes and no demand.
