

speeding be denied, in view of the facts in the case and the recommendation of the Police Department, was read. Councilman Bartholomew moved that the recommendation of the City Attorney be approved and the application of the said Bill King for a remission of said fine and costs be denied, but that the time of payment of said fine and costs be extended to cover a period of six months if so desired. The motion was seconded by Councilman Alford and same prevailed by the following vote: Ayes, Councilmen Alford, Bartholomew, Gillis, Mayor Miller, and Councilman Wolf, 5; nays, none.

Mayor Miller moved that the Council, by rising vote, express its sympathy and regret to the family of Hal B. Naylor, Manager of the Robert Mueller Airport, on the unfortunate accident a few days ago while on duty, which resulted in his death, and to further express approval and commendation of the excellent condition in which the books and affairs at the Airport were found to be under his management. The motion was seconded by Councilman Gillis and carried unanimously.

There being no further business before the Council, Councilman Alford moved to recess subject to call of the Mayor. The motion was seconded by Councilman Gillis and same prevailed by the following vote: Ayes, Councilmen Alford, Bartholomew, Gillis, Mayor Miller, and Councilman Wolf, 5; nays, none.

The Council then recessed.

Attest:

Halle McKeel City Clerk

Approved:

Tom Miller  
MAYOR.

**SPECIAL MEETING OF THE CITY COUNCIL:**

Austin, Texas, June 12, 1933.

The Council was called to order by the Mayor. Roll call showed the following members present: Councilmen Alford, Bartholomew, Gillis, Mayor Miller, and Councilman Wolf, 5; absent, none.

Mayor Miller stated that the meeting was called for the purpose of considering the various projects for which the City of Austin will make application for loans under the Federal Public Works Bill.

After discussing the matter at length, the Council instructed the City Manager to send the following letter to Colonel Lawrence Westbrook, Director, Texas Rehabilitation and Relief Commission:

"Austin, Texas, June 13, 1933.

Mr. Lawrence Westbrook, Director  
Texas Rehabilitation and Relief Commission,  
State Capitol,  
Austin, Texas.

Dear Sir:

I am submitting herewith project surveys on a number of proposed work jobs for the City of Austin, all of which I believe come under approved lists of work as outlined in the recently enacted Public Works Bill.

Some of these projects, as you will note from the individual project surveys, are anywhere from 50 to 100 per cent complete so far as plans and specifications are concerned and work on same could be commenced within a few days after the loans are authorized; others have had no preliminary work done on the plans and the method of financing so far as security to be offered has not been worked out nor have certain self-liquidating projects been

gone into in detail with respect to anticipated revenues which might be pledged in payment. The following is a summary of these projects in so far as a brief description and total cost is concerned and have been divided into groups according to the class and nature of the work proposed.

GROUP NO. I:

Group No. I consists of various building construction in the way of public improvements as follows:

1. City Incinerator - - - - -	\$ 75,000.00
2. Service building annex to Water, Light and Power Plant -	150,000.00
3. Public School Buildings - - - - -	341,000.00
4. Public Market Building - - - - -	52,500.00
5. Nurses' Home adjacent to Brackenridge Hospital - - - - -	31,500.00
6. Additional Wing on Brackenridge Hospital - - - - -	63,000.00
7. City Hall, new construction - - - - -	262,000.00
8. Municipal Auditorium, new construction - - - - -	185,500.00
9. Building and improvement, Robert Mueller Airport - - - -	<u>85,000.00</u>

Total estimated cost of Group No. I - \$1,245,500.00

GROUP NO. II:

Group No. II consists of new construction and improvements to the City Water Plant and City Water Distribution System:

1. Construction of raw water pump house and pump - - - - -	\$ 60,000.00
2. Installation of screen house and intake tunnel for raw water at plant - - - - -	45,000.00
3. Purchase and installation of new high service pump - - -	13,000.00
4. Construction of concrete cover on City Reservoir - - - -	25,000.00
5. Construction of 6,000,000 gallon settling basin as addition to the present settling facilities, enlarged head-house and installation of lime unloading and feeding equipment - - - - -	100,000.00
6. Spray Pond - - - - -	75,000.00
7. 12,000,000 gallon reservoir, high service booster station and additional water main extensions varying from 6" to 24" - - - - -	651,660.00
8. Construction of Low Water Dam - - - - -	<u>200,000.00</u>

Total estimated cost of Group No. II - \$1,171,660.00

GROUP NO. III:

Group No. III consists of improvements and extensions to the Municipal Power Plant and Electric Distribution, street lighting, etc.

1. Installation of 7500 KW steam turbo generator and one 10,000 sq. ft. surface condenser, and auxiliaries - - - - -	\$ 275,000.00
2. Repairs to the boiler settings of present 750 HP boilers -	15,000.00
3. Installation of fire alarm system - - - - -	150,000.00
4. Underground electric distribution system, down-town area -	350,000.00
5. Electric distribution system improvement, including additional substations and distribution feeders - - - -	60,000.00
6. Installation street lighting system for Congress Avenue -	40,000.00
7. Installation of boulevard lighting system of newly constructed streets - - - - -	<u>300,000.00</u>

Total estimated cost of Group No. III - \$1,190,000.00

GROUP IV:

Group No. IV consists of additional sewage facilities and sewage plant:

1. Sewage Treatment Plant, including pump plant, drying beds, filters, Imhoff tanks, etc. - - - - -	\$ 450,000.00
2. Extension of storm sewers - - - - -	100,000.00
3. Sanitary sewer extensions and laterals - - - - -	<u>175,000.00</u>

Total estimated cost of Group IV - \$ 725,000.00

GROUP No. V:
