

5. It is agreed to commence the engineering work enumerated under the above Item I immediately after the execution of this contract, and to push the same to completion without interruption, and to complete same within forty (40) days from date of the execution of this contract.

6. IN CONSIDERATION of the performance of all of the above engineering services, the City of Austin shall pay to Burns & McDonnell Engineering Company, Consulting Engineers, an amount equal to five percent (5%) of the total cost of the entire improvements; payments to be made as follows:

Seven Hundred and Fifty Dollars (\$750.00) shall be paid at the time of completion and presentation of the preliminary report, plans and estimate; an amount equal to two and one-half percent (2½%) of the estimated cost of the improvements shall be paid at the time of completion of the final plans and specifications and their approval by the State Board of Health and City Council. The balance of the engineering fee shall be pro-rated in as many months as may be required for the completion of the construction work. It is agreed, however, that if the City Council does not approve the reports, plans and estimates provided for in Items I and II hereof, or does not order the bond election, or if the bonds are not voted at an authorized election, or funds otherwise provided for the said improvements, then there shall be no compensation due said Burns & McDonnell Engineering Company for said engineering services, other than the Seven Hundred and Fifty Dollars (\$750.00) paid at the time of the completion of the preliminary plans, estimates and report.

The above resolution was adopted by the following vote: Ayes, Mayor Yett, Councilmen Copeland, Eyres, Haynes and Searight, 5; naves, none.

The Council then adjourned.
