

Following a discussion of the foregoing matter, Councilman Bartholomew stated that he wished to go on record as being opposed to the foolish expenditure of Federal funds for the building of a city hall, a race track, or similar projects; but that he was in favor of borrowing a reasonable amount from the Government for the construction of sanitary sewers, water mains, and other projects where the greater part of the expenditure would be for labor.

There being no further business before the Council, Councilman Alford moved to recess subject to call of the Mayor. The motion was seconded by Councilman Gillis and same prevailed by the following vote: Ayes, Councilmen Alford, Bartholomew, Gillis, Mayor Miller and Councilman Wolf, 5; nays, none.
