Mr. J. Harris Gardner, Attorney for Miss Roberts Lavender, came before the Council and complained of the excessive use of the alley between Twenty-first and Twenty-second Streets and Guadalupe and San Antonio Streets by a large volume of traffic wishing to avoid the traffic lights on parallel streets, declaring that it was becoming difficult for his client to rent her property in this block on account of this annoying situation. Following a discussion of the matter, the City Attorney was instructed to prepare an ordinance, designating this alley as a one-way drive, and have same ready for passage at the next regular meeting.

Mr. O. A. Schutze, Chairman of a committee from the Lions Club, submitted to the Council a resolution passed by said Club, recommending the bituminous-surfacing of approximately forty-nine miles of streets in the City under the Public Works Program, and offering their cooperation and assistance in putting this project over. The matter was taken under advisement.

Mayor Pro tem Wolf announced that the hearing called for this day, by published notice thereof, on the proposal of the City Council to amend the Zoning Ordinance of the City of Austin in the following particulars would be opened:

(1) To amend the Use designation of Lots 4 and 5, Block 4; Lots 1, 2, 3, 4, and 5, Block 9; and Lots 1, 2, 3, 4, and 5, Block 10, Division "B", Christian and Pellman Addition to the City of Austin, said property being located directly across the street from the eastern boundary line of the University Campus and facing on Red River Street, so as to change same from "B" Residential District to "G" Commercial District.

Mr. O. A. Schutze submitted a written protest against the proposed change, signed by fifteen property owners, and stated orally his objections to the proposed change substantially as follows: That there is no need for more business property in this neighborhood at the present time; that such change would decrease the value of adjacent residential property; that Red River north of Looons Street is fundamentally a residential street; and that there is an increasing demand for housing facilities along this street by reason of the proximity of the Laboratory Junior High School.

Mr. Thea. O. Jensen and a large number of other property owners were present and plead for the change on the grounds that the location is more desirable for commercial than for residential purposes and that it would be unfair to deny them the privileges already enjoyed by the protesters, following which Mr. Schutze stated that he withdrew his objections.

The following report of the Board of Adjustment was read:

"Austin, Texas, July 19, 1933.

Gentlemen:

Attached hereto is a copy of a resolution which was passed by the Board of Adjustment at a meeting held on July 18, 1933, in regard to the changing of the Use designation of
property located on Red River Street across the street from the eastern boundary line of the University Campus.

Yours respectfully,

(Sgd) H. F. Kuehne, Chairman
Board of Adjustment.

REASON

WHEREAS, the City Council, in accordance with the terms of the Zoning Ordinance, has submitted to the Board of Adjustment, for its consideration and recommendation, an amendment to the Zoning Ordinance providing for the change of the Use designation of Lots 1, 2, 3, 4, and 5, Block 1; Lots 1, 2, 3, 4, and 5, Block 9; and Lots 1, 2, 3, 4, and 5, Block 16, in Division 45, Christian and Fellman Addition to the City of Austin, all of said property being located directly across the street from the eastern boundary line of the University Campus and facing on Red River Street, from "B" Residential District to "G" Commercial Districts; and

WHEREAS, the Board of Adjustment has carefully considered this matter and found objection to such change; therefore,

BE IT RESOLVED BY THE BOARD OF ADJUSTMENT OF THE CITY OF AUSTIN:

That the above amendment to the Zoning Ordinance and change in the Use District map be and is hereby disapproved and not recommended to the City Council of the City of Austin for the following reasons:

1. That the petition to the City Council requesting the change in the zoning designation of the above described property included all Lots in Block 16, all Lots in Block 9, and Lots 4 and 5 in Block 4, but an examination of the plat book of the City of Austin discloses that there are five Lots in Block 4, Lots 1 and 2 being now zoned for Commercial "G" purposes and Lots 1, 4, and 5 for "B" Residential purposes, the petition thus leaving out Lot 3, which would remain a Residential "B" lot.

2. That should the petition be granted there would be left a strip consisting of Lot 3 in Block 4 as a "B" Residential lot between two "G" Commercial lots.

3. That such strip zoning would not be reasonable nor logical and would be contrary to all principles of zoning and would be detrimental to the interests of the property owner of said lot and depreciate its value for residential purposes; and

BE IT FURTHER RESOLVED, That should the petition for the said change be unanimous on the part of all bona fide owners of the Lots mentioned in the petition and including Lot 3, then the Board of Adjustment would not disapprove the said change.

The Council took no action on the above matter, pending the necessary legal procedure for the inclusion of Lot 3, Block 4, above described, in the proposed change.

Mrs. Elisabeth Gardner, Local Director of the Travis County R. F. C. Relief Commission, came before the Council and requested that the City and County, jointly, pay the rental for their office headquarters at 5th and San Antonio Streets, amounting to $25.00 per month, and for their Commissary at 513 West 4th Street, amounting to $65.00 per month, beginning May 1st, 1933, as the Federal Administrator at Washington had ruled that no R.F.C. funds could be expended for this purpose, all cities and counties being required to furnish housing facilities for their R. F. C. agencies.

The Council deferred action on the above matter pending a meeting with the County Commissioners on Saturday, July 22nd, to ascertain what the County would be willing to do in the premises.

A communication from W. M. Wolf, asking that the City refund to him all occupation taxes paid by him on coin vending machines for the year 1932, amounting to $57.50, as same was not a legal charge under an Act passed by the 42nd Legislature, was read and referred to the City Attorney for a legal opinion.
