WHEREAS, W. O. Gustafson is the contractor for the construction of a building located
at 320-322 East 1st Street and desires a portion of the sidewalk space abutting the south
one-half of Lots 5 and 6, Block 6 of the Original City of Austin, Texas, during the construction of the building, such space to be used in the work and for the storage of materials therefor; therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

1. THAT space for the uses hereinabove enumerated be granted to said W. O. Gustafson, the boundary of which is described as follows:

**SIDEWALK WORKING SPACE**

Beginning at the southwest corner of the above described property; thence in a southerly direction and at right angles to the centerline of East 1st Street a distance to a point 4 feet north of the north curb line of East 1st Street; thence in an easterly direction and parallel with the centerline of East 1st Street a distance to the west line of Trinity Street; thence in a northeasterly direction and at a 45° angle with the centerline of East 1st Street a distance to a point 4 feet west of the west curb line of Trinity Street; thence in a northerly direction and parallel with the centerline of Trinity Street a distance of 50 feet; thence in a westerly direction and at right angles to the centerline of Trinity Street a distance to the west line of Trinity Street; thence in a southerly direction along the west line of Trinity Street to the north line of East 1st Street; thence in a westerly direction along the north line of East 1st Street to the place of the beginning.

2. THAT the above privileges and allotment of space are granted to said W. O. Gustafson, hereinafter termed "Contractor", upon the following express terms and conditions:

(1) That the Contractor shall construct a guard rail within the boundary line along the east line of the above described space in Trinity Street and along the south line of the above described space in East 1st Street, such guard rail to be at least 4 feet high and substantially braced and anchored.

(2) That the Contractor shall in no way obstruct any fire plugs or other public utilities in the construction of such guard rail.

(3) That provision shall be made for the normal flow of all storm waters in the gutter and the Contractor will be responsible for any damage done due to obstruction of any such storm waters.

(4) That the Contractor shall place on the outside corners of any walkway barricades or obstructions red lights during all periods of darkness.

(5) That the Contractor is permitted to construct a temporary work office within such allotted working space provided such work office is not within 25 feet of any corner street intersection.

(6) That the Contractor shall remove all fences, barricades, loose materials and other obstructions on the sidewalk and street immediately after the necessity for their existence on said sidewalk or street has ceased, such time to be determined by the City Manager, and in any event all such sidewalk, barricades, materials, equipment and other obstructions shall be removed not later than December 1, 1933.

(7) That the Contractor shall restore all public and private property injured during the use of such space to as good condition as the same existed before the use of such space began.

(8) That the City reserves the right to revoke at any time any and all the privileges herein granted or to require the erection or installation of additional barriers or safeguards if the conditions demand it.

(9) That the Contractor shall furnish the City of Austin a surety bond in the sum of Five Thousand ($5000.00) Dollars, which shall protect, indemnify and hold harmless the City of Austin from any claims for damages to any person or property that may accrue to or be brought by any person by reason of the exercise of the privileges granted the Contractor by the City of Austin and shall guarantee the replacement of all sidewalks, pave-
