REGULAR MEETING OF THE CITY COUNCIL:

Austin, Texas, May 29th, 1930.

The Council was called to order by the Mayor. Roll call showed the following members present: Mayor McFadden, Councilmen Pannell, Reed, and Steck, 4; absent, Councilman Mueller, 1.

The Minutes of the regular meeting of May 15th, the special meeting of May 17th, and the regular meeting of May 22nd were read and Councilman Pannell moved the adoption of same as read. Motion was seconded by Councilman Reed, and same prevailed by the following vote: Ayes, Mayor McFadden, Councilmen Pannell, Reed, and Steck, 4; nays, none; Councilman Mueller absent.

A committee of citizens from the South Side, represented by Messrs. John LaPrelle and Gillespie Stacy, were heard in a vigorous protest against the paving width of South Congress Avenue from Nellie Street to the bluff being made 76 feet instead of 90 feet. The Council took the matter under advisement.

The Mayor announced that, due to changes to be made in the assessments by reason of the Austin Street Railway Company's decision not to remove their tracks on these streets, the hearing on the following streets:

Guadalupe Street from the North line of Twenty-seventh Street to the East line of Nueces Street, known and designated as Unit or District No. 30;

Guadalupe Street from the East line of Nueces Street to the South line of Fortieth Street, known and designated as Unit or District No. 31;

Guadalupe Street from the South line of Fortieth Street to the North line of Forty-fifth Street, known and designated as Unit or District No. 32;

which was set for this day would be cancelled and another hearing called for June 12th, next.

This being the day set for the hearing of owners of abutting property and others interested with reference to street improvements to be constructed in the certain unit or district of improvement, as follows:

NUECES STREET from the South line of Twenty-eighth Street to the West line of Guadalupe Street, known and designated as Unit or District No. 29;

as awarded to L. E. Whitham & Company

the Mayor thereupon stated that all persons desiring to protest against the levying of assessments against abutting property on the above mentioned street and within the limits above stated, or who desired to be heard with reference to the improvements proposed to be assessed against said property and the owners thereof, the lien and

liability thereof, the special benefits to the property and the owners thereof, or any other matters or things authorized by the provisions of Article XXIV of the Charter of the City of Austin to be urged and considered at this hearing would now be heard from, and thereupon no one appeared to protest.

This being the day set for the hearing of owners of abutting property and others interested with reference to street improvements to be constructed in the certain units or districts of improvement as follows:

NUECES STREET from the South property line of West Second Street to the South property line of West Sixth Street, known and designated as Unit or District No. 26;

SAN JACINTO STREET from the North property line of East First Street to the South property line of East Fifth Street, known and designated as Unit or District No. 33;

SAN JACINTO STREET from the North property line of East Ninth Street to the South property line of East Thirteenth Street, known and designated as Unit or District No. 36;

SAN JACINTO STREET from the South property line of East Thirteenth Street to the North property line of East Fifteenth Street, known and designated as Unit or District No. 37;

SAN JACINTO STREET from the North property line of East Fifteenth Street to the South property line of East Nineteenth Street, known and designated as Unit or District No. 38;

EAST NINETEENTH STREET from the East property line of Congress Avenue to the West property line of East Avenue, known and designated as Unit or District No. 41;

all as awarded to Southwest Bitulithic Company

the Mayor thereupon stated that all persons desiring to protest against the levying of assessments against abutting property on the above mentioned streets and within the limits above stated, or who desired to be heard with reference to the improvements proposed to be assessed against said property and the owners thereof, the lien and liability thereof, the special benefits to the property and the owners thereof, or any other matters or things authorized by the provisions of Article XXIV of the Charter of the City of Austin to be urged and considered at this hearing would now be heard from, and thereupon the following protests were heard:

SAN JACINTO STREET from East Ninth to East Thirteenth Streets:

The following property owners requested that reinforced cement concrete pavement be substituted for bitulithic pavement in conformity with the pavement to be laid on San Jacinto Street from Sixth to Ninth Streets:

A. F. Martin
Mrs. L. A. Hill
Mrs. Theresa Bauer,
Per Joe A. Bauer
Fanny Melasky
Sally Melasky

Mrs. J. W. Gathright

per Rev. J. J. O'Rourke
Joe Koen, for Congregation
Beth Israel
A. A. Biebel
M. K. Hoge

SAN JACINTO STREET from East Fifteenth to East Nineteenth Streets:

Mrs. M. V. Brown stated that she was unable to pay for the paving.

S.J.Von Koenneritz, representing the Saengerrunde Association, stated that the cost of paving was excessive and that the property would not be enhanced in value to that amount.

EAST NINETEENTH STREET from Congress Avenue to East Avenue:

M. H. Crockett stated that on account of large part of his property abutting the bed of Waller Creek which the City was using for its benefit, he should be allowed a credit on his assessment.

Thereupon Tom B. Walling, W. L. Bradfield, and C. A. Schutze were each called as a witness, and each being duly sworn, testified that he had resided

in the City of Austin for several years; that he was well acquainted with the values of the property abutting upon each of the Units or Districts as to which these hearings were being held; that he is acquainted with the type of paving which is proposed to be constructed upon said Units or Districts as to which these hearings were being held; and that in his opinion each parcel of abutting property would be enhanced in value by reason of the construction of the proposed improvements in an amount in excess of the amount proposed to be assessed against the same, as set out on the Engineer's Roll on file relating to such Units or Districts of Improvement.

No other witnesses being offered or desiring to be heard, and no other interested parties or owners having requested to be heard, the Mayor thereupon introduced the following ordinances:

The Texas Public Service Company is hereby put upon notice that the City of Austin does not guarantee that the space assigned above is clear from other underground utilities, but is based upon the best records we have at hand, and that the minimum

depth stated does not have any reference to the fact that greater depths may be required at special points. When the Texas Public Service Company requires definite information upon the ground as to elevations or working points from which to base the location of their assignments they shall apply to the City Engineering Department not less than three (3) days before such information is required. The Texas Public Service Company is further put upon notice that they will be required to bear the expense of repairs or replacement of any underground utility damaged during the construction of lines named in this resolution.

THAT the work and laying of said gas mains, including the excavation in the streets and the restoration and maintenance of said streets after said mains have been laid, shall be under the supervision and direction of the City Manager, and under all the pertinent terms and conditions of the certain franchise granted to said Company by the City of Austin.

The Mayor laid before the Council the following resolution:

WHEREAS, H. E. Wattinger is the Contractor for the construction of a building for the County of Travis, Texas, to be situated on Block 127 of the Original City of the City of Austin and desires a portion of the sidewalk space abutting said premises during said construction to be used in the work and for the storage of materials therefor; therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

1. That space for the uses hereinabove enumerated be granted to H. E. Wattinger, the boundaries of which are described as follows:

WORKING SPACE.

Beginning at the southeast corner of Block 127; thence in a northerly direction along the west line of Guadalupe Street a distance of 276 feet to a point; thence in a southeasterly direction along a line making an angle of 45° with the center line of Guadalupe Street a distance of 23 feet to a point; thence in a southerly direction and parallel to the center line of Guadalupe Street a distance of 244 feet to a point; thence in a southwesterly direction along a line making an angle of 45° with the center line of Guadalupe Street to the point of beginning.

2. That the above privileges and allotment of space are granted to said H. E. Wattinger, hereinafter termed "Contractor", upon the following express terms and conditions:

(1) That the Contractor shall erect and maintain continuously and in good condition during the use of the said space hereby allotted along the northeast, east and southeast boundaries of said working space a substantial board fence eight (8) feet in height.

(2) That the Contractor shall be allowed to maintain an opening in this barrier at the northeast and southeast portions of the barrier, provided that such openings shall be provided with substantial gates or doors which shall not swing out into the street in such a manner as to obstruct pedestrian or vehicular traffic, and further provided that at all times when the opening is not in use by the Contractor it shall be kept closed, or there shall be placed across the opening a horizontal bar of not less than 4"x4" cross section to prevent pedestrians from coming into the building site.

(3) That the Contractor shall be allowed to construct a temporary work office and store house within the allotted working space.

(4) That no vehicles shall be loaded or unloaded by the Contractor while parked on any of the streets adjacent to the building site outside of the working space.

(5) That storm waters shall be taken care of by the Contractor on Guadalupe Street, West Tenth Street, San Antonio Street and West Eleventh Street.

(6) That any public utilities disturbed during the construction shall be replaced in as good condition as same existed when the work started.

(7) That the Contractor shall place on the outside corners of his barrier during all periods of darkness, red lanterns or electric lights to warn traffic of the obstruction placed there.

(8) That the Contractor shall furnish the City of Austin a surety bond in the sum of Five Thousand (\$5,000.00) Dollars, which shall protect, indemnify and hold harmless the City of Austin from any claims for damages to any persons or property that may accrue to or be brought by any person by reason of the exercise of the privileges granted the Contractor by the City of Austin and shall guarantee the replacement of all sidewalk, pavement and all other public property and public utilities disturbed or removed during the construction work and shall further guarantee the construction of a walkway and other safeguards during the occupancy of the space.

(9) That the Contractor shall remove all fences, barricades, walks, materials and other obstructions in the streets immediately after the necessity for their existence in said streets has ceased, such time to be determined by the City Manager. The Contractor shall restore said streets to as good condition as same existed before the use of the space hereby granted the Contractor.

The application of Miss Mary Dawson to erect a gasoline filling station at the intersection of South First and West Gibson Streets was read and Councilman Steck moved that same be referred to the Safety Committee. Motion was seconded by Mayor McFadden, and same prevailed by the following vote: Ayes, Mayor McFadden, Councilmen Pannell and Steck, 3; nays, none; Councilmen Mueller and Reed absent.

The Mayor laid before the Council the following:

"Austin, Texas, May 29, 1930

Mr. Adam R. Johnson,
City Manager,
Austin, Texas.

Dear Sir:

We, the members of the Safety Committee of the City of Austin, have investigated the application of H.F. Ritter for a permit to construct and operate a filling station at the northeast corner of East Avenue, or Cameron Road, and Twenty-third Street.

We, the Safety Committee, recommend that said permit be granted subject to the following conditions:

(1) That all buildings and equipment shall be placed inside of the property line, correct lines to be obtained before construction starts, or equipment installed. Lines and grades to be obtained from the City Engineering Department for entrances and driveways, building plans to be approved by the City Building Inspector.

(2) That ceiling of that portion of the building that extends over driveways shall be covered with metal. Supports for portion extended over driveway to be supported by brick or reinforced concrete pillars.

(3) That gasoline storage tanks and pumps and equipment used in connection therewith shall be of an approved type, and shall bear the label of the National Board of Fire Underwriters. All equipment to be installed in compliance with City and State Regulations governing such installations. All equipment to be inspected and approved before being placed in service.

(4) That gasoline pumps and other equipment used in connection with the operation of a gasoline filling station shall be so located that cars receiving service therefrom will not in any way obstruct the sidewalk, street or alleyway. The pumps shall be at least ten (10) feet inside the property line. The length of all water hose shall be such that any water leaking from same can not reach the City sidewalk area and that the length of all gasoline hose shall be such that a car desiring service can not be served while any portion of said car is on the City sidewalk area.

(5) That electric lights only shall be used for lighting purposes, and all electric wiring shall be done in compliance with regulations governing the wiring of gasoline filling stations, and shall be approved by the City Electrical Department.

(6) That "NO SMOKING" signs shall be displayed at all times and no person shall be permitted to smoke or have any open flame on premises where gasoline is sold or stored.

(7) That there shall be kept in an accessible place at all times a chemical fire extinguisher for emergency use.

(8) That the grades of the station shall be such that no waste oils or water or any floor washing shall ever pass over the City sidewalk area, and that all of said oils and water shall be concentrated into a combined grease and sand trap which shall be constructed in accordance with our standard plan 2-H-48, and shall be conducted by a pipe connection from said sand trap to the nearest City storm sewer or to a seep well (provided same is approved by the City Health Officer), all at the expense of applicant. Before commencement of any construction the applicant shall apply to the City Engineer for an estimate of the cost of that portion of the storm sewer which will have to be built within any city street or alley and shall deposit a sum equal to said estimate with the City Finance Director.

(9) That all adjacent walks, ramps, gutters and curbs shall be constructed of concrete before the station is used.

(10) That the applicant shall construct all ramps, gutters and curbs and alley paving in accordance with plan No. 2-H-24, which plan is hereby made a part of this resolution.

(11) That all gasoline pumps, tanks, equipment and piping connected thereto shall be inspected and approved by the City Plumbing Inspector and the mechanic employed by the applicant to install the gasoline equipment shall apply to Plumbing Inspector for a special permit and shall give Plumbing Inspector sufficient notice when ready for inspection.

(12) That the applicant or the mechanic employed by the applicant to make the installation shall apply to the Inspector of Weights and Measures for inspection after the installation has been approved by the Plumbing Inspector.

(13) That before using said station the owner shall apply to the City Engineer for final inspection when he considers that he has complied with all of the requirements of the City.

CITY SAFETY COMMITTEE

(Sgd) J. E. Woody, Fire Chief;

R. F. Rockwood, Fire Marshal;

Orin E. Metcalfe, City Engineer;

L. A. Palmer, Plumbing Inspector.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT permission shall be granted, subject to the foregoing conditions and the present and future rules and regulations and ordinances of the City of Austin, Texas,

applying to or regulating drive-in gasoline stations, and said permission shall be held to be granted and accepted subject to all necessary, reasonable and proper, present and future regulations and ordinances of the City of Austin, Texas, in the enforcement of proper police, traffic and fire regulations; and the right of revocation is retained if, after hearing, it is found by the City Council that H.F. Ritter has failed and refused and will continue to fail and refuse to perform any such conditions, regulations and ordinances.

The above resolution was adopted by the following vote: Ayes, Mayor McFadden, Councilmen Pannell, and Steck, 3; nays, none; Councilman Mueller and Reed absent.

The Mayor laid before the Council the following:

"Austin, Texas, May 29, 1930.

Mr. Adam R. Johnson,
City Manager,
Austin, Texas.

Dear Sir:

We, the members of the Safety Committee of the City of Austin, have investigated the application of Bryan Howard for a permit to construct and operate a filling station at 1170 Navasota Street, which is at the northwest corner of Navasota and Myrtle Streets.

We, the Safety Committee, recommend that said permit be granted, subject to the following conditions:

- (1) That all buildings and equipment shall be placed inside of the property line, correct lines to be obtained before construction starts or equipment installed.
