Be it resolved by the City Council of the City of Austin :

That the center line for Nueces street from 18th to 19th streets be and the same is hereby established as follows :

At the south side of 18th street,place the center line 3.54 feet west of the point where it would be according to the original City plat;and at the south side of 19th street, 8.2 feet west of the correct point according to City plat.

This line checks the present fence at the S W corner of 19th and Nueces streets,and will also check the fence at the S W corner of 16th and Nueces streets.It will also check within 5/100 of a foot the fence at the N E corner of 14th and Nueces streets,and within 15/100 of a foot the fence at the N W corner of 10th and Nueces streets. Other points very considerably ,as shown by the accompanying plat.

This same line extended to 6th street,will be 1.69 feet west of the correct point as given by the City plat.

The discrepancy ,as the properties now are ,is 5 feet on the east side of Nueces street at 6th street.We have no measurements between 6th and 10th streets.
