Mayor McFadden laid before the Council the following application of S. E. Basey for permit to erect a drive-in filling station; also report of the Safety Committee upon same:

" Austin, Texas, May 3, 1928.

To the Safety Committee:

Gentlemen:

I hereby respectfully request permit be granted me to erect and operate a drive-in filling station at 1008 West 34th Street.

Respectfully,

(Sgd) S. E. Basey. "

"Hon Mayor and City Council.

Gentlemen:

We, your committee on the application of S. E. Basey asking permission to install and operate a drive-in gasoline filling station at corner of Thirty-fourth and McDonald Avenue, make the following report:

We, the committee, recommend that this permission be granted, subject to the following conditions:

1. That all buildings and equipment shall be placed inside of the property line, correct lines to be obtained before construction starts, or equipment installed. Lines and grades to be obtained from the City Engineering Department for entrances and driveways, building plans to be approved by the City Building Inspector.
2. That ceiling of that portion of the building that extends over driveways shall be covered with metal. Supports for portion extended over driveways to be supported by brick or reinforced concrete pillars.
3. That gasoline storage tanks and pumps, and equipment used in connection therewith shall be of an approved type, and shall bear the label of the National Board of Fire Underwriters. All equipment to be installed in compliance with City and State Regulations governing such installations. All equipment to be inspected and approved before being placed in service.
4. That gasoline pumps and other equipment used in connection with the operation of a gasoline filling station shall be so located that cars receiving service therefrom will not in any manner obstruct the sidewalk, street or alleyway.
5. That electric lights only, shall be used for lighting purposes, and all electric wiring shall be done in compliance with regulations governing the wiring of gasoline filling stations, and shall be approved by the City Electrical Department.
6. That "No Smoking" signs shall be displayed at all times, and no person shall be permitted to smoke or have any open flame on premises where gasoline is sold or stored.
7. That there shall be kept in an accessible place at all times, a chemical fire extinguisher, for emergency use.
8. That provision shall be made to take care of waste oils and water by having the proper connections with storm or sanitary sewer. Connections to be made under the supervision of the City Engineering Department. That if a complaint is filed on account of water running in ditch on 34th Street originating at this filling station that the nuisance be abated at the expense of the owner of the property on which the filling station is located.
9. That a plan of the filling station, showing the proposed location of pumps, driveways, and methods of draining away waste water and oils shall be filed with and approved by the City Engineer before the commencement of construction.
10. That permission shall be granted subject to the above conditions, and the present and future rules and regulations and ordinances of the City of Austin, Texas, applying to or regulating gasoline filling stations, and said permission shall be held to be granted and accepted, subject to all necessary, reasonable and proper, present and future regulations and ordinances of the City of Austin, Texas, in the enforcement of proper police, traffic and fire regulations; and the right of revocation is retained if, after hearing, it is found by the City Council that the said S. E. Basey has failed and refused, and will continue to fail and refuse to perform any such conditions, regulations and ordinances.

(Sgd) J. E. Woody,
Fire Chief.
R. F. Rockwood,
Fire Marshal.
Orin E. Metcalfe,
City Engineer. "

Mayor McFadden laid before the Council the following:

"Austin, Texas, May 3, 1928.

Mr. Adam R. Johnson,
City Manager,
Austin, Texas.

Dear Sir:

I hand you herewith petition of Anton Stossewender, requesting that the valuation on Lots 1 to 6, Block 1, Outlot 4, Division "O", and the buildings located thereon, be reduced from \$5605.00 to \$4500.00.

At my request, Mr. Ledbetter has appraised the buildings located on this property and finds that the total present value of these buildings is \$1960.00. The land is equalized with adjoining property, and it is my recommendation that the assessed valuation of the land be not disturbed, but that the assessed valuation of the improvements thereon be reduced from \$1965.00 to \$1300.00.

Yours truly,

(Sgd) S. W. Mabry, III.
Director of Finance."
