Austin, Texas, May 24, 1928.

The Council was called to order by the Mayor. Roll call showed the following members present: Mayor McFadden, Councilmen Mueller, Pannell, and Steck, 4; absent, Councilman Reed.

The Minutes of the last meeting were read and Councilman Mueller moved the adoption of same. Motion was seconded by Councilman Pannell and same prevailed by the following vote: Ayes, Mayor McFadden, Councilmen Mueller, Pannell, and Steck, 4; nays, none, Councilman Reed absent.

Mayor McFadden laid before the Council a communication from Carl Wendlandt & Sons, offering to sell the R. G. Crosby property located at 17th and Guadalupe

Streets, to the city for the sum of \$7500.00, and a lot on the corner of 43rd and Speedway for the sum of \$1750.00; and another communication from said Wendland & Sons offering to sell the old Huppertz homestead property located on Rosewood Avenue to the City for a negro park, at a price of \$13,500.00. The communications were received and filed.

L. W. Kemp was heard with reference to the burial of the remains of Judge Edwin Waller, first Mayor of Austin, in the State Cemetery. The Council agreed to appropriate the sum of \$250.00 for this expense.

Mayor McFadden laid before the Council the following resolution:

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That we view with the deepest regret the passing of Dr. W. R. Weber, a member of the City Medical Advisory Board, and we are conscious that in his untimely death we have lost a valuable advisor in matters pertaining to his profession in the administration of the public health, services which he freely and patriotically gave as an active member of said Board.

The above resolution was adopted by the following vote: Ayes, Mayor McFadden, Councilmen Mueller, Pannell, and Steck, 4; nays, none, Councilman Reed absent.

Mayor McFadden laid before the Council the following resolution:

WHEREAS, Austin Gas Company has presented to the City Council tentative maps or plans showing the proposed construction of its gas mains in the streets in the City of Austin hereafter named, and said maps or plans have been considered by the City Council, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT Austin Gas Company be, and the same is hereby permitted to lay and construct gas mains in and under the following streets:

- (1) A 4 inch gas main on Pratt Street beginning at a point on Pratt Street, which point is 25 feet south of and 20 feet west of the northeast corner of the intersection of 34th and Pratt Streets;

Thence northerly along Pratt Street along a line 20 feet west of and parallel to the east line of Pratt Street to the south line of 35th Street, said gas line to have not less than 1 1/2 feet of cover.

- (2) A 4 inch gas main on Nickerson Street, beginning at a point 8 feet north and 19 feet west of the northeast corner of the intersection of Nickerson and Elizabeth Streets.

Thence northerly on Nickerson Street along a line 19 feet west of and parallel to the east line of Nickerson Street to Park Lane.

- (3) A 4 inch gas main on Park Lane, beginning at a point in Nickerson Street where the space assigned for gas will intersect the hereinafter described line and extending easterly to a point which is 51 feet east of the east line of Drake Avenue, the center of said line to be 10 feet south of and parallel to the established center line of Park Lane, the Gas Company being put on notice by this assignment to have said center line shown to its workmen by the City Engineering Department before any construction is undertaken. The Gas Company is specifically put on notice that this street has been recently regavelled and rolled and that the assignment will require the cutting of some of the new gravel which should be put back in as pure and smooth condition as that now existing, and that the said gas line shall have not less than 1 1/2 feet of cover.

- (4) A 4 inch gas main on San Marcos Street, beginning at a point 5 feet east of and 19 feet south of the northwest corner of the intersection of Taylor and San Marcos Streets and extending southerly to the south line of Holley Street, the center of said line to be 5 feet east of and parallel to the west line of San Marcos Street.

(In constructing the San Marcos Street line, do not place pipe more than 18 inches deep at the alley between Taylor and Holley Streets in order to clear proposed storm sewer).

- (5) A 4 inch gas main on Holley Street, beginning at a point 8 feet south of the center line of Holley Street and on the east line of East Avenue; thence easterly along a line 8 feet south of and parallel to the center line of Holley Street to the west property line of Waller Street. Said gas line to have not less than 1 1/2 feet of cover.

- (6) A 4 inch gas main on Garden Street, beginning at a point on Garden Street, which point is in the east line of Chicon Street, and 19 feet south of the north line of Garden Street; thence easterly along a line 19 feet south of and parallel to the north line of Garden Street to the west side of Canadian Street. Said gas line to have not less than 3 1/2 feet of cover at Lynn and Anthony Streets and to have not less than 1 1/2 feet of cover at all other points.
- (7) A 4 inch gas main on Lynn Street, beginning at a point on Lynn Street, which point is 19 feet 3 inches south of and 19 feet east of the northwest corner of the intersection of Willow and Lynn Streets; thence southerly along a line 19 feet east of and parallel to the west line of Lynn Street to a point 19 feet south of the north line of Garden Street, said gas line to have not less than 2 feet of cover.
- (8) A 4 inch gas main on Canterbury Street, beginning at a point in the east line of Chicon Street and 19 feet south of the north line of Canterbury Street; thence easterly on Canterbury Street along a line 19 feet south of and parallel to the north line of Canterbury Street to the west line of Anthony Street, said gas line to have not less than 2 feet of cover.
- (9) A 4 inch gas main on W. 28 1/2 Street, beginning at a point on W. 28 1/2 Street, which point is 247 feet west of and 17 feet south of the northwest corner of the intersection of W. 28 1/2 Street and Pearl Street; thence westerly along a line 17 feet south of and parallel to the north line of W. 28 1/2 Street to the west line of Shoal Crest Avenue. Said gas line to have a cover of not less than 2 feet when said street has been graded in accordance with the grade selected by the City Engineering Department. This grade must be secured by the Austin Gas Company before commencement of any construction.

That the work and laying of said gas mains, including the excavation in the streets and the restoration and maintenance of said streets after said mains have been laid, shall be under the supervision and direction of the City Manager, and under all the pertinent terms and conditions of the certain franchise granted to said Company by the City of Austin.

The above resolution was adopted by the following vote: Ayes, Mayor McFadden, Councilmen Mueller, Pannell, and Steck, 4; nays, none, Councilman Reed absent.

Mayor McFadden laid before the Council the following ordinance:

AN ORDINANCE REGULATING TRAFFIC ON WEST EIGHTH STREET, IN THE CITY OF AUSTIN, CUMULATIVE OF CERTAIN ORDINANCES HERETOFORE ORDAINED, REPEALING ORDINANCES IN CONFLICT, AND PRESCRIBING PENALTIES.

The ordinance was read the first time and laid over.

Mayor McFadden laid before the Council the following ordinance:

AN ORDINANCE REGULATING TRAFFIC IN ALLEYS, AND IN THE STREET INTERSECTIONS THEREOF, IN THE CITY OF AUSTIN, AND PRESCRIBING PENALTIES.

The ordinance was read the first time and laid over.

Mayor McFadden laid before the Council the following ordinance:

AN ORDINANCE LEVYING ASSESSMENT FOR THE PAYMENT OF PART OF THE COST OF IMPROVING THE CERTAIN ALLEYS MENTIONED IN THIS ORDINANCE, AND TO FIX A CHARGE AND LIEN THEREFOR AGAINST THE OWNERS OF PROPERTY AND THEIR PROPERTY ABUTTING SAID ALLEYS AND PROVIDING FOR THE COLLECTION AND ENFORCEMENT THEREOF.

The ordinance was read the first time and Mayor McFadden moved that the rule be suspended and the ordinance placed on its second reading. Motion was

seconded by Councilman Pannell and same prevailed by the following vote: Ayes, Mayor McFadden, Councilmen Mueller, Pannell, and Steck, 4; nays, none, Councilman Reed absent.

"Austin, Texas, May 19th, 1928.

Hon. Adam R. Johnson,
City Manager,
Austin, Texas.

Dear Sir:

I wish to make application with you to install two additional gasoline pumps and underground tanks at my service station located at 33rd and Guadalupe Streets. I now have two pumps and tanks installed at this location.

These pumps will be placed next to the building, which will be twenty feet from the property line. The underground tanks will also be about twenty feet from the property line.

I would appreciate your prompt action on this matter, and oblige,

Yours very truly,

(Sgd) E. S. Garner,"

"Hon. Mayor and City Council,
Gentlemen:

We, your committee on the application of E. S. Garner asking permission to install and operate a drive-in gasoline filling station at 33rd and Guadalupe Streets, make the following report.

We, the committee, recommend that this permission be granted, subject to the following conditions:

1. That all buildings and equipment shall be placed inside of the property line, correct lines to be obtained before construction starts or equipment installed, Lines and grades to be obtained from the City Engineering Department for entrances and driveways, building plans to be approved by the City Building Inspector.

2. That ceiling of that portion of the building that extends over driveways shall be covered with metal. Supports for portion extended over driveway to be supported by brick or reinforced concrete pillars.

3. That gasoline storage tanks and pumps and equipment used in connection therewith shall be of an approved type and shall bear the label of the National Board of Fire Underwriters. All equipment to be installed in compliance with City and State regulations governing such installations. All equipment to be inspected and approved before being placed in service.

4. That gasoline pumps and other equipment used in connection with the operation of a gasoline filling station shall be so located that cars receiving service therefrom will not in any manner obstruct the sidewalk, street or alleyway. Pumps shall be at least 10 feet inside property line.

5. That electric lights only shall be used for lighting purposes and all electric wiring shall be done in compliance with regulations governing the wiring of gasoline filling stations, and shall be approved by the City Electrical Department.

6. That "No Smoking" signs shall be displayed at all times and no person shall be permitted to smoke or have any open flame on premises where gasoline is sold or stored.

7. That there shall be kept in an accessible place at all times a chemical fire extinguisher for emergency use.

8. That provision shall be made to take care of waste oils and water by having the proper connections with storm or sanitary sewer. Connections to be made under

the supervision of the City Engineering Department.

9. That a plan of the filling station, showing the proposed location of pumps, driveways and methods of draining away waste water and oils shall be filed with and approved by the City Engineer before the commencement of construction.

10. That permission shall be granted subject to the above conditions and the present and future rules and regulations and ordinances of the City of Austin, Texas, applying to or regulating gasoline filling stations, and said permission shall be held to be granted and accepted subject to all necessary, reasonable and proper, present and future regulations and ordinances of the City of Austin, Texas, in the enforcement of proper police, traffic and fire regulations; and the right of revocation is retained if, after hearing, it is found by the City Council that the said E. S. Garner has failed and refused, and will continue to fail and refuse to perform any such conditions, regulations and ordinances.
