

## REGULAR MEETING OF THE CITY COUNCIL:

Austin, Texas, December 8, 1932.

The Council was called to order by the Mayor. Roll call showed the following members present: Councilman Gillis, Mayor McFadden, Councilman Mueller, 3; absent, Councilmen Alford and Steck, 2.

The Minutes of the regular meeting of December 1st were read and Councilman Gillis moved the adoption of same as read. Motion was seconded by Councilman Mueller and same prevailed by the following vote: Ayes, Councilman Gillis, Mayor McFadden, Councilman Mueller, 3; nays, none; Councilmen Alford and Steck absent, 2.

Mayor McFadden moved that the date of hearing on the proposal of the City Council to amend the Zoning Ordinance so as to change the Use designation of the South Eighty (80) feet of the West Fifty (50) feet of Lots 1, 2, and 3, Block 160, Original City, being the southeast intersection of Congress Avenue and East Fourteenth Street, from "B" Residence District to "G" Commercial District be set for Thursday, December 29, 1932, at 11:00 o'clock A. M. Motion was seconded by Councilman Gillis and same prevailed by the following vote: Ayes, Councilman Gillis, Mayor McFadden, Councilman Mueller, 3; nays, none; Councilmen Alford and Steck absent, 2.

The application of Capital Lodge No. 23, I.O.O.F., for permit to construct a cement driveway in front of their property at 1712 Congress Avenue, was read. The following report of the City Engineer on the matter was then read:

"Austin, Texas, December 7, 1932.

Mr. Adam R. Johnson,  
City Manager,  
Austin, Texas.

Dear Sir:

The Capital Lodge No. 23, Independent Order of Odd Fellows, have requested the City of Austin to grant them a permit to construct a driveway on North Congress Avenue south of 18th Street, to be used for a service drive for the tailor shop occupying the lower floor of their building. My report is as follows:

The drive requested is not a drive as ordinarily requested as there is no intention to drive across the sidewalk to get to other property of the applicant. The request is for a permit to construct a drive so as to be able to use same for business purposes between the street line and the sidewalk line, all upon City property. The proposed drive is adjacent to property zoned as being within the Residence "B" Use District. The adjacent building use is a non-conforming use which existed previous to the passage of the Zoning Ordinance. It is a use which would not be permitted on any other building on the adjacent lot areas.

I recommend that the permit be denied for the following reasons:

Because it would be in violation of the spirit and intent of the Zoning Ordinance.

Because it would mar the aesthetic appearance of Congress Avenue and would be out of harmony with the high class of parking development now existing on Congress Avenue.

Because, in my opinion, it would create a precedent for the development and private commercial use of city street areas which has not been heretofore allowed.

Because it would create additional hazard for the pedestrian using the sidewalk areas on 18th Street and Congress Avenue, especially so on account of the existing building being right on the property line and presenting what is ordinarily known as a "blind corner".

If the matter is presented to the City Council and the City Council does not uphold my recommendation and deems it wise to grant the permit, I suggest that they merely indicate same at this time and refer same back to me and I will prepare a detailed resolution making definite recommendations as to change of grades and the amount and class of work which should be done by the property owner.

Respectfully submitted,

(Sgd) Orin E. Metcalfe,  
City Engineer.

Councilman Mueller moved that the foregoing recommendations of the City Engineer be approved and the permit to construct such driveway on North Congress Avenue south of Eighteenth Street be denied. Motion was seconded by Councilman Gillis and same prevailed by the following vote: Ayes, Councilman Gillis, Mayor McFadden, Councilman Mueller, 3; nays, none; Councilmen Alford and Steck absent, 2.

Reports from T. B. Marshall, Tax Assessor and Collector, and C. P. Ledbetter, Valuation Deputy, relative to the value of the improvements belonging to O. V. Baker at 702 West 24½ Street, were read. Councilman Mueller moved that the recommendations of the Tax Assessor and Collector be approved and the two-thirds taxable valuation placed on the improvements for the year 1932, belonging to the said O. V. Baker, located at 702 West 24½ Street, on Lot P, 75x120 feet, Outlot N½ of 47, Division "D", Plat 49, Watson Addition, be reduced from \$4235.00 to \$3625.00, and the Assessor and Collector be authorized to change his rolls accordingly. Motion was seconded by Councilman Gillis and same prevailed by the following vote: Ayes, Councilman Gillis, Mayor McFadden, Councilman Mueller, 3; nays, none; Councilmen Alford and Steck absent, 2.

Councilman Gillis moved that the action of the City Manager in agreeing to pay the sum of \$50.00 to Mrs. Minnie B. Schreffler upon the satisfactory removal by her of her residence and all outbuildings and fences now encroaching upon the street at 47th Street and Avenue "H", be approved, and that the City Manager be directed to make payment upon completion of the work. Motion was seconded by Councilman Mueller and same prevailed by the following vote: Ayes, Councilman Gillis, Mayor McFadden, Councilman Mueller, 3; nays, none; Councilmen Alford and Steck absent, 2.

The Mayor laid before the Council, for its second reading, the following ordinance:

AN ORDINANCE AUTHORIZING INTERNATIONAL-GREAT NORTHERN RAILROAD COMPANY TO CONSTRUCT, MAINTAIN AND OPERATE A SPUR OR EXTENSION TRACK OVER AND THROUGH WEST FOURTH STREET FROM NUECES STREET WESTERLY APPROXIMATELY ONE BLOCK, FOR THE PURPOSE OF SERVING BLOCKS 47 AND 48, IN THE CITY OF AUSTIN, SUBJECT TO CERTAIN CONDITIONS.

The above ordinance was read the second time and laid over.

The Mayor announced that the hearing called for this day, by published notice thereof, on the proposal of the City Council to amend the Zoning Ordinance in the following particulars:

(1) To amend the USE designation of all property situated on Lots 5, 6, 7, and 8, Foster and Ludlow Subdivision, Outlot 43, Division "B" of the City of Austin so as to change same from "B" Residence District to "C" Commercial District;

(2) To amend the Height and Area designation of all the above described property so as to change same from First Height and Area District to Second Height and Area District;

would now be opened. No one appearing to protest, the Mayor moved that the hearing be closed and the City Attorney be directed to prepare the ordinance authorizing the above amendments. Motion was seconded by Councilman Gillis and same prevailed by the following vote: Ayes, Councilman Gillis, Mayor McFadden, Councilman Mueller, 3; nays, none; Councilmen Alford and Steck absent, 2.

The Mayor laid before the Council the following resolution:

WHEREAS, there appears on the delinquent tax rolls of the City of Austin certain items which represent taxes assessed against personal property for various years prior to 1931; and

WHEREAS, it is deemed that said taxes cannot be collected, for the reason that in each case either the property or the owner of the property cannot be located, and for the past several years the Tax Collector, after diligent search and inquiry, and on account

of such facts, has been unable to collect said taxes, and same should not longer be carried on the rolls as assets of the City of Austin; therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT the City Assessor and Collector of Taxes be and he is hereby authorized and directed to charge off and strike from the delinquent rolls the various items of taxes as follows:

LIST OF ASSESSMENTS OF AUTOMOBILES, MERCHANDISE,  
AND MISCELLANEOUS PERSONAL PROPERTY FOR PAST YEARS  
WHICH THE CITY COUNCIL, BY RESOLUTION ATTACHED  
HEREWITH, HAS AUTHORIZED TO BE CHARGED OFF BECAUSE  
SAME ARE DEEMED TO BE UNCOLLECTIBLE DUE TO THE  
FACT THAT THE PROPERTY OR THE OWNER THEREOF, OR  
BOTH, CANNOT BE LOCATED.
