Mayor McFadden laid before the Council the application of Austin Forwarding Company to install gasoline pump and tank at 117 Congress Avenue; also the following recommendations of the Safety Committee upon same:

"Austin, Texas, May 2, 1929.

Hon. Mayor and City Council,

Gentlemen:

We, your committee on the application of W. G. Luedecke, asking permission to install one five-gallon gasoline pump and one ten-barrel underground tank for private use only at 117 Congress Avenue, make the following report:

We, the committee, recommend that this permission be granted subject to the following conditions:

1. That all buildings and equipment shall be placed inside of the property line, correct lines to be obtained before construction starts, or equipment installed. Lines and grades to be obtained from the City Engineering Department for entrances and driveways, building plans to be approved by the City Building Inspector.
2. That ceiling of that portion of the building that extends over driveways shall be covered with metal. Supports for portion extended over driveway to be supported by brick or reinforced concrete pillars.
3. That gasoline storage tanks and pumps and equipment used in connection therewith shall be of an approved type, and shall bear the label of the National Board of Fire Underwriters. All equipment to be installed in compliance with City and State regulations governing such installations. All equipment to be inspected and approved before being placed in service.
4. That gasoline pumps and other equipment used in connection with the operation of a gasoline filling station shall be so located that cars receiving service therefrom will not in any way obstruct the sidewalk, street or alleyway. The pumps shall be at least ten feet inside the property line.
5. That electric lights only shall be used for lighting purposes, and all electric wiring shall be done in compliance with regulations governing the wiring of gasoline filling stations, and shall be approved by the City Electrical Department.
6. That "NO SMOKING" signs shall be displayed at all times, and no person shall be permitted to smoke or have any open flame on premises where gasoline is sold or stored.
7. That there shall be kept in an accessible place at all times, a chemical fire extinguisher for emergency use.
8. That all gasoline pumps, tanks, equipment and piping connected thereto shall be inspected and approved by the City Plumbing Inspector and that the property owner shall apply for a permit to the City Plumbing Inspector for instructions before proceeding with his work.

9. That permission shall be granted subject to the above conditions and the present and future rules and regulations and ordinances of the City of Austin, Texas, applying to or regulating gasoline filling stations, and said permission shall be held to be granted and accepted subject to all necessary, reasonable and proper present and future regulations and ordinances of the City of Austin, Texas, in the enforcement of proper police, traffic and fire regulations; and the right of revocation is retained if, after hearing, it is found by the City Council that the said W. G. Luedecke at 117 Congress Avenue has failed and refused, and will continue to fail and refuse to perform any such conditions, regulations and ordinances.

Signed: J. E. Woody,
Fire Chief;

Orin E. Metcalfe,
City Engineer.

CITY SAFETY COMMITTEE."

Councilman Mueller moved that permit be granted to said Austin Forwarding Company, through H. G. Luedecke, Proprietor, subject to the above recommendations of the Safety Committee. Motion was seconded by Councilman Steck and same prevailed by the following vote: Ayes, Mayor McFadden, Councilmen Mueller, Pannell, Reed, and Steck, 5; nays, none.

The Mayor laid before the Council the following resolution:

WHEREAS, Austin Gas Company has presented to the City Council tentative maps or plans showing the proposed construction of its gas mains in the streets in the City of Austin hereafter named, and said maps or plans have been considered by the City Council, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That Austin Gas Company be, and the same is hereby permitted to lay and construct gas mains in and under the following streets:

(1) A 4 inch gas main on East 7th Street, beginning at a point 232 feet east of and 32 feet south of the intersection of the east line of East Avenue and the north line of East 7th Street.

Thence westerly along a line 32 feet distant from and parallel to the north line of East 7th Street to the east line of East Avenue, said gas main to have a cover of not less than 1 1/2 feet.

Thence northerly along a line 23 feet distant from and parallel to the east line of Waller Street to the south line of East 9th Street, said gas main to have a cover of not less than 1 1/2 feet.

That the work and laying of said gas mains, including the excavation in the streets and the restoration and maintenance of said streets after said mains have been laid, shall be under the supervision and direction of the City Manager, and under all pertinent terms and conditions of the certain franchise granted to said company by the City of Austin.

The above resolution was adopted by the following vote: Ayes, Mayor McFadden, Councilmen Mueller, Pannell, Reed, and Steck, 5; nays, none.

The Mayor laid before the Council the following resolution:

WHEREAS, Austin Gas Company has presented to the City Council a map showing the proposed location of a gas main on Barton Creek Road from South Congress Avenue to South 1st Street; and

WHEREAS, a resolution was passed by the City Council of the City of Austin, Texas, on the 18th day of April, 1929, which resolution was recorded in Minute Book 11, page 221, said resolution assigning space 15 feet south of the center line of Barton Creek Road; and

WHEREAS, this assignment has been found impracticable because of the presence of old ties and rails of street car tracks on the assignment given, and therefore;

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT Austin Gas Company be, and the same is hereby permitted to lay and construct its gas main in and upon the following street:

A 4 inch gas main on Barton Creek Road, beginning at a point 20 feet east of the center line of South Congress Avenue and 20 feet south of the center line of Barton Creek Road;

Thence S 76° 19' W 20 feet distant from and parallel to the center line of Barton Creek Road to a point on the east line of South 1st Street, said gas main to have a cover of not less than 1 1/2 feet.

THAT the work and laying of said gas main, including the excavation in the streets and the restoration and maintenance of said streets after said main has been laid, shall be under the supervision and direction of the City Manager, and under all the pertinent terms and conditions of the certain franchise granted to said company by the City of Austin.

The above resolution was adopted by the following vote: Ayes, Mayor McFadden, Councilmen Mueller, Pannell, Reed, and Steck, 5; nays, none.

M. L. Bowdoin was heard with reference to the erection of a store building at 2511 Nueces Street. The Council took the matter under advisement.

A communication from M. H. Crockett, asking permission to operate a root-beer stand on the Barton Springs Road, was read, and Councilman Pannell moved that the matter be referred to the City Engineer and Safety Committee for their recommendations. Motion was seconded by Councilman Mueller, and same prevailed by the following vote: Ayes, Mayor McFadden, Councilmen Mueller, Pannell, Reed, and Steck, 5; nays, none.

The application of J. J. Wattinger, Contractor, for working space in the street and alley during the construction of a building on Congress Avenue for the Austin National Bank, was read.

Mayor McFadden then laid before the Council the following resolutions:

WHEREAS, J. J. Wattinger is the contractor for the construction of a building for the Austin National Bank of Austin, Texas, to be situated on the north part of Lot 2 and the south part of Lot 3, Block 56, of the City of Austin and desires to construct a short wood ramp up to the curb in front of the sidewalk abutting said premises and to use the sidewalk space for the ingress and egress of trucks during the work of disposing of the salvage resulting from the concrete floor slabs, bank fixtures and other materials in the first floor; therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

I. That the sidewalk space and privileges hereinabove enumerated be granted to said J. J. Wattinger hereinafter termed "contractor" upon the following express conditions:

(1) That the contractor shall maintain a guard on the sidewalk at this point at all times while the work is going on for the purpose of warning pedestrian traffic of the moving trucks.

(2) That the contractor shall place red lights at both ends of the wooden ramp and on any other obstruction placed adjacent to the curb during all periods of darkness.

(3) That use of the sidewalk space as hereinabove described shall continue only as long as needed for the removal of salvage materials and that thereafter a barricade in accordance with the resolution covering the use of street space on Congress Avenue shall be constructed.

(4) That the contractor, as a condition precedent to the use of the privileges herein granted shall make sufficient bond in the sum of Ten Thousand (\$10,000.00) Dollars, as stated in the resolution covering the use of street space on Congress Avenue to indemnify the City of Austin against all damages to persons or property arising by virtue of the privileges hereinabove granted.

The above resolution was adopted by the following vote: Ayes, Mayor McFadden, Councilmen Mueller, Pannell, Reed, and Steck, 5; nays, none.

WHEREAS, J. J. Wattinger is the contractor for the construction of a building for the Austin National Bank of Austin, Texas, to be situated on the north part of Lot 2 and the south part of Lot 3 in Block 56, City of Austin, and desires to occupy a portion of the street abutting said premises during said construction to be used in the work and for the storage of materials therefor; therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

1. That space for the uses hereinabove enumerated be granted to the said J. J. Wattinger, the boundaries of which are defined as follows: beginning at the east line of Congress Avenue at a point 23 feet north of the south line of Lot 3, Block 56; thence in a southerly direction along the east line of Congress Avenue a distance of 50 feet; thence in a westerly direction and at right angles to the center line of Congress Avenue to a point 23 feet east of the center line of Congress Avenue; thence in a northerly direction and parallel to the center line of Congress Avenue a distance of 50 feet; thence in an easterly direction to the point of beginning.

2. That the above privileges and allotments of space are granted to the said J. J. Wattinger hereinafter termed "contractor" upon the following express terms and conditions.

(1) The contractor shall erect and maintain continuously in good condition during the use of the said space hereby allotted at and along the west boundary of the allotted working space a board walk not less than 4 feet in clear width with walls on each side thereof and with a roof not less than 8 feet in height above the walk level, said board walk to extend 3 feet north and south of the allotted working space. The floor of said walk shall be not less than 6 inches nor more than 12 inches above the street pavement and shall be constructed of at least $\frac{3}{4}$ inch boards supported with a sufficient number of joints to prevent sagging. The side of the wall of said walk adjacent to the working space shall be boarded solid with at least $\frac{3}{4}$ inch boards from the floor to the roof and the wall of said walk adjacent to the street shall be boarded solid with at least $\frac{3}{4}$ inch boards to a height of 4 feet above the walk floor. On both walls the sheathing shall be applied to the outside of the wall studs. The roof over said walk shall be constructed with not less than 2 inch thick boards supported by 2x6 rafters and these to be supported by 4x4 posts or the equivalent and a covering of roofing or similar material shall be placed over the boards comprising the roof.

(2) That the contractor shall erect and maintain continuously in good condition during the use of the space hereby allotted at and along the north and south boundaries of the working space, a substantial solid board fence at least 8 feet in height of such a permanent nature that it can be removed only by wrecking.

(3) The contractor shall maintain in the north fence of the working space an opening 8 feet in width for the ingress and egress of trucks and materials; and he shall install at and in said opening a door of the sliding type which shall not swing out toward the street and shall maintain a guard at this opening at all times when the door is open for the purpose of warning pedestrian traffic of moving trucks; and provided further that all vehicular traffic entering said opening shall approach same from East Fifth Street, shall back into the opening and in leaving same shall proceed in a northerly direction along Congress Avenue.

(4) That the contractor at his option shall be allowed during the early part of the construction period to install and operate a gate in the south fence of the allotted working space in accordance with the requirements hereinabove set forth in Section 3, provided that during the use of said gate his opening and gate in the north fence of the allotted working space shall be kept closed at all times or shall be replaced with a substantial 8 foot board fence.

(5) In the use of the working space under the provisions hereinabove set forth in Section 4, all vehicular traffic entering said working space shall enter from Fifth Street and in leaving same shall back out of the opening and proceed in a northerly direction along Congress Avenue.

(6) The contractor shall install four 50 watt lights equally distributed along the ceiling of the walkway and shall install one red light on the outside wall at each end of the walkway and on any other portion of the walkway projecting into the street in such a manner as to present a hazard to vehicular traffic. These lights shall be kept burning during all periods of darkness.

(7) The contractor is allowed to place and maintain a work office and dressing room in the working space herein allotted.

(8) No vehicles shall be unloaded by the contractor while parked on the street outside of the allotted working space.

(9) The contractor is allowed to construct a temporary curb along the west boundary of said premises and within the allotted working space but must restore to the satisfaction of the City Manager any part of the pavement that may be removed or cut before completing his work.

(10) The contractor during his occupancy and use of the space hereby allotted must take care of the storm water on Congress Avenue by adequate provision and to the satisfaction of the City Manager.

(11) The contractor, as a condition precedent to the use of privileges herein granted, shall make sufficient bond in the sum of Ten Thousand (\$10,000.00) Dollars, to guarantee the reconstruction of a sidewalk, pavement, public utilities and guard rails adjacent to said premises according to grades, lines and specifications satisfactory to the City Manager and to indemnify the City of Austin against all damages to persons or property arising by virtue of the privileges hereinabove granted.

(12) The contractor must remove all fences, barricades, walks, materials and other obstructions from the street immediately after the necessity for their existence in said street has ceased, such time to be determined by the City Manager and shall restore said street to as good condition as same existed before the use of space granted to the contractor.

The above resolution was adopted by the following vote: Ayes, Mayor McFadden, Councilmen Mueller, Pannell, Reed, and Steck, 5; nays, none.

WHEREAS, J. J. Wattinger, is the contractor for the construction of a building for the Austin National Bank of Austin, Texas, to be situated on the north part of Lot 2 and the south part of Lot 3, Block 56, City of Austin and desires to occupy all of the alley space abutting said premises during said construction to be used in the work and for the storage of materials therefor; therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

(1) That space for the uses hereinabove enumerated be granted to the said J. J. Wattinger, the boundaries of which are defined as follows: beginning on the west line of the alley lying between Congress Avenue and Brazos Streets at a point 28 feet north of the south line of Lot 3, Block 56; thence in an easterly direction to east line of the alley; thence in a southerly direction and along the east line of the alley a distance of 60 feet to a point; thence in a westerly direction to the west line of the alley; thence in a northerly direction along the west line of the alley to the point of beginning.

(2) That the above privileges and allotments of space are granted to the said J. J. Wattinger, hereinafter termed "contractor" upon the following express terms and conditions:

1. That the contractor shall erect and maintain continuously and in good condition during the use of the space hereby allotted at and along the north and south boundaries of said working space, a substantial solid board fence at least 8 feet in height of such a permanent nature that it can be removed only by wrecking.

2. The contractor shall construct and maintain in the north and south fences of said working space an opening 8 feet in width for the ingress and egress of trucks and materials and he shall install at and in said opening a gate at which there shall be stationed a guard at all times when the gate is open for the purpose of warning pedestrian traffic of moving trucks.

3. The contractor is allowed to construct a temporary curb along the east boundary of said premises and within the allotted working space; but must restore to the satisfaction of the City Manager any part of the pavement that may be removed or cut before completing his work.

4. The contractor during his occupancy and use of the space hereby allotted must take care of the storm water in the alley by adequate provision and to the satisfaction of the City Manager.

5. The contractor, as a condition precedent to the use of privileges herein granted shall make sufficient bond in the sum of Ten Thousand (\$10,000.00) Dollars, as stated in the resolution covering the use of street space on Congress Avenue adjacent to said premises to guarantee the reconstruction of pavement, public utilities and guard rails adjacent to said premises according to grades, lines and specifications satisfactory to the City Manager and to indemnify the City of Austin against all damages to persons or property arising by virtue of the privileges hereinabove granted.

6. The contractor must remove all fences, barricades, materials and other obstructions from the street and alley immediately after the necessity for their existence in said street and alley has ceased, such time to be determined by the City Manager and shall restore the street and alley to as good condition as same existed before the use of the space granted to the contractor.

The above resolution was adopted by the following vote: Ayes, Mayor McFadden, Councilmen Mueller, Pannell, Reed, and Steck, 5; nays, none.
