WHEREAS, Texas Public Service Company has presented to the City Council tentative maps or plans showing the proposed construction of its gas mains in the streets in the City of Austin hereafter named, and said maps or plans have been considered by the City Council, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That Texas Public Service Company be and the same is hereby permitted to lay and construct its gas mains in and upon the following streets:

(1) A 4-inch low pressure gas main on East Lynn Street, beginning at a point 19 feet west of and 41 feet north of the intersection of the east line of East Lynn Street and the south line of Garden Street;

Thence in a southerly direction 19 feet distant from and parallel to the east line of East Lynn Street to a point in Holley Street which point is 19 feet west of and 26 feet south of the intersection of the east line of East Lynn Street and the north line of Holley Street, said gas main described above to have a cover of not less than 3 feet.

(2) A 4-inch low pressure gas main on Holley Street, beginning at a point 19 feet west of and 26 feet south of the intersection of the east line of East Lynn Street and the north line of Holley Street;

Thence in an easterly direction 26 feet distant from and parallel to the north line of Holley Street, a distance of one block to the west line of Anthony Street, said gas main described above to have a cover of not less than 3 feet.

(3) A 4-inch low pressure gas main on Holley Street beginning at a point 19 feet west of and 26 feet south of the intersection of the east line of East Lynn Street and the north line of Holley Street;

Thence in a westerly direction 26 feet distant from and parallel to the north line of Holley Street a distance of one block to the east line of Chicon Street, said gas main described above is to have a cover of not less than 3 feet.

(4) A 4-inch gas main on East Thirteenth Street, beginning at a point 20 feet south of and 73 feet west of the intersection of the north line of East Thirteenth Street and the west line of Waller Street;

Thence in a westerly direction, 20 feet distant from and parallel to the north line of East Thirteenth Street to the east line of curve street.

The Texas Public Service Company is hereby put upon notice that the City of Austin does not guarantee that the space assigned above is clear from other underground utilities, but is based upon the best records we have at hand, and that the minimum depth stated does not have any reference to the fact that greater depths may be required at special points. When the Texas Public Service Company requires definite information upon the ground as to elevations or working points from which to base the location of their assignments they shall apply to the City Engineering Department not less than three (3) days before such information is required. The Texas Public Service Company is further put upon notice that they will be required to bear the expense of repairs or replacement of any underground utility damaged during the construction of lines named in this resolution.

That the work and laying of said gas mains, including the excavation in the streets and the restoration and maintenance of said streets after said mains have been laid, shall be under the supervision and direction of the City Manager, and under all the pertinent terms and conditions of the certain franchise granted to said Company by the City of Austin.
