#17 Motion to approve ordinance as presented with changes

I move to approve the proposed ordinance with the following changes:

- Approve Parts 1 and 2 as presented.
- Approve Part 3 as presented, without the suggested change to 7 pm from 9 pm as the latest time a person can solicit door-to-door.
 - This means the times during which a person can solicit will remain the same, but the other recommended amendments will be approved.
- Remove Part 4 from the ordinance for consideration at a later time.

In summary: The motion is to approve Parts 1 and 2 as written, and to approve Part 3 with one change.

Keep 9 to 9 - as it is now
