Address of
Rezoning Request: 8420 Longview Rd

## To: Austin City Council

We, the undersigned owners of property affected by the requested zoning change described in the referenced file, do hereby protest against any change of the Land Development Code which would zone the property to any classification other than RR, SF-2, SF-3, SF-4, SF-5 or SF-6.

We are opposed to the re-zoning of this property to Multi-Family Residence. This type of zoning would generate an intense amount of traffic to Longview $R d$ which it is not appropriately designed to handle. The traffic, noise and lighting that would come with allowing this type of structure to be built would degrade the quality of life and safety for our existing residents.
