**SUBJECT - CASE # C14-05-85 at 11520 N. I H 35, Austin**

Jorge, I had been told by earlier zoning personnel that no one on the east side of I - 35 would be involved. I have no problem with that as I originally assumed there might be some from that side. It's a borderline call but I have no reason to fuss about it. I do need more time because of this situation and the information you gave me on the LR business with Tobias so I am as of this date April 14<sup>th</sup> 2006 requesting a delay of my next hearing to the first Council meeting date after June 25, 2006.
