

April 27, 2006 Item #40

ENVIRONMENTAL BOARD MOTION 042606-C3

Date: April 26, 2006

Subject: Green Water Treatment Plant

Motioned By: Phil Moncada

Seconded by: Rodney Ahart

Recommendation

The Environmental Board recommends to City Council, the Austin Water Utility to initiate an open public process to address the water needs of the City of Austin to include water conservation measures, potential New Water Treatment Plants, reclaimed water use, and all aspects thereof.
