This non-exclusive license agreement grants T-Mobile the use of real property to place a wireless communication station and peripherals. The station includes equipment, accessories, tower and antenna (s) necessary or incidental to the provision of wireless telephone service from the licensed premises.

Key provisions of the agreement:

- If the City determines that the wireless station must be removed, relocated, or altered to avoid either physical or electronic interference with City equipment or to accommodate a redevelopment of the licensed premises, then T-Mobile is responsible for the move or alternation at its own expense.
- Annual usage fee of \$9,600 with an annual escalator of four percent (4%) beginning in December of 2006.
- Initial term is five (5) years with two (2) – five (5) year renewal options.
