This action approves a resolution authorizing the application and acceptance of \$10,625 in fifth-year grant funding from the State of Texas, Governor's Office, Criminal Justice Division, Safe and Drug-Free Schools and Communities Act Fund for the Austin Faith Community Network to increase youth after-school and mentoring activities. The \$31,875 match will be met by hosting the annual faith-based regional conference. The annual conference provides specialized training to faith-based service providers, showcases faith community efforts, and presents new approaches to providing services and activities for youth in Austin and other cities. Over 301 congregations of all faiths participate in the Austin Faith Community Network and many provide services for youth. These congregations see the need to increase youth activities in the areas of career development, safety and outreach to the elderly to bridge the generation gap. Examples of the activities that will be funded include: increasing youth participation in a large College and Career Fair; a Martin Luther King Day Breakfast Event; and, organizing youth to perform minor home repairs for elderly residents.

The grant period is from September 1, 2006 – August 31, 2007. The funding shifts over the five years from 100% grant funded in year 1 and 2; 75% grant funded in year 3. If the grant is funded past three years, cost share is 50% grant funded in year 4; and 25% grant funded in year 5. This grant addresses the Department goal of reducing crime, fear of crime, and improving the quality of life of Austin's residents. It also addresses the following APD Activity Objective: The purpose of Community Partnerships is to establish partnerships and provide collaborative problem solving opportunities, neighborhood services, and education to residents so that together, police and citizens can improve safety, the perception of safety and neighborhood quality of life.
