**For More Information:**

**Prior Council Action:**

**Boards and Commission Action:**

**Purchasing Language:** Cooperative Purchase.

This contract is for the purchase of one riding floor sweeper and one riding floor scrubber that will be assigned to the Austin Convention Center Department (ACCD) to clean and maintain floors and carpets. The sweeper is battery-powered and is equipped with sweeper brushes and a vacuum wand for hard to reach areas. The scrubber is LPG-powered and is equipped with scrubbing brushes, large detergent tank, and vacuum drying system.

These units are additions to the ACCD fleet and are needed to maintain the additional floor area resulting from expansion of the Convention Center. The requests for these additional units were sent to Fleet Services and forwarded to the appropriate Assistant City Manager for approval.

This cooperative purchasing program is established by the Texas Building and Procurement Commission. It allows the City to use TXMAS contracts that have been developed from contracts that were competitively bid and awarded by the General Services Administration's Federal Supply Service.
