**For More Information:**  
**Prior Council Action:** Cooperative Purchase.  
**Boards and Commission Action:**

---

This contract is for the purchase and installation of recycled rubber surfacing at McBeth Recreation Center where programs are made available to individuals with disabilities. This existing safety surface was installed about nine years ago. The safety surface is severely worn and is curling up on the edges, creating gaps and bumps that are over four inches in some areas. The deteriorated condition of the safety surface is creating tripping hazards and most importantly obstacles for physically challenged children.

Gametime/Total Recreation Products is under contract with BuyBoard to supply these materials and services statewide as a result of a competitive bidding process. Utilizing the Buyboard contract provides for volume discount pricing as well as the earliest delivery of equipment.
